

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the “Submit Without Changes” process and e-snaps will automatically be set to “Make Changes”. All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.

2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

1. Is this renewal project application No requesting to consolidate or expand?

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

SVDP's LIFT (Living Independently Following Treatment) is an inter-agency collaborative project designed to fill an unmet need for services to promote self-sufficiency of chronically homeless individuals and families with co-occurring mental illness and addictions. Participants are provided permanent housing in SVDP owned affordable housing in the Eugene/Springfield area. All complexes have on-site managers, and Resident Services Coordinators who provide an array of youth and tenant education activities. 18 scattered-site units are proposed for renewal.

The project involves voluntary team case management in partnership with inpatient addiction treatment and counseling agency. Households receive housing, and voluntary services including education, and intensive case management to help clients gain the skills and income needed for self-sufficiency, self-determination, and housing stability. For maximum flexibility, LIFT serves eight single individuals and ten families.

LIFT's target population has had repeated episodes of homelessness, incarcerations, and has cycled through inpatient addiction treatment an average of three times. Participants have unresolved legal issues, spotty employment history and few job skills. Families have often experienced domestic violence, family pattern addiction, and often have children in state custody. Family reunification when children have been in foster placement requires intense parenting coaching and counseling for both parent and children. All participants have experienced multiple evictions.

LIFT provides the following voluntary core services to all participants: intensive team case management, post inpatient treatment support groups, individual and group counseling, and family reunification support. All participants participate in a men's or women's support group, focusing on maintaining recovery. All participants are assisted in applying for Oregon Health Plan and Food Stamps. Other mainstream benefits are accessed as appropriate. All participants develop individual case plans with specific goals, steps, and timelines.

Each participant accesses specific services related directly to their goals and needs: vocational services, job training and placement services, and assistance with unresolved legal issues. All participants develop a budget and a permanent housing plan. All can participate in the Second Chance Program, a renter education class for persons with a poor or disastrous rental history. Graduates receive a list of landlords willing to rent to Program graduates. LIFT participants sign up for Section 8, and place themselves on affordable housing waiting lists. All participants receive six months of follow-up case management should they choose to move.

Outcomes: a) 85% will remain in PH or will exit to PH at the end of the operating year and b) 65% of adults will maintain or increase their income at the end of the operating year or at project exit.

2. Check the appropriate box(s) if this project will have a specific subpopulation focus. (Select all that apply)

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Is this project “100% Dedicated,” “DedicatedPLUS,” or “N/A”? 100% Dedicated

(Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of “non-dedicated permanent supportive housing beds” in the NOFO Section III.C.2.p).
