Permit Application - Mechanical

Please Sketch Diagram detailing fuel gas system, including:

- Building footprint, gas piping details, location of piping.
- Size of different branches.
- Load demands per appliance.
- Location of point of delivery.
- Reference NFPA 54, Chapter 5.1, 2015 Edition

A large grid of graph paper, consisting of 20 columns and 30 rows of small squares, intended for sketching a fuel gas system diagram.
