A RESOLUTION OF THE MUNICIPAL COUNCIL OF THE CITY OF JERSEY CITY DIRECTING THE PLANNING BOARD TO PROPOSE AMENDMENTS TO THE JERSEY AVE. LIGHT RAIL REDEVELOPMENT PLAN PURSUANT TO N.J.S.A 40:12A-7(f)

COUNCIL offered and moved adoption of the following Ordinance:

WHEREAS, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. permits municipalities to designate areas in need of redevelopment and rehabilitation; and

WHEREAS, N.J.S.A 40:12A-7(f) allows the governing body of a municipality to direct the planning board to prepare a redevelopment plan or amend an existing redevelopment plan; and

WHEREAS, the area of downtown Jersey City North of the Holland Tunnel access lanes, South of Hoboken, West of Marin Boulevard and East of Hoboken Avenue ("the Neighborhood") is experiencing exponential growth; and

WHEREAS, most of this Neighborhood is within the Jersey Avenue Light Rail Redevelopment Plan Area ("the Redevelopment Plan"); and

WHEREAS, the Neighborhood is poised to see over 6,000 new units of housing built in the next decade consistent with the Redevelopment Plan;

WHEREAS, approximately 99% of those units are anticipated to be market-rate units, failing to address the pressing need for affordable housing; and

WHEREAS, the Neighborhood has no access to public transit; and

WHEREAS, no NJ Transit bus lines stop in the Neighborhood, the Neighborhood is not near any PATH Station nor does the Neighborhood have access to the Light Rail despite the fact that the Light Rail tracks pass through the Neighborhood; and

WHEREAS, under the Redevelopment Plan, developers seeking to build in the Neighborhood are not required to build nor contribute to the construction of public transit infrastructure; and

WHEREAS, the Redevelopment Plan does not contemplate the addition of a new school despite the likelihood of 9,000 potential new residents moving into the Neighborhood who are likely to bring with them hundreds, and potentially thousands, of school-aged children; and

WHEREAS, the only Jersey City Public School zoned for the Neighborhood is P.S. 37 (The Cordero School) which is currently so overcrowded that officials from the school have had to bus roughly 30 pre-K students to other schools for the 2018-2019 academic year; and

WHEREAS, neither the Jersey City Public School District nor the New Jersey School Development Authority has proposed to build a new school in this area of downtown Jersey City or add additional capacity to P.S. 37; and

WHEREAS, the Municipal Council finds the Redevelopment Plan’s failure to address the need for more affordable housing; its failure to address the need for better access to public transit and its failure to address the limited availability of public schools in this area, calls for a thorough re-evaluation and amendment of the current Redevelopment Plan.

COUNCIL OFFERED AND MOVED ADOPTION OF THE FOLLOWING RESOLUTION:

WHEREAS, the City of Jersey City ("City") acquired title to various motor vehicles which were impounded and these vehicles have salvage value; and

WHEREAS, N.J.S.A. 40A:11-36 authorizes the sale of municipal personal property not needed for public use by public sale; and

WHEREAS, the Purchasing Agent desires to sell these motor vehicles by conducting a public auction; and

WHEREAS, the City will transfer title to all vehicles that remain unsold at the conclusion of the public auction to the impound operator.

7. A notice of the date, time, and place for the acceptance of bids and a description of the items to be auctioned shall be advertised in a newspaper circulating in the municipality not less than 7 nor more than 14 days before the date of the sale.

Enhancing the Data Capacities of the Partnership for a Healthier JC

Project Summary

With a multi-sector community coalition already formed and active, JCHHS now requires a cross-sector framework for collecting and analyzing ward-based health data. JCHHS therefore seeks to hire a data analysis consultant to help the Partnership plan and implement shared data systems, as well as utilize neighborhood-based data to inform health interventions. These new capabilities to share and analyze data will deepen the community impact of the Partnership, resulting in optimal health interventions that redress persistent health disparities and promote a culture of health citywide.

Project Deliverables

1. Develop a framework and strategies for collecting relevant cross-sector, ward-based health data throughout the city
2. Senior staff as well as staff from core members of the Partnership will receive data analysis training

AWARDEE shall not issue press releases or make any public statements referring to this contract or use IPHI’s name or logo without the prior written consent from IPHI. Press releases, public announcements, statements, campaign reports, or materials that mention the contract must receive advance written approval from IPHI. AWARDEE shall provide IPHI with copies of all final press releases, public announcements and/or publications related to this contract. IPHI may make information about this contract public at any time via their websites, presentations or as part of their public reports, and documents.

Resolution Purpose

This resolution authorizes the Hudson County Probation Division to place Community Solutions clients in City-owned Senior Centers to perform community service work.

I certify that all the facts presented herein are accurate.

Signature of Department Director  21/5/19 Date
Community service provides you with workers referred from Probation to do a variety of different jobs for your agency or organization. There are a number of responsibilities you take on as a community service work site. The purpose of this brochure is to provide you with basic information and guidelines to assist you and your staff.

SCREENING

The probation community service staff will refer workers to your agency based on its needs. Workers' skills, schedule, offense, and background are considered in making referrals. When a worker is sent to your agency, you have the right to decide whether that person is suitable. In addition to Probation's prior screening, we recommend you conduct a personal interview to determine if the worker meets your agency's requirements. If you decide not to accept a referral, the probation staff will make another assignment for that person and try to refer a suitable worker to you.

RECORDKEEPING

Since the community service workers are performing their hours as the result of a court order, it is essential that probation receives accurate records of the hours worked. We recommend that you have workers sign in and out whenever they are at your site. In this way, the staff person assigned to supervise the work will be readily able to report who worked, and how many hours they completed.

The records of hours performed by individual workers must be sent to the Probation Community Service Program at the end of each month.

SUPERVISION

The community service workers have a responsibility to treat their assignments seriously, and cooperate at all times with you and your staff. If a worker is uncooperative, disruptive, or otherwise causes problems, you should promptly advise Probation Community Service Program staff.

You have the right to dismiss a worker from your site at any time.

If a community service worker appears to be under the influence of alcohol or drugs, the worker should be dismissed from the work site, and Probation Community Service Program staff should be notified.

JUVENILES

If you have any juveniles performing community service work at your agency or organization, remember that the child labor laws apply to those under the age of 18. These laws prohibit working with power equipment, and toxic or flammable substances. They also restrict the number of hours and the hours of the day a juvenile can work.

A copy of the provisions of the Child Labor Laws is available from the Community Service Program or the Office of Wage and Hour Compliance, N.J. Department of Labor, P.O. Box 389, Trenton, NJ 08625.

SAFETY

The concern for the safety of community service workers at your work site is very important. We expect that you will exercise care and caution in assigning and supervising jobs given to community service workers, just as you would with paid employees. If you have any questions about the suitability, propriety, or safety of work assignments, don't proceed without discussing them with the Probation Community Service Program staff.

There are several guidelines to follow when deciding what types of jobs are suitable. Exceptions should have prior approval of the Probation Community Service Program staff.

Community service workers may not:
< work on roofs or on ladders taller than six feet.
< operate power tools (If a worker is experienced and capable with the equipment, and you want to proceed, you should contact the probation community service director and discuss the assignment before allowing the worker to use the equipment.)
< operate motorized vehicles.
< use hazardous or toxic substances. (There are no exceptions to this guideline.)

The information above are examples including, but not limiting other potentially hazardous duties.

Common sense is the best guide when deciding about work assignments. For example, a worker may decline a request to climb a ladder or use power equipment, but may now decide to pick up litter on a trash patrol. If you have any questions, contact the community service workers.

You should provide safety equipment, such as goggles, hard hats, breathing masks, ear protectors, and reflective vests for jobs where they could reduce risk or injury. Anything provided to paid staff is required for community service workers.

All tools or equipment that are provided to community service workers should be inspected on a regular basis, and maintained (or repaired if needed) in good working order. An inspection whenever a piece of equipment is used is a good idea.

INJURIES

In the case of minor injuries, such as poison ivy, insect bites, cuts and scrapes, workers should be told to seek treatment through their medical provider and allowed to leave the work site as needed. Major emergencies such as respiratory distress, blunt trauma or broken bones should be responded to in the same manner as for a paid employee, if necessary a 911 call and ambulance response. All cases of injuries must be reported to Probation Community Service staff immediately.
INSURANCE

The question of insurance for community service is a common one. There are two principle issues with which you should be familiar.

X Accident Insurance: The State of New Jersey provides secondary accident insurance for the workers it assigned to your agency. This insurance covers any injury which a community service worker might suffer while working with you. The specifics of the coverage and procedures to follow in case of an injury are available from the Probation Community Service director.

X Liability Insurance: This is more complex. New Jersey laws provide specific protection against liability for governmental agencies involved with community service, and more limited protection for private, non-profit organizations. The Attorney General of New Jersey issued an opinion letter in 1985, exploring the liability of agencies involved with community service. Information on all of these is available from the community service program. You should review it with your legal counsel.

For more information, please contact your Probation community service director at the phone number listed in this brochure.

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law requires all contractors and subcontractors with Public agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (800)242-1730.

I wish you continued success in your business endeavors.

Sincerely,

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the City of Jersey City (hereafter "owner") do hereby agree that the provisions of Title II of the Americans with Disabilities Act of 1990 (the "Act") (42 U.S.C. § 12131 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, answer, defend, and pay any and all losses, claims, demands, suits, and proceedings, either legal or equitable, and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints or claims filed pursuant to the owner’s grievance procedures, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedures. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to this agreement, the contractor shall satisfy and discharge the same at its own expense.

The contractor shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with bill and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expediently forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees, and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor prejudice the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the [Name of All Traffic Solutions Inc.] (hereafter "owner") do hereby agree that the provisions of Title I of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges, for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith, in any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor prevent the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Equal Opportunity for Individuals with Disability

The contractor and the City of Jersey City, (hereafter "owner") do hereby agree that the provisions of Title I of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. § 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereunto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, of subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to the Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, and employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ____________________________ (hereafter “owner”) do hereby agree that the provisions of Title 11 of the Americans with Disabilities Act of 1990 (the “Act”) (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ____________ of ____________, (hereafter “owner”) do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the “Act”) (42 U.S.C. §§ 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. AGREEMENT

This Agreement dated the ___ day of ___________, 20__ between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and the firm of Biancamano & DiStefano, P.C. ("Special Counsel").

WITNESSTH, that in consideration of the mutual covenants set forth herein, the City and Special Counsel agree as follows:

Scope of Agreement

Special Counsel is hereby retained as an independent contractor to represent the City of Jersey City in the defense of a portion of pending worker's compensation claim petitions filed against the City. Special Counsel shall be responsible for the scheduling of all permanency examinations in connection with each claim petition. The City's Office of Risk Management must first approve Special Counsel's choice of physician. If the Risk Manager does not approve the selection of physician, Special Counsel shall use the physician designated by the Risk Manager. Special Counsel shall also perform all clerical functions in connection with each claim petition filed. These functions shall be mutually agreeable between the City and Special Counsel.

Term

The term of this agreement is one (1) year effective as of January 1, 2019.

Consideration

A. For the above services, Special Counsel shall be compensated at a flat fee of One Thousand Five Hundred Dollars ($1,500) per petition which will include up to two (2) court appearances. The City shall pay Special Counsel for additional appearances after the
initial two (2) court appearances at a rate of \textbf{One Hundred Twenty-Five Dollars} ($125.00) per hour for a maximum of an additional \textbf{One Thousand Five Hundred Dollars} ($1,500).

\textbf{Special Counsel} agrees that for the stipulated fee, it will represent the City on all referred worker's compensation claims until each is concluded, for a maximum fee of \textbf{Three Thousand Dollars} ($3,000) per case.

The total amount of this agreement shall not exceed \textbf{Fifty Thousand Dollars} ($50,000).

B. \textbf{Special Counsel} shall provide a monthly statement for services rendered and the conclusion of each case to the Corporation Counsel. The statement of services shall specify in detail the time spent on these services.

C. The City does not agree to pay for the following disbursements unless specifically approved in advance for any specific matter by the City.

- word processing;
- secretaries' overtime, proofreading, placing or organizing documents in files;
- meals;
- first class air or rail travel, chauffeur driven limousines;
- hotel accommodations; and
- charges for use of conference rooms or office space.

Should the services of one or more other persons with \textbf{Special Counsel}'s firm be deemed necessary and approved, the City expects that an appropriate number of attorneys and paralegals at all practice levels will be available for assignment to its matters so that matters can be handled in the most efficient manner possible. Further, the City expects that tasks will be performed by the appropriate level attorney (partner or associates) or paralegal. The City
reserves the right to discuss with its outside counsel and approve the particular attorneys who will be assigned to work on each matter. The City also reserves the right to request the removal of any attorney from the City’s assignments for any reason.

The City does not agree to pay for excessive in-office consultants between attorneys or attorneys and paralegals, or for administrative meetings with associates and paralegals.

The City does not agree to pay for time spent educating lawyers as a result of the transfer or work between attorneys within the law firm unless approved by the City in advance. A complete or substantially complete transfer of work from an attorney having significant responsibility on a matter to another attorney or attorneys must be approved by the City.

Term

The term of this agreement is one (1) year effective as of January 1, 2019.

Further, the City expects that tasks will be

Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New
Jersey 07302 ("City") and the firm of **FLORIO KENNY RAVAL, L.L.P.** ("Special Counsel").

WITNESSETH, that in consideration of the mutual covenants set forth herein, the City
and Special Counsel agree as follows:

**Scope of Agreement**

Special Counsel is hereby retained as an independent contractor to represent the City
of Jersey City in the defense of a portion of pending worker's compensation claim petitions
filed against the City. **Special Counsel** shall be responsible for the scheduling of all
permanency examinations in connection with each claim petition. The City's Office of Risk
Management must first approve Special Counsel's choice of physician. If the Risk Manager
does not approve the selection of physician, Special Counsel shall use the physician
designated by the Risk Manager. Special Counsel shall also perform all clerical functions in
connection with each claim petition filed. These functions shall be mutually agreeable
between the City and Special Counsel.

**Term**

The term of this agreement is one (1) year effective as of January 1, 2019.

**Consideration**

A. For the above services, Special Counsel shall be compensated at a flat fee of
**One Thousand Five Hundred Dollars** ($1,500) per petition which will include up to two (2)
court appearances. The City shall pay Special Counsel for additional appearances after the
initial two (2) court appearances at a rate of \textbf{One Hundred Twenty-Five Dollars} ($125.00) per hour for a maximum of an additional \textbf{One Thousand Five Hundred Dollars} ($1,500).

\textbf{Special Counsel} agrees that for the stipulated fee, it will represent the City on all referred worker's compensation claims until each is concluded, for a maximum fee of \textbf{Three Thousand Dollars} ($3,000) per case.

The total amount of this agreement shall not exceed \textbf{Fifty Thousand Dollars} ($50,000).

B. \textbf{Special Counsel} shall provide a monthly statement for services rendered and the conclusion of each case to the Corporation Counsel. The statement of services shall specify in detail the time spent on these services.

C. The City does not agree to pay for the following disbursements unless specifically approved in advance for any specific matter by the City.

Should the services of one or more other persons with \textbf{Special Counsel's firm} be deemed necessary and approved, the City expects that an appropriate number of attorneys and paralegals at all practice levels will be available for assignment to its matters so that matters can be handled in the most efficient manner possible. Further, the City expects that tasks will be performed by the appropriate level attorney (partner or associates) or paralegal. The City
reserves the right to discuss with its outside counsel and approve the particular attorneys who will be assigned to work on each matter. The City also reserves the right to request the removal of any attorney from the City’s assignments for any reason.

AGREEMENT

This Agreement dated the ___ day of __________, 20___ between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and the firm of Leitner Tort DeFazio & Brause, P.C. ("Special Counsel").

WITNESSTH, that in consideration of the mutual covenants set forth herein, the City and Special Counsel agree as follows:

Scope of Agreement

Special Counsel is hereby retained as an independent contractor to represent the City of Jersey City in the defense of a portion of pending worker's compensation claim petitions filed against the City. Special Counsel shall be responsible for the scheduling of all permanency examinations in connection with each claim petition. The City's Office of Risk Management must first approve Special Counsel's choice of physician. If the Risk Manager does not approve the selection of physician, Special Counsel shall use the physician designated by the Risk Manager. Special Counsel shall also perform all clerical functions in connection with each claim petition filed. These functions shall be mutually agreeable between the City and Special Counsel.

Term

The term of this agreement is one (1) year effective as of January 1, 2019.

Consideration

A. For the above services, Special Counsel shall be compensated at a flat fee of One Thousand Five Hundred Dollars ($1,500) per petition which will include up to two (2)
court appearances. The City shall pay Special Counsel for additional appearances after the initial two (2) court appearances at a rate of One Hundred Twenty-Five Dollars ($125.00) per hour for a maximum of an additional One Thousand Five Hundred Dollars ($1,500).

Special Counsel agrees that for the stipulated fee, it will represent the City on all referred worker’s compensation claims until each is concluded, for a maximum fee of Three Thousand Dollars ($3,000) per case.

The total amount of this agreement shall not exceed Fifty Thousand Dollars ($50,000).

B. Special Counsel shall provide a monthly statement for services rendered and the conclusion of each case to the Corporation Counsel. The statement of services shall specify in detail the time spent on these services.

C. The City does not agree to pay for the following disbursements unless specifically approved in advance for any specific matter by the City.

- word processing;
- secretaries’ overtime, proofreading, placing or organizing documents in files;
- meals;
- first class air or rail travel, chauffeur driven limousines;
- hotel accommodations; and
- charges for use of conference rooms or office space.

Should the services of one or more other persons with Special Counsel’s firm be deemed necessary and approved, the City expects that an appropriate number of attorneys and paralegals at all practice levels will be available for assignment to its matters so that matters can be handled in the most efficient manner possible. Further, the City expects that tasks will be
performed by the appropriate level attorney (partner or associates) or paralegal. The City reserves the right to discuss with its outside counsel and approve the particular attorneys who will be assigned to work on each matter. The City also reserves the right to request the removal of any attorney from the City’s assignments for any reason.

The City does not agree to pay for excessive in-office consultants between attorneys or attorneys and paralegals, or for administrative meetings with associates and paralegals.

The City does not agree to pay for time spent educating lawyers as a result of the transfer or work between attorneys within the law firm unless approved by the City in advance. A complete or substantially complete transfer of work from an attorney having significant responsibility on a matter to another attorney or attorneys must be approved by the City.

**Assignment**

The services under this contract shall be performed exclusively by Special Counsel not by any other member of his firm. Special Counsel may assign work under this contract to another person within the firm only with the approval of the Corporation Counsel.

The contract will be awarded in accordance with the City of Jersey City’s Contractor Pay-to-Play Reform Ordinance 08-128 adopted on September 23, 2008. The Special Counsel, its subsidiaries, assigns or principals will be required to certify that they have neither made a reportable contribution in the one year period preceding the date that the City Council awards the contract that would be deemed to be a violation of Ordinance 08-128, nor will Special Counsel, its subsidiaries, assigns or principals make a reportable contribution during the term of the contract that would be in violation of Ordinance 08-128.

**City of Jersey City Lobbyist Disclosure Ordinance**

This contract was awarded in accordance with the provisions of the City’s Disclosure of

As such the undersigned does hereby attest that Special Counsel either did not retain the services of a lobbyist to lobby on behalf of the Special Counsel for the award of this contract, or if a lobbyist was retained by the Special Counsel for such purposes, the Special Counsel’s lobbyist, prior to commencing his/her lobbying activities, filed a notice of lobbyist representative status form with the City Clerk. Any Contractor whose lobbyist failed to comply with the provisions of Ordinance §3-9.1 et seq. following notice and an opportunity to be heard, shall be disqualified from entering into contracts with the City for a period of two (2) years for each violation.

Item F. Americans with Disabilities Act

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the 3rd of July, 2018, (hereafter "owner") do hereby agree that the provisions of Title II of the Americans with Disabilities Act of 1990 (the "Act") (42 U.S.C. §§ 12132 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from litigation or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services performed by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from incurring any other expenses available to it under any other provisions of the Agreement or otherwise at law.

The total amount of this agreement shall not exceed Fifty Thousand Dollars ($50,000).

B. Special Counsel shall provide a monthly statement for services rendered and the conclusion of each case to the Corporation Counsel. The statement of services shall specify in detail the time spent on these services.

The contractor and the City of Jersey City (hereinafter "owner") do hereby agree that the provisions of Title I of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. 5121 et seq.) which prohibits discrimination on the basis of disability by public entities in all services, programs and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract.

In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act.

In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act.

The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation.

The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.
It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement.

Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Dear Business Representative:

Recently enacted State law (Public Law 2001, c.134) requires all contractors and subcontractors with State, county and municipal agencies to provide proof of their registration with the Department of the Treasury, Division of Revenue. The law became effective September 1, 2001.

Our records indicate that you are currently registered with the Division of Revenue, and accordingly, we have attached a Proof of Registration Certificate for your use. If you are currently under contract or entering into a contract with a State, county or local agency, you must provide a copy of the certificate to the contracting agency.

Please note that the law sets forth penalties for non-compliance with the provisions above. See N.J.S.A. 54:52-20.

Finally, please note that the new law amended Section 92 of the Casino Control Act, which deals with the casino service industry.

Should you have any questions or require more information about the attached certificate, or are involved with the casino service industry, call (609) 292-1730.

Thank you in advance for your consideration and cooperation.

Sincerely,

Patricia A. Chiacchio

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the [insert name of owner] (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") [42 U.S.C. §12101 et seq.], which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, if any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the (hereinafter "owner") do hereby agree that the
provisions of Title I of the Americans With Disabilities Act of 1990 (the "Act") 42 U.S.C. §12101 et
seq., which prohibits discrimination on the basis of disability by public entities in all services, programs, and
activities provided or made available by public entities, and the rules and regulations promulgated
pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the
owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with
the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are
alleged to have violated the Act during the performance of this contract, the contractor shall defend the
owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify,
protect, and save harmless the owner, its agents, servants, and employees from and against any and all
claims, losses, damages, or injuries, of whatever kind or nature, arising out of or in any way connected to the
alleged violation. The contractor shall, at its own expense, defend, and pay any and all charges for
legal services and any and all costs and other expenses arising from any action or administrative proceeding
or hearing incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance
procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said
grievance procedure. If any action or administrative proceeding results in an award of damages against the
owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant
to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to
the contractor along with full and complete particulars of the claim, if any action or administrative
proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall
exclusively forward or have forwarded to the contractor every demand, complaint, notice, summons,
pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the
contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act
and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the
contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their
performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the
provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this
Agreement, nor shall they be continued to relieve the contractor from any liability, nor preclude the owner
from taking any other action available to it under any other provisions of the Agreement or otherwise.

Outside Counsel Agreement

This Agreement dated the ___ day of ____________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Werner Suarez, 2 University Plaza, Hackensack, NJ 07601 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel for legal services related to Anne Doyle.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm's advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel's engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public's confidence if representation by Outside Counsel continued.

Outside Counsel's acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel's representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public's confidence in the integrity and impartiality of its administration. For this reason, in addition to insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:
1. Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

2. Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

3. Representing a private client with interests adverse to the City.

4. Representing another client if that representation would present a substantial risk that Outside Counsel’s responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

5. Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.
Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.

The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs,
the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing; filing; docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to
perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as
Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with whom the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.

I. Malpractice Insurance.
Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $50,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.
Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City's open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City's prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel who's billing practices raise questions about the Outside Counsel's integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.
C. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file,’ ‘conference’, ‘attention to matter’; ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

D. **Acceptable Fees/Charges.**

**Overhead charges may not be billed.** The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
- Secretarial services (including overtime charges)
- Word processing or proofreading
- Maintenance of a calendar or tickler system
- Investigating potential conflicts
- Preparing budgets
- Library usage (including book purchases or subscriptions) or library staff time
- Office supplies
- Conference room charges
E. Basic legal research may not be billed.

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained infra, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

F. Out-of-pocket costs must be itemized and passed through with no markup.

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

G. Prohibited disbursements.

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:

- Rent (including temporary office space)
- Westlaw, Lexis and other legal database services
- Cost or usage of computers or mobile devices or internet service charges
- Equipment rental
- Storage charges
- Catering for internal meetings
- Meals (except during business travel, and then limited to $70 per day)
- Mileage for short trips (<30 miles one way)
- Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
- Telephone charges
H. Copying/scanning.

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

I. Couriers and Overnight Mail.

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

J. Travel Expenses.

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.

K. Reimbursement of Meals for Overnight Travel.

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.
L. **Maintenance of Expense Records.**

To ensure compliance with the City's reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm's invoices.

M. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days' duration is required), or luggage.

N. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

**IV. COMPLIANCE WITH AFFIRMATIVE ACTION PLAN**

(a) If the Agreement exceeds $40,000.00, it shall be subject to the Affirmative Action Amendments to the Law against Discrimination, N.J.S.A. 10:5-31 et seq.

(b) This Agreement shall not become effective and Contractor shall provide no services under this Agreement until it has executed the following documents:

1. A supplemental Affirmative Action Agreement pursuant to N.J.S.A. 10:5-31 et seq. (for contracts which exceed $40,000.00). The Affirmative Action Agreement is attached hereto as Exhibit "B" and is incorporated herein by reference.

2. An Affirmative Action Employee Information Report (form AA-302) (for contracts which exceed $40,000.00).
V. CITY OF JERSEY CITY LOBBYIST DISCLOSURE ORDINANCE

This contract was awarded in accordance with the provisions of the City's Disclosure of Lobbyist Representative Status Ordinance §3-9.1 et seq. adopted on June 12, 2002. As such the undersigned does hereby attest that Contractor either did not retain the services of a lobbyist to lobby on behalf of the Contractor for the award of this contract, or if a lobbyist was retained by the Contractor for such purposes, the Contractor's lobbyist, prior to commencing his/her lobbying activities, filed a notice of lobbyist representative status form with the City Clerk. Any Contractor whose lobbyist failed to comply with the provisions of Ordinance §3-9.1 et seq., following notice and an opportunity to be heard, shall be disqualified from entering into contracts with the City for a period of two (2) years for each violation.

VI. CONFIDENTIALITY

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel’s offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.
VII. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VIII. CITY OF JERSEY CITY CONTRACTOR PAY-TO-PLAY REFORM ORDINANCE

The contract is awarded in accordance with the City of Jersey City’s Contractor Pay-to-Play Reform Ordinance 08-128 adopted on September 23, 2008. The Contractor, its subsidiaries, assigns or principals have certified that they have neither made a reportable contribution in the one year period preceding the date that the City Council awarded the contract that would be deemed to be a violation of Ordinance 08-128, nor will Contractor, its subsidiaries, assigns or principals make a reportable contribution during the term of the contract that would be in violation of Ordinance 08-128.

IX. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating therefrom. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

X. GENERAL TERMS

Page 14 of 17
A. **Governing Law/Jurisdiction.**

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably consent to the jurisdiction of such courts.

B. **Counterparts Clause.**

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties' authorized e-mail addresses and such delivery is acknowledged by reply e-mail. GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the City of Jersey City (hereafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. 12132 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to the Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all claims, losses, damages, or liabilities, or whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services rendered and all costs and other expenses arising from such action or administrative proceeding as incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedures, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedures. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expenses to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of its obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees, and subcontractors for any claim which may arise out of the performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall not in any way limit the contractor's obligations assumed in this Agreement; nor shall they be construed to relieve the contractor from any liability, nor prejudice the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise.

Outside Counsel Agreement

This Agreement dated the ___ day of _____________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Keith A. Bonchi, Esq., of the law firm of Goldberg, Mackler, Sayegh, Mintz, Pfeffer, Bonchi & Gill, PC, 660 New Road, Suite 1-A, Northfield, NJ 08225 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with the representation of the City of Jersey City in a pending foreclosure matter involving the property located at 227 Clinton Avenue, Jersey City.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s
confidence in the integrity and impartiality of its administration. For this reason, in addition to insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel's responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel's knowledge of the City's legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel's responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel's advance consent before agreeing to represent such persons in their individual capacities. The
Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.

Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel's principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel's principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel's engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel's firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties’ counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel’s firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks;
internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.
Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.
I. **Malpractice Insurance.**

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. **File Retention.**

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. **Billing**

A. **Rates.**

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $50,000.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel's initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.
Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any
Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

C. Invoice Format.

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’; ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

D. Acceptable Fees/Charges.

Overhead charges may not be billed. The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
- Secretarial services (including overtime charges)
- Word processing or proofreading
- Maintenance of a calendar or tickler system
- Investigating potential conflicts
- Preparing budgets
• Library usage (including book purchases or subscriptions) or library staff time
• Office supplies
• Conference room charges

E. Basic legal research may not be billed.

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained infra, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

F. Out-of-pocket costs must be itemized and passed through with no markup.

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

G. Prohibited disbursements.

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:

• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

H. **Copying/scanning.**

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

I. **Couriers and Overnight Mail.**

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

J. **Travel Expenses.**

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.

K. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

L. **Maintenance of Expense Records.**
To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

M. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

N. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

VIII. CONFIDENTIALITY

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel's representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Outside Counsel's offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and nonlegal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section, and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

X. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating therefrom. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

RE: Jersey City CSBG Non-Discretionary Grant #: 2019-05235-0362

Dear Ms. Pittman,

On behalf of the New Jersey Department of Community Affairs, I am pleased to inform you that Jersey City will receive a FY19 non-discretionary Community Services Block Grant (CSBG) for approximately the level funding of your FY18 allocation. The award will provide funds for health, education, employment, housing and other services benefiting the low-income population of Jersey City.

Provision of such financial assistance is subject to appropriate execution of a grant/loan agreement with the Department and compliance by Jersey City with the terms, conditions and requirements set forth therein. Expenditures incurred prior to receipt of the executed grant agreement are incurred solely at the risk of the grant recipient should funding not be available to support this award. Your initial allocation will be $233,450.00. The annual Grant Final FY 19 total is approximately $933,801.00.

The CSBG grant funds are available from 10/01/2018 through 09/30/2019. Your grant cycle will be 10/01/2017; however, the term of your contract will be January 1, 2019 through December 31, 2019. The Department is trying to eliminate overlapping contracts. Please ensure that the agencies you subcontract with are aware of the time-period, since this may differ from past years. If any sub grantee should require additional time to utilize funds, a grant revision would be necessary.

If you have any questions, please do not hesitate to contact me at (609) 292-3746.

Thank you.

Americans With Disabilities Act of 1990

Equal Opportunity for Individuals with Disability

The contractor and the City of Jersey City (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees in abeyance to any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other action available to it under any other provisions of the Agreement or otherwise at law.

A discussion of our proposed scope of services is provided herein, followed by our fee and estimated schedule.

BACKGROUND

Based on our Phase I Environmental Site Assessment (ESA) dated 31 October 2018, we understand that the Site consists of a 0.28-acre property comprised of five contiguous undeveloped tax parcels owned by the City of Jersey City. The Phase I ESA identified the following Recognized Environmental Condition (REC) and Business Environmental Risk (BER) warranting further evaluation:

REC 1 – Potential Underground Storage Tanks
No evidence of current underground storage tanks (USTs) (e.g., fill ports or vent pipes) was observed during the Phase I ESA Site reconnaissance. However, a 1981 Sanborn Map depicting the Site indicates the presence of a gasoline tank in association with a former onsite building along Communipaw Avenue.

Langan reviewed construction permits available through the online portal maintained by the City, and no underground storage tank permits were identified.

Additionally, the Sanborn Fire Insurance Maps identified former structures at the Site. No information was available regarding the heating sources for these structures.

Based on this information, artifact UST(s) may remain at the Site. Should UST(s) be discovered during redevelopment activities, they should be properly decommissioned and removed in accordance with local and state regulations.
BER 1 – Possible Fill Materials

According to the 2004 Historic Fill of the Jersey City Quadrangle Map produced by NJDEP Land Use Management New Jersey Geological Survey, and NJDEP GeoWeb online mapping tools, historic fill material is not mapped in association with the Site. However, a 2018 geotechnical investigation conducted by Langan (documented under a separate cover) identified the following stratigraphy onsite: 2 to 3 inches of topsoil underlain by 3 to 10 feet of fill material (comprising of brown to dark brown sand with varying amounts of silt, clay, gravel, brick, and concrete), underlain by native materials and rock.

Furthermore, a parcel situated to the southeast of the Site is identified with a Deed Notice and engineering controls for onsite fill material. This condition is suggestive of a regional fill condition in the vicinity of the Site.

Please be advised that if future activities will involve the disturbance of subsurface materials, appropriate site investigation sampling activities may be necessary to further evaluate the reported historic fill condition. If the reported historic fill is determined to be impacted with contaminant concentrations in excess of the NJDEP Soil Remediation Standards, additional investigation and remedial action (consisting of the implementation of engineering and institutional controls) may become necessary.

Accordingly, as requested, Langan has prepared this proposal to further evaluate these Site conditions.

SCOPE OF SERVICES

Based on our understanding of Site conditions, Langan anticipates that the scope of services will include the following tasks.

Task 1 – Field Activities

- Geophysical survey of the Site to evaluate the presence/absence of the reported UST as well as potential additional subsurface improvements throughout the Site;
- Advancement of up to six soil borings. Specifically,
  - Two to four soil borings are to be advanced in the vicinity of the reported UST. The purpose of these soil borings is to facilitate the collection of soil samples for laboratory analysis for gasoline parameters. Groundwater samples will be collected and submitted for laboratory analysis, should groundwater be encountered.
  - Two soil borings are to be advanced throughout the Site. The purpose of these soil borings is to visually observe the reported historic fill condition and facilitate the collection of soil samples for laboratory analysis. One soil sample will be submitted for Category 2 extractable petroleum hydrocarbon (Cat 2 EPH) and total contaminant list/total analyte list (TCL/TAL) analysis, including hexavalent chromium. The remaining soil samples will be submitted for poly aromatic hydrocarbon (PAH) and metal analysis. Groundwater samples will be collected and submitted for TCL/TAL laboratory analysis, should groundwater be encountered.
Task 2 – Reporting and Project Management
Langan will continue to provide project management services for this project, including preparation of a Health and Safety Plan (HASP) for these activities.

Upon completion of Task 1, Langan will prepare a letter/memorandum to document the findings of these activities. The deliverable will include sample location map and summary of analytical results. The letter/memorandum will report findings and include a separate e-mail with recommendations for further action, if warranted.

Task 3 – Remedial Investigation and Remedial Action Workplan, if needed
Although development of scope and fees is premature at this time, as requested, we have included a budgetary allowance of $10,000 for possible activities needed to further evaluate and develop a scope of work to address conditions identified during this proposed Phase II Subsurface Investigation.

Task 4 – Contingency, if needed
Similar to Task 3, as requested, we have included a budgetary allowance of $10,000 to remediate/mitigate possible conditions identified to be associated with the Site.

ESTIMATED COSTS

The estimated cost of the scope of work required to complete Tasks 1 through 4 are categorized by Task on Table A.

Written authorization for Langan to perform this Scope of Services is set forth herein shall constitute acceptance of the terms and conditions of this Proposal. If this Proposal is acceptable, please indicate your agreement by signing where indicated on the following page, and returning a signed original of this Proposal to our attention. Please retain a copy of this Proposal for your records.

GENERAL TERMS AND CONDITIONS

These Terms and Conditions shall apply to services provided by Langan Engineering, Environmental, Surveying, Landscape Architecture and Geology, D.P.C.; or Langan Engineering and Environmental Services, Inc.; or Langan CT, Inc.; or Langan MI, Inc.; or Langan International, LLC (each individually, a "LANGAN ENTITY"; and together with the proposal to which these Terms and Conditions are attached (hereinafter, the "Proposal"), shall constitute the "Agreement". For purposes of this Agreement, the Langan ENTITY specifically identified in the Proposal shall be referred to as "LANGAN" and the entity signing the Proposal shall be referred to as "CLIENT."

A. SCOPE OF SERVICES AND ADDITIONAL SERVICES
LANGAN will provide those services specifically identified in the Proposal (hereinafter, the "Services"). All Services, regardless of the commencement date, will be covered by these Terms and Conditions. All services not specifically identified in the Proposal are excluded; provided, however, that if requested by the CLIENT and agreed to by Langan in writing, Langan will perform such additional services ("Additional Services") subject to these Terms and Conditions. Unless otherwise agreed in writing, the CLIENT shall pay LANGAN for the performance of any Additional Services on a time-and-materials basis based upon Langan's then-current hourly rates. For avoidance of doubt, email will constitute written notice.

B. STANDARD OF CARE
LANGAN's services will be performed in accordance with this Agreement and in a manner consistent with the generally accepted standard of care and skill ordinarily exercised by professionals performing similar services under similar circumstances at the place and time the services are being performed (the "Standard of Care"). Langan will exercise reasonable professional care in its efforts to comply with codes, regulations, laws, rules, ordinances, and such other requirements in effect as of the date of execution of this Agreement. The CLIENT agrees that no other representation, warranty or guarantee, expressed or implied, is provided by Langan or is presumed given by Langan under this Agreement or in any report, opinion, or any other document prepared by Langan or otherwise.

C. CLIENT RESPONSIBILITIES
In addition to other responsibilities described herein, the CLIENT shall: (i) provide all information and criteria as to the CLIENT's requirements, objectives, and expectations for the project, including all numerical criteria that are to be met and all standards of development, design, or construction and all other information reasonably necessary for completion of the Services, prior to the commencement of the Services; (ii) provide prompt, complete disclosure of known or potential hazardous conditions or health and safety risks; (iii) provide to Langan all previous studies, plans, or other documents pertaining to the project and all new data reasonably necessary in Langan's opinion for completion of the Services; (iv) review all documents or oral reports presented by Langan and render in writing decisions pertaining thereto within a reasonable time so as not to delay the Services; (v) furnish approvals and permits from governmental authorities having jurisdiction over the project and approvals and consents from other parties as may be necessary for completion of Langan's Services; (vi) give prompt written notice to Langan whenever the CLIENT becomes aware of any development that affects the scope and timing of Langan's Services or any defect or noncompliance in any aspect of the project; and (vii) bear all costs incident to the responsibilities of the CLIENT. Langan will have the right to reasonable reliance upon the accuracy and completeness of all information furnished by the CLIENT.

D. INVOICING AND SERVICE CHARGES
LANGAN will submit monthly invoices to the CLIENT and a final bill upon completion of Services. The CLIENT shall notify Langan within two weeks of receipt of Invoice of any dispute with the invoice. The CLIENT and Langan will promptly resolve any disputed items. Payment on undisputed invoice amounts is due upon receipt of Invoice by the CLIENT and is past-due thirty (30) days from the date of the invoice. Any unpaid balances shall accrue late charges of 1.5% per month, or the highest rate allowed by law, whichever is lower, and the CLIENT agrees to pay all fees and expenses incurred by Langan in any collection action.

In the event of a suspension of services or termination of the Agreement by Langan in accordance with Section Q of these General Terms and Conditions, Langan will have no liability for any delay or damage of any kind actually or allegedly caused by such suspension of services or termination. CLIENT shall not withhold amounts from LANGAN'S compensation to impose a penalty or damages on LANGAN, or to offset sums requested by or paid to contractors for the cost of changes in their work unless LANGAN agrees or has been found liable for the amounts. The CLIENT shall notify Langan prior to executing this Agreement if federal, state, or local prevailing wage requirements apply. If prevailing wages apply, and Langan was not notified by CLIENT, CLIENT agrees to pay Langan the prevailing wage for new amounts invoiced, as well as a retroactive payment adjustment to bring previously paid amounts in line with prevailing wages. CLIENT also agrees to defend, indemnify, and hold harmless Langan from any alleged violations for failing to pay prevailing wages, including the payment of any fines or penalties.

E. RIGHT OF ENTRY
The CLIENT shall provide for safe right of entry in order for Langan to perform its Services. While Langan will take all reasonable precautions to minimize any damage to the property, the CLIENT acknowledges and agrees that in the normal course of work some damage may occur, the correction of which is not part of this Agreement unless specifically provided in the proposal.

F. JOBSITE SAFETY AND CONTROL OF WORK
LANGAN will take reasonable precautions to safeguard its own employees and those for whom Langan is legally responsible. Unless expressly agreed to in writing by Langan under separate contract, Langan will have no responsibility for the safety program at the Project or the safety of any entity or person other than Langan and its employees. Neither the professional activities of Langan nor the presence of Langan's employees and subcontractors at the Project site will be construed to confer upon Langan any responsibility for any activities on site performed by personnel other than Langan's employees and subcontractors. The CLIENT agrees that Langan will have no power, authority, right or obligation to supervise, direct, stop the work of or control the activities of any other contractors or subcontractors or construction manager, their agents, servants or employees.

G. EXISTING CONDITIONS AND SUBSURFACE RISKS
Special risks occur whenever engineering or related disciplines are applied to identify subsurface conditions. Even a comprehensive sampling and testing program implemented in accordance with a professional Standard of Care may fail to detect certain conditions. The environmental, geologic, geotechnical, hydrogeologic conditions that Langan interprets to exist between sampling points will differ from those that actually exist. The CLIENT recognizes that actual conditions will vary from those encountered at the locations where borings, sampling, surveys, observations or explorations are made by Langan or its subcontractors and that the data, interpretation, and recommendations of Langan are based solely on the information available to it. Furthermore, the CLIENT recognizes that passage of time, natural occurrences, and/or direct or indirect human intervention at or near the site may substantially alter discovered conditions. Langan shall not be responsible for interpretations by others of the information it develops or provides to the CLIENT.

LANGAN will take reasonable precautions to avoid damage or injury to subsurface structures or utilities in the performance of its services. The CLIENT agrees to defend, indemnify, and hold Langan harmless for any damage to subsurface structures or utilities and for any impact this damage may cause where the subsurface structures or utilities are not called to Langan's attention or are not correctly shown on the plans furnished by CLIENT or third parties.

If the defaulting party fails to cure its default within the seven (7) calendar day notice period or fails to commence action to cure its default if the cure cannot reasonably be completed within the seven (7) day, the non-defaulting party may terminate the Agreement. Failure of the CLIENT to make payments to LANGAN in accordance with this Agreement shall be considered substantial non-performance and grounds for termination or suspension of services at LANGAN’s option after such seven (7) day notice period or anytime thereafter. In the event of termination, LANGAN will be compensated for all services performed and reimbursable expenses incurred prior to such termination and all termination expenses.

LANGAN and CLIENT waive any right to a trial by jury.

All actions by CLIENT against LANGAN, and by LANGAN against CLIENT whether for breach of contract, tort or otherwise, shall be brought within the period specified by applicable law, but in no event more than five (5) years following substantial completion of LANGAN’s services. CLIENT and LANGAN unconditionally and irrevocably waive all claims and causes of action not commenced in accordance with this paragraph.

If the CLIENT asserts a claim against LANGAN relating to allegations of professional negligence in performance of LANGAN’s services under this Agreement, LANGAN will be entitled to reimbursement of any costs incurred by LANGAN in the defense of the professional negligence claim, including any expenses incurred as part of LANGAN’s professional liability insurance deductible, to the extent LANGAN is successful in its negligence defense.

WHEREAS, Liberty State Park a beloved local and national treasure, whose priceless public lands provide urban wildlife habitats, educational enrichment, historical and cultural wonders, healthy recreation, and irreplaceable views of Lady Liberty and Ellis Island; and

WHEREAS, between 4 and 5 million people visit Liberty State Park each year, at least 700,000 of whom are visitors from around the world; and

WHEREAS, Liberty State Park is “The People’s Park,” an utterly unique gift from the people of New Jersey to the people of the United States on the occasion of our nation’s Bicentennial; and

The contractor and the _______________________ (hereafter "owner") do hereby agree that the provisions of Title 1 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. Outside Counsel Agreement

This Agreement dated the ____ day of ________________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Rainone Coughlin Minchello, LLC, 555 U.S. Highway One South, Suite 440, Iselin, NJ ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with Nakia Wiggins v. City of Jersey City, et al.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s confidence in the integrity and impartiality of its administration. For this reason, in addition to
insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel's responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel's knowledge of the City's legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons_Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel's responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel's advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel,
will determine if it is appropriate for the individual to receive representation and, if so, by whom.

Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time
has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).
Outside Counsel will pay all third-party service providers directly and will bill the City for those services' detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel's responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. **Adherence to Ethical Standards.**

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with anyOutside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. **Gratuities.**

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer's or employee's public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.
The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.

I. Malpractice Insurance.

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $75,000.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates
applicable at the inception of each specific matter must remain in effect for the duration of that matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of January 22, 2019.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.
Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. Invoice Format.

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’; ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. Acceptable Fees/Charges.

Overhead charges may not be billed. The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:
• Billing inquiries
• Opening and closing files
• Internal filing
• Secretarial services (including overtime charges)
• Word processing or proofreading
• Maintenance of a calendar or tickler system
• Investigating potential conflicts
• Preparing budgets
• Library usage (including book purchases or subscriptions) or library staff time
• Office supplies
• Conference room charges

F. Basic legal research may not be billed.

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained infra, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. Out-of-pocket costs must be itemized and passed through with no markup.

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. Prohibited disbursements.

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:
• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

I. Copying/scanning.

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. Couriers and Overnight Mail.

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. Travel Expenses.

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.
L. Reimbursement of Meals for Overnight Travel.

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. Maintenance of Expense Records.

To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

N. Personal Expenses Not Reimbursable.

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

O. Vendor discounts must be passed through.

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

IV. CONFIDENTIALITY

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to
protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel's control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel's offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.
VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating there from. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably agree to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties’ authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

5. Upon termination of this Confidentiality Agreement the Subcontractor shall return or erase, destroy, and render unreadable all Subcontractor copies of City Documents and Data, both physical and electronic, and certify in writing that these actions have been completed within 30 days of the termination of this Confidentiality Agreement or within 14 days of the request of an agent of the City, whichever shall come first.
6. This Confidentiality Agreement shall survive the Subcontractor’s termination of the contract between the law firm retained by the City and Subcontractor or upon completion of the scope of work related to the City.

Signature of Department Director Date
Outside Counsel Agreement

This Agreement dated the ____ day of _____________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Cleary Giacobbe Alfieri & Jacobs, LLC, 955 State Highway 34, Suite 200, Matawan, NJ 07747 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with Nakia Wiggins v. City of Jersey City, et al.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s confidence in the integrity and impartiality of its administration. For this reason, in addition to
insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel’s responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.
Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT
professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.
Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. **Adherence to Ethical Standards.**

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. **Gratuities.**

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.
I. Malpractice Insurance.

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $100,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.
Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of January 22, 2019.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter.
involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. Invoice Format.

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’, ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. Acceptable Fees/Charges.

Overhead charges may not be billed. The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
• Secretarial services (including overtime charges)
• Word processing or proofreading
• Maintenance of a calendar or tickler system
• Investigating potential conflicts
• Preparing budgets
• Library usage (including book purchases or subscriptions) or library staff time
• Office supplies
• Conference room charges

F. **Basic legal research may not be billed.**

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained *infra*, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. **Out-of-pocket costs must be itemized and passed through with no markup.**

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. **Prohibited disbursements.**

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:

• Rent (including temporary office space)
• Westlaw, Lexis and other legal database services
• Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm’s blanket service agreements with outside vendors

I. Copying/scanning.

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. Couriers and Overnight Mail.

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. Travel Expenses.

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.
I. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. **Maintenance of Expense Records.**

To ensure compliance with the City’s reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm’s invoices.

N. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days’ duration is required), or luggage.

O. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

**IV. CONFIDENTIALITY**

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel’s representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel’s control, and certainly when that information is being transported. Under no circumstances shall such confidential
information be transported outside Counsel's offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of
termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating therefrom. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably appoint attorney to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties' authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ____________________________ (hereinafter “owner”) do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the “Act”) (42 U.S.C. § 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all claims for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith, in any and all complaints brought pursuant to the owner’s grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Brief History of Civitas: Civitas was founded in 2009 by Jimmy Ardis and Erich Chatham, two graduates of the College of Charleston’s Masters of Public Administration program. Jimmy, an Air Force veteran, and Erich, a former high school teacher, found that they each brought a unique set of skills, personality, and knowledge base to the organization that provided incredible balance and productivity. After graduating they saw a need in the market for housing policy experts who can provide assistance to a variety of clients who were looking to address their community’s housing needs. Through their dedication and hard work, they developed Civitas into one of the foremost housing policy firms in the country, particularly with regard to HUD programs.

Since 2009, the organization has seen healthy growth in both clients and staff. Two specialists, Peter Neiger and Vern Xiong, were added to the staff in 2014. Peter and Vern’s data analysis and visualization expertise allowed Civitas to continue to grow and provide their services to more clients. Currently, Civitas has six employees who are not only experts in the Consolidated Planning process, but they also specialize in additional aspects of affordable housing policy allowing Civitas to provide the quality of a larger firm with the nimbleness of a small firm all for a price affordable to clients of all sizes. As 2018 is coming to a close, Civitas is on track to continue its healthy growth and provide even greater assistance throughout the country.
Qualifications and Experience

Civitas, LLC is a veteran-owned housing and community development consulting firm based in South Carolina. We are in the business of thinking and doing. We help local government, non-profit, and for-profit enterprises solve problems and implement solutions. Our knowledge and experience with HUD programs, social science research, economic development, and community revitalization puts us in a unique position to assist the City of Jersey City to complete the Consolidated Plan and Analysis to Impediments of Fair Housing.

We bring a passion for public service to our work in areas such as affordable housing development, grant writing and administration, program evaluation, research design and implementation, social and economic impact analysis, survey research, GIS mapping and spatial analysis, and project management. Formally organized in 2009, Civitas consultants have decades of combined experience in the community development field. We have continued healthy growth since our founding and currently have a six-person staff with diverse skill sets that allow us to produce high-quality products at reasonable prices.

HUD documents are our specialty and Civitas has successfully completed or assisted with the completion of Consolidated Plans and Annual Action Plans for multiple communities in numerous states – including South Carolina, North Carolina, California, Florida, Texas, Tennessee, Utah, Colorado, Illinois, Michigan, and Pennsylvania. Our firm also has several subcontracts with companies contracted directly with HUD to provide national technical assistance services to HUD grantees. We provide expertise, training, and problem solving to HUD grantees across the nation. We are experts on the Consolidated Planning Process, AAPs, Als, Analyses of Fair Housing, IDIS, DRGR, CDBG, HOME, and a variety of other HUD programs and cross cutting regulations.

eCon Planning Suite Experience

The Consolidated Plan will be developed using HUD’s IDIS-based e-Con Planning Suite. It would be difficult to find a team more knowledgeable of this system. Our consultants have been involved with eCon since its inception. Furthermore, Civitas consultants have been contracted with HUD to provide direct training and technical assistance to grantees on IDIS. The Planning Suite provides streamlined data collection and a standardized template that provides grantees with greater certainty that their planning process adheres to HUD-guidelines and vision. Consultants will utilize the ConPlan template and include the most recently available data in the data tables, narratives, charts, and maps into IDIS. Civitas will enter the full Consolidated Plan into IDIS and submit for HUD approval per Federal guidelines and in accordance with the submission deadline.

Approach

Civitas' methodology for completing ConPlans and AIs has proven to be very successful. We balance the need for both qualitative and quantitative analysis to provide a document that meets HUD requirements, as well as one that is customized to meet the needs of each unique client. What follows is our detailed proposed scope of work for each section.

 Consolidated Plan

Using a mix of qualitative and quantitative methods we propose to deliver a high-quality Consolidated Plan that will provide insights into economic development and the housing profile of Jersey City.

"The Consolidated Plan is designed to be a collaborative process whereby a community establishes a unified vision for community development actions. It offers local jurisdictions the opportunity to shape the various housing and community development programs into effective, coordinated neighborhood and community development strategies. It also creates the opportunity for strategic planning and citizen participation to take place in a comprehensive context, and to reduce duplication of effort at the local level." —HUD

The ConPlan and AAP will be developed using HUD’s IDIS-based e-Con Planning Suite. All team members are fluent and knowledgeable of system, have attended all relevant HUD training webinars on the subject from the onset, and have successfully completed HUD-approved Con Plans using the e-Con Planning Suite. Consultants will utilize the ConPlan template to import all relevant data tables, narratives, charts, and maps into IDIS. When necessary, CPD Maps will be used for spatial analysis and mapping. Given that CPD Maps tend to be outdated, Civitas prefers to use the most up-to-date data and create custom maps for our clients. Similarly, Civitas will use a combination of HUD-provided data, BLS, US Census, and other data sources to allow for an accurate analysis.

Below is a description of the major plan components that will be developed and compiled using the e-Con Planning Suite to deliver the City of Jersey City a timely, quality and compliant Consolidated Plan. The components listed below are extracted directly from the IDIS template.

Executive Summary: If requested, Civitas members will meet on-site with City representatives to discuss the project, develop detailed schedules and collect necessary information. Resources include, but are not limited to the City of Jersey City’s existing ConPlan, the Hudson County Continuum of Care, the City’s comprehensive plan, and other relevant information from local agencies. City representatives will be asked to assist in identifying and providing any other relevant data or information to ensure that all community needs, conditions and resources are considered.

Demographic Data Collection: The consultant team will develop a Community Profile, which will provide a general overview of the City. This present-day sketch will outline the City’s employment situation and major employers, current urban development issues, recreational activities, and any successful development or redevelopment ventures. The demographic and housing section will give a brief overview the current population, including its ethnic and socio-economic makeup, as well as the current state of its housing situation, and land use issues. The policy section will outline any current government policies that might have an impact on affordable housing or the operation of housing agencies within the jurisdiction.

Citizen Participation: To complete this section, Civitas consultants will utilize the information gathered from the necessary public hearings held in the City. Additionally, we will support staff should they request assistance in
developing a citizen outreach program to ensure all voices are heard. We can use a variety of methods to gather data from citizens, including consultation with key stakeholders and public officials, public meetings and presentations, and a review of data sets applicable to the City. Additionally, the consultant team can develop a survey for citizen and stakeholder feedback in both online and hard copy format in English and, if requested, Spanish. Civitas has successfully conducted many such surveys across the nation as part of the Consolidated Planning process and are experts in extracting useful qualitative data from the community.

**Housing Needs Assessment:** The consultant team will develop an updated housing needs profile specifically for the City of Jersey City. The consultant team will work with City representatives to identify any additional data and information, including existing housing and/or homeless studies and information on special needs populations, etc., not previously considered. After obtaining this information, the consultants will use it—along with the information gathered at the initial meeting, census data and other HUD resources—to develop a needs assessment for the City’s review and approval.

The needs assessment will meet all of the minimum requirements of 24 CFR Part 91 and 570 and will include an estimate of the housing needs within the City. The assessment will include the specification of such housing related needs, a discussion of specific housing problems, assessment of the specific needs of racial and ethnic groups, the extent of homelessness in the City, the characteristics and needs of low-income people, existing facilities such as outreach and assessment, existence of emergency shelters and services, estimates of the number of people requiring supportive services, and a description of supportive housing needs.

**Housing Market Analysis:** In cooperation with local stakeholders and representatives, the consultant team will develop a housing market analysis, using information from interviews, surveys, public hearings, census data, consultation with local lenders, realtors, appraisers, and related GIS software. Consultants will incorporate into this analysis an evaluation of the City’s housing supply, the demand for housing, the current housing conditions, the cost of housing stock, and the kind of housing available to the disabled and to people with HIV/AIDS. In addition, the consultant team will provide a description of the number of housing units by income level and by type of household that currently receive assistance from local, state or federal programs and an assessment of whether any such units will be lost from the assisted-housing inventory.

**Homeless Needs Assessment:** Consultants will provide a concise summary of the nature and extent of homelessness within the City (including rural homelessness and chronic homelessness if applicable), addressing separately the need for facilities and services for homeless persons and homeless families with children, both sheltered and unsheltered, and homeless subpopulations. The summary will include the characteristics and needs of low-income individuals and children, (especially extremely low income) who are currently housed but are at imminent risk of either residing in shelters or becoming unsheltered. In addition, the assessment will include a description of the nature and extent of homelessness by racial and ethnic group. As part of the homeless needs assessment, the consultant team will identify area facilities and services in place to provide for the homeless population. This shall include, at a minimum, the Upstate Continuum of Care, all emergency shelters, any homeless outreach program(s) as well as available transitional and permanent housing options.

**Non-homeless Special Needs including HOPWA:** The consultants will update population data and review changes to existing programs and/or services. This will include and analysis of the number of persons in various subpopulations that are not homeless but may require housing or supportive services, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental, persons with HIV/AIDS and their families), persons with alcohol or other
drug addiction, victims of domestic violence, and any other categories the jurisdiction may specify and describe their supportive housing needs.

**Lead-based Paint Hazards & Remediation Programs:** The consultant team will update any changes to lead-based paint hazards remediation programs/practices. They will estimate the number of housing units that contain lead-based paint hazards, as defined in Section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, and are occupied by extremely low income, low income, and moderate-income families. Since almost three-fourths of housing built before 1978 contains lead-based paint, it poses a serious risk to occupants, particularly pregnant women and children. The consultant team will furthermore identify and, based on local conditions, provide strategies to remove or abate lead-based paint in the City’s housing stock.

**Public and Assisted Housing Services & Facilities:** The consultant team will provide an updated list of publicly operated or otherwise subsidized housing facilities, to include LIHTC, Tax Exempt Bond Financing, CDC, CHDO, PHA, Section 8 HCV and otherwise subsidized housing facilities and programs. In cooperation with the Jersey City Housing Authority and other agencies located within its boundaries the consultants will describe the needs of public housing, including the number of public housing units in the jurisdiction, the physical condition of such units, the restoration and revitalization needs of public housing projects within the jurisdiction, and other factors, including the number of families on public housing and tenant-based waiting lists and results from the Section 504 needs assessment of public housing projects located within its boundaries.

**Non-Housing Community Development Initiatives:** The consultant team will identify the City’s priority non-housing community development needs eligible for assistance. This includes public facilities, public services and economic development. This analysis will include a look at the homebuilding industry in the City, its current neighborhood development policies, and its economic development initiatives. This shall include but be limited to the following; public libraries and museums, parks and community centers, health facilities, historic preservation, continuing education/adult education facilities, and any additional youth, adult or senior programs. This review shall also incorporate regional planning and economic development initiatives including but not limited to urban development, infrastructure, public safety, public transportation, employment training, and business attraction and retention.

**Strategic Plan:** The consultant team will develop a strategic plan that addresses the needs identified in the approved needs assessment and any existing policies. The strategic plan will be consistent with the minimum HUD requirements as outlined in CFR 24 Part 91 as well as with other guidance issued by HUD. The strategic plan will detail the City’s housing, homeless, and non-housing priorities for the next five years. Specific objectives and strategies will be developed that address stated priority needs. City representatives will review and provide comments on the draft of the strategic plan, which the consultants will incorporate into the finalized version. The consultant team will obtain comments and direction on the draft Strategic Plan and discuss actions to implement the approved strategies.

**Annual Action Plan**
The consultant team will develop an Annual Action Plan that supports the objectives and strategies outlined in the previous assessments and analyses. Specific benchmarks/performance measures will be developed so that Spartanburg and HUD will be able to assess and evaluate the City’s progress in reaching its goals. The one-year action plan will be consistent with the minimum requirements outlined in 24 CFR Part 91, 24 CFR Part 570, as well as with other guidance issued by HUD. City representatives will review and provide comments on the draft of the Annual Action Plan, which the consultants will incorporate into the finalized version.
Analysis of Impediments to Fair Housing

Fair housing has long been an important issue in American urban policy – a problem born in discrimination and fueled by growing civil unrest that reached a boiling point in the Civil Rights Movement. The passing of the Fair Housing Act in 1968 was a critical step towards addressing this complex problem – but it was far from a solution. Since the passing of the Act community groups, private business, concerned citizens, and government agencies at all levels have worked earnestly at battling housing discrimination. The Fair Housing Act mandates that the Department of Housing and Urban Development (HUD) ‘affirmatively further fair housing’ through its programs. Towards this end HUD requires funding recipients to undertake fair housing planning (FHP) to proactively take steps that will lead to less discriminatory housing markets and better living conditions for minority groups and vulnerable populations. The Analysis to Impediments to Fair Housing Choice is a critical component of HUD’s fair housing efforts.

Civitas will conduct a comprehensive AI for the City of Jersey City that includes both a qualitative and quantitative analysis. Policy recommendations will be made to address any barriers or impediments found during the analysis. The AI will be conducted in full compliance with all relevant federal, state, and local laws and regulations, including HUD’s Fair Housing Planning Guide. Unless otherwise instructed by City staff, the AI will utilize all relevant HUD guidance – including definitions for housing types and income levels as set forth in CFR’s, handbooks, and notices. The AI will conform to HUD’s suggested format as detailed in the “Fair Housing Planning Guide.” When possible, the Affirmatively Furthering Fair Housing Rule will be incorporated into the AI.

In conducting the AI, Civitas will provide a thorough demographic and economic analysis of the City of Jersey City. Data gathered during the Consolidated Planning process will be consulted for insights and the most current data sources available at the time of writing will be utilized. This includes, but is not limited to, CHAS data, 2000 and 2010 Decennial Census, Home Mortgage Disclosure Act, 2016 American Community Survey data or 2017 American Community Survey data, if available. Data will also be gathered from state and local agencies. In addition to narratives, graphs, and tables, data will be presented geographically by Census Tract using mapping services provided by public and private agencies, as well as custom GIS mapping specifically for the City. A sample of indicators that will be utilized includes population, race and ethnicity, transportation, employment, education, income, the location of racially/ethnically concentrated areas of poverty (R/ECAP), and disproportionate housing needs.

A housing profile will be included to provide a detailed overview of the housing stock within the jurisdiction. This profile will be combined with demographic and jurisdictional background to serve as a foundation for a data-driven review of fair housing. For example, comparing the area median income (AMI) with housing prices will allow an assessment of housing affordability and affordable housing gaps by income. Mapping software and services such as OneCPD, PolicyMap, ArchGIS, Tableau, and the HUD-provided AFFH Mapping Tool will be used to display relationships between any key housing and demographic variables. Some of the data points that will be explored and analyzed include sales figures, construction activity, tenure, condition, vacancy, and age of housing.

The AI for the City of Jersey City will include:

- A comprehensive review of planning, development and housing programs, laws, policies, zoning ordinances and others to assess how they influence the location, availability, and accessibility of housing. This includes an
evaluation of the City of Jersey City’s CDBG, HOME, and other grant programs for proper practices, monitor compliance, and achievement of performance measures. Civitas will conduct interviews and presentations with key stakeholders, government officials, community leaders, and the public.

- State and local laws, zoning regulations and practices, housing programs, and policies will be analyzed against the backdrop of HUD guidelines, as well as national best practices and research.
- A review of the City of Jersey City’s fair housing legal status will be reviewed. This includes a review of all fair housing complaints sent to state, federal, and local fair housing entities, as well as any findings of discrimination and suits filed by the Department of Justice or individuals.
- An assessment of public-sector conditions that may influence fair housing choice for protected classes. Examples of such items include tax policies, municipal services, transportation accessibility, building codes, tenant selection policies for public housing, segregation, access to quality education, and displacement of residents due to economic and public housing factors.
- An assessment of private-sector conditions and practices that may influence fair housing choice. The main item of importance here is lending practices and may include “steering” certain demographics into certain neighborhoods based on race, sex, religion, or other protected classes. Discriminatory practices in the rental market by property management and leasing agents are also a concern. Data for private sector practices will be collected from Home Mortgage Disclosure Act reports, local industry associations, fair housing complaints, and any other available sources.
- The extent of fair housing enforcement and compliance, informational programs on fair housing and citizens’ rights under the Fair Housing Act and any applicable state or local laws, and accessibility for the disabled are areas that will be reviewed for both public and private sectors.
- Utilization of HUD’s Affirmatively Furthering Fair Housing Rule, AI User Interface Tool, and the AFFH Data and Mapping Tool.
- Special focus on Fair Housing Contributing Factors that includes identification and prioritization of factors that affect access to fair housing choice or access to opportunities.
- Goals and priorities that are established to overcome fair housing issues and contributing factors.
- A review of the current AI.
- Support and recommendations for Staff with regards to overall activities, structure, and management of the AI Plan.

Memorandum

To: Council President Lavarro, Jr. & Members of the Municipal Council
From: Carmen Gandulla, Director — Division of Community Development
Date: February 20, 2019
Subject: Resolution of the Municipal Council of the City of Jersey City Authorizing a Contract with Civitas, LLC for Preparation of the City’s Five-Year Consolidated Plan for 2020-2024, Annual Action Plan & Update the City’s Analysis of Impediments (AI) to Fair Housing Plan

Synopsis: The City of Jersey City Division of Community Development will contract with Civitas, LLC to develop the City’s 2020-2024 Five-Year Consolidated Plan (ConPlan) required by the U.S. Department of Housing and Urban Development (HUD), as well as an updated Analysis of Impediments to Fair Housing Choice (AI). Civitas will complete this project for a total sum of $30,910.

Background: HUD requires submission of a Consolidated Plan every five years from all municipalities receiving federal formula block grant money from the following programs:

- CDBG: Community Development Block Grant Program
- HOME: HOME Investment Partnerships Program
- ESG: Emergency Solutions Grants Program
- HOPWA: Housing Opportunities for Persons with AIDS Program

The Consolidated Plan describes the municipality’s community development priorities and multiyear goals based on an assessment of housing and community development needs, an analysis of housing and economic market conditions and available resources. The Division of Community Development, which receives funds for all four programs, is currently operating under the City’s 2015-2019 Consolidated Plan, which expires at the end of the 2019 fiscal year.

Additionally, the Fair Housing Act mandates that HUD “affirmatively further fair housing” through its programs. The Analysis of
Impediments to Fair Housing Choice is a critical component of these fair housing efforts. AIs contain a comprehensive review of all the factors affecting housing in an area and recommendations for addressing housing needs. Jersey City's AI was last updated in 2011, and the City has seen substantial change since then. A new AI will be important in determining the state of housing in Jersey City and developing planning priorities.
