NOTICE TO RESIDENTS AND CONTRACTORS

Residents and contractors are reminded that it is illegal to place any items in the roadways. The township has received several complaints about items being placed on the street in front of residents’ houses.
Residents and contractors must have construction materials and other items delivered to their driveways or yards. Contractors should not dump any items in the street, even if the resident has requested it.
Incidents in which mulch is found in the roadway can be reported to the public works department at (937) 433-0152
