

# Temporary Traffic Control Permit

A Temporary Traffic Control Plan shall be submitted to the Department of Public Works and Transportation and approved prior to any construction in the City's right-of-way within the City of Arlington. ***This application and attachments must be emailed to the Public Works & Transportation email at [publicworks@arlingtontx.gov](mailto:publicworks@arlingtontx.gov).*** Work in the State of Texas' right-of-way must be submitted to TXDOT for approval prior to City approval. For more information about the State's right-of-way call 817-370-6542. **Please allow at least three (3) business days for review.**

### Temporary Traffic Control Plan Checklist

1. Work area location map with nearest major intersection(s), including:
  - Work area defined.
  - North Arrow.
  - Streets identified by name, number of lanes, median or left turn center lane, sidewalks, ditches and bridges, as appropriate.
  - Indicate location of Flagman, if required.

\*Note for Contractor to comply with the latest edition of the Texas Manual on Uniform Traffic Control Devices (TMUTCD)

\*Note of \$500/day fine for failure to comply.

2. Drawings on one of the following standard sheet sizes.  
8 1/2 x 11" or 11"x17"
3. Drawings to be straight with legible printing.
4. Use standard Temporary Traffic Control designations per - part 6 of the TMUTCD.
