BILL PAY

ANNOUNCING THE EASIEST WAY TO PAY YOUR BILL

If you have an Internet connection and an email address, you can now pay your bill online. You are also able to "opt in" to paperless billing and receive an email notification when your bill is ready to view. It's fast, it's easy, and you no longer have to write a check each month or find a stamp when it's time to send in your payment.

This is especially helpful right now with the "stay home, stay safe" directive.

Recycling Survey

As you may have heard, recycling challenges have recently been in the news.

Please participate in the anonymous survey (url link provided below, or access on www.pleasantviewcity.com) so that your voice is considered during any upcoming decisions regarding recycling in Pleasant View. <https://www.surveymonkey.com/r/Y79PHQK>
