

awarding the bid but there is an annual restraint or we can table this again until after the discussion with the two bidders. We have asked for a 60-day extension from both Staker Parson and C.E. Butters. Mayor Call: this died for lack of a motion and we will put this back on the agenda after the meeting with Staker Parson and C.E. Butters.

2. Discussion and possible action to amend the Field Reservation Policy, Policy 2021-2. (Presenter: Amy Mabey)

Amy Mabey: you can see the changes in the ordinance. It is to establish clearer guidelines and include a refund option and not to tamper with the irrigation system.

Motion was made by CM Gibson to approve the amendment to the Field Reservation Policy with the correction of a grammatical error, Policy 2021-2. 2nd by CM Bailey.
Voting aye: CM Arrington, CM Bailey, CM Gibson, CM Marriott and CM Urry. 5-0

Other Business:

Mayor Call: there has been some pickleball clammer. Weather is still an issue. We will try to open it up tomorrow. If the weather gets bad it will be locked up to not have the courts damaged. We have had people break in and turn on the lights. We will be getting back to regular meetings next meeting. The Health Department has given the green light for celebrations if Covid stays the same or improves. The only problem is food events. We have done all we can do for the neighbor issue on 1000 W. We encourage to have them solve it civilly and we are not taking sides. We have reached out to the State Ombudsman and we are done. The North Ogden Meeting is this Friday regarding the closing of Pleasant View Drive at Washington Blvd. CM Bailey, CM Arrington and I will attend. I was irritated on how it was presented. If it is a safety concern they should put in a right-turn only and they should try that for 1-2 years. I don't believe their goal is safety. We need to find out the real reason to close it. CM Marriott: they shouldn't do anything until there is a light. CM Urry: ask to see a traffic study.

Amy Mabey: the Easter Hunt is April 3rd. We need to figure out the event. What does the council want to see happen? Discussion from council on ideas.

CM Marriott: what are the survey results from the fiber survey? CM Arrington: so far there have been 221 responses. It closes March 15.

CM Arrington: the tree by the CERT house is causing problems.

CM Bailey: we got bids on the Veteran's Monument and it will be on the next agenda.

CM Urry: Ray Ward passed away. His daughter would like to start pickleball leagues.

CM Gibson: the Founder's Day meeting is Thursday at 3:30PM. It is a public meeting and not on zoom. We want a full-fledged Founder's Day. The car show is ready to go and all should be able to have the vaccine by then.

Adjournment: 6:52 P.M.
