Come to the Recycling Center to see us!

- The staff of the Wilton Recycling Center is totally committed to being stewards of the land, environment, and the town.
- We hope your experience at the Recycling Center is positive, inspiring and enjoyable.
- We are always open for suggestions.

RECYCLING RATE

- We use the tonnage from the "solid waste" (garbage) and the total tonnage from the recyclables to formulate the recycling rate.
- The more you recycle, the higher the recycling rate! The higher the recycling rate, the more revenue for the town!
- Your careful dedication to recycling is much appreciated.

BULKY WASTE (Landfill): FEES APPLY

- Furniture, mattress/box springs, plastic toys, garden hoses, trash from basement, garage, shed, yard, household etc., clean outs.

Must be checked – See attendant

Items left without the fee paid will be at the expense of the towns

SOLID WASTE TRASH (Incinerables)

Household garbage only

NO clean outs of rooms, basement, shed, garage, yard or construction debris.

HOUSEHOLD HAZARDOUS WASTE COLLECTION

Will be held once a year

Date and information will be available on the web and at WRC.

Save time and effort – ask before you come!

We bale mostly all materials collected. The baling process compacts the materials into a 4' X 3' X 5' cube which is why it is important to have all items empty, rinsed, and caps off. This allows for the greatest amount of compaction in the bales to meet the minimum weight requirements. This provides a clean & high quality material which results in higher revenues for the towns.

**ALL ITEMS DROPPED OFF AT THE RECYCLING CENTER
BECOME THE PROPERTY OF THE TOWN OF WILTON.**

PLEASE DRIVE SLOW

**The driveway is long and the tendency is to go fast but:
Remember small children frequent these areas!
Watch out for constantly moving vehicles and equipment!**
