</table>

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- [ ] Total capital expenditures this year do not exceed $25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- [ ] No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- [ ] 3 years. (Population under 10,000)
- [x] 6 years. (Over 10,000 and all county governments)
- [ ] _____ years. (Exceeding minimum time period)

- [ ] Check if municipality is under 10,000, has not expended more than $25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
The Capital Projects identified herein reflect the plans of the governing body and will only become effective upon successful passage of the applicable ordinances.

4. MORTGAGE VOID ON FULL PAYMENT: When the Borrower pays or satisfies all amounts due under the Note and this Mortgage, the Lender's rights under the Note and secured by this Mortgage shall end and the Lender shall execute a cancellation of this Mortgage.

5. PROMISES OF BORROWER: The Borrower makes these promises to the Lender:

(a) The Borrower shall comply with all of the terms of the Note and this Mortgage.

(b) The Borrower owns and has the right to mortgage the Property to the Lender. The Borrower shall defend this ownership against all claims.

The Borrower shall maintain hazard insurance on the Property. This insurance must cover loss or damage caused by fire and other hazards normally included under "extended coverage" insurance. It must also include such other hazard coverage as the Lender may reasonably require. If the Property is in a Federal or State flood hazard zone, the Borrower shall maintain flood insurance. The insurance company, agent or broker, amounts of coverage, and forms of all policies must be acceptable to the Lender. The Lender shall use any money left after the repair and restoration to reduce the principal. This shall not change the amounts or due dates of the monthly payments under the Note.

The Borrower shall keep the Property in good repair. The Borrower shall not damage, destroy, or abandon the Property. The Lender may inspect the Property on reasonable notice to the Borrower. The Borrower shall make repairs as may reasonably be required by the Lender.

The Borrower shall not do any of the following to the Property without the prior written consent of the Lender:

(1) Remove, demolish, or materially alter any buildings or other improvements.

Eminent domain is the right of a government to lawfully condemn and take private property for a public purpose. Fair value must be paid for the taking. The taking may occur either by court order or by deed to the condemning party. If all or any part of the Property is taken by eminent domain within the ten (10) years of the Mortgage, the pro-rated principal shall be paid to the Lender.
In this Mortgage, a lien is a legal claim of another against property for (a) the payment of a debt or (b) the performance of an obligation. This Mortgage is a lien of the Lender against the Property for the payment of the Note. A superior lien would be entitled to be paid before this Mortgage on a court ordered sale of the Property. The Borrower shall not allow any superior liens against the Property unless subordination of this lien is approved in writing by the Lender.

The Borrower shall pay all payments due on all liens on the property and not violate any term of any other Mortgage.

The Borrower shall obey all laws, rules and ordinances which apply to the Property. The Borrower shall not use or allow the Property to be used for any illegal purpose.

6. **LENDER'S RIGHT OF ACCELERATION:** The Lender has the right, called acceleration, to declare unpaid principal under the Note and this Mortgage due immediately for any of the following causes:

   (c) The starting of foreclosure or execution proceedings by the holder of any other mortgage or lien on the Property.

   (d) The starting of bankruptcy, receivership, or insolvency proceedings by or against a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender from declaring acceleration for any cause occurring at a later time.

7. **LENDERS RIGHTS ON ACCELERATION:** If the Lender declares acceleration, the Borrower shall immediately pay to the Lender the principal due under the Note and this Mortgage. If the Borrower does not do so, the Lender shall have all rights given to mortgage lenders by law and under this Mortgage, for example:

A foreclosure sale is a court ordered sale of the Property. The proceeds of the sale are used to pay the entire unpaid principal due under the Note and this Mortgage, plus all costs allowed by law.
(d) The court ordered sale of the Property in the foreclosure action may not bring in enough money to pay the entire amount due under the Note and this Mortgage plus costs. The Lender may then sue the Borrower under the Note for the difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

MORTGAGE NOTE

This Mortgage Note is made on February 13, 2008

BORROWER

Resident Mark Vanliew
Address 521 Garfield Avenue
City, State & Zip Jersey City, NJ 07305

is borrowing money from

LENDER

City of Jersey City
Department of Housing, Economic Development and Commerce
Division of Community Development
30 Montgomery St.
Jersey City, NJ 07302

The words "Borrower" and "Lender" include all borrowers and all lenders under this Mortgage Note (from now on called "the Note"). The Lender or any other holder of this Mortgage may transfer this Note. The word Lender includes (a) the original Lenders and (b) anyone who takes this Note by transfer or assignment.

1. PROMISE TO PAY: In return for a loan that which the borrower has received, the Borrower promises to pay to the order of the Lender the sum of (Twentyfour Thousand, Nine Hundred Dollars) ($24,900.00) (from now on called the "Principal").

2. INTEREST: This indebtedness is a deferred payment mortgage. There will be no interest accrued on this mortgage. This mortgage shall be forgiven, without interest or penalties at the end of the tenth year after the signing of this Note provided that the Borrower has complied with all terms and conditions of this Mortgage Note and the Mortgage.

3. MORTGAGE TO SECURE PAYMENT: The Lender has been given a Mortgage dated 2/13/08, by the Borrower, to protect the Lender if the promises made in this Note are not kept. The Borrower agrees to keep all promises made in the Mortgage covering property the Borrower owns located at 521 Garfield Avenue in the City of Jersey City in the County of Hudson and the State of New Jersey (from now on called the "Property"). All terms of the Mortgage are made part of this Note.
4. TERMS AND CONDITIONS: The Borrower has received this loan for the purpose of rehabilitating the Property in order to abate certified health and safety code violations. The ten year term shall begin on the date the Borrower receives proper certification that the property is free of all code violations.

This Mortgage Note shall be due and payable at the time within the ten year term that the Borrower vacates or transfers title to the Property. The Mortgage Note amount will be forgiven at the end of the ten year term.

5. LENDER'S RIGHT OF ACCELERATION: The Lender has the right, called acceleration, to declare unpaid principal under the Note and this Mortgage due immediately for any of the following causes:

(a) The failure of the Borrower to keep any other promise in the Mortgage within 30 days after written notice from the Lender.

(b) Any change in the ownership of all or any part of the Property. A change resulting from the death of a Borrower shall be considered a change of ownership.

(c) The starting of foreclosure or execution proceedings by the holder of any other mortgage or lien on the Property.

(d) The starting of bankruptcy, receivership, or insolvency proceedings by or against a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender from declaring acceleration for any cause occurring at a later time.

6. LENDERS RIGHTS ON ACCELERATION: If the Lender declares acceleration, the Borrower shall immediately pay to the Lender the principal due under the Note and this Mortgage. If the Borrower does not do so, the Lender shall have all rights given to mortgage lenders by law and under this Mortgage, for example:

(a) To enter and take possession of the Property in a lawful way and manage the Property.

(b) To ask a court to appoint a receiver of rents of the Property. The Borrower consents to the appointment of a receiver.

(c) To start a court action known as foreclosure to take away all of the Borrower's rights in the Property and to have the Property sold. A foreclosure sale is a court ordered sale of the Property. The proceeds of the sale are used to pay the entire unpaid principal due under the Note and this Mortgage, plus all costs allowed by law.

(d) The court ordered sale of the Property in the foreclosure action may not bring in enough money to pay the entire amount due under the Note and this Mortgage plus costs. The Lender may then sue the Borrower under the Note for the difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

7. WAIVER OF FORMAL ACTS: The Lender is not required to do any of the following before enforcing the Lender's rights under this Note:

(a) to demand payment of amounts due (called "presentment");
(b) to notify or give notice to the Borrower of nonpayment (called "notice of dishonor"); and

c) to obtain an official certified statement showing nonpayment (called a "protest").

8. RESPONSIBILITY UNDER THE NOTE: If more than one Borrower signs this note each one is obligated to pay the amount due under the Note. This Note is binding on all Borrowers and all those who lawfully succeed to their obligations under this Note or guarantee their obligations under this note. The Lender may enforce any of the provisions of this Note against any one or more of the Borrowers who sign this Note.

9. MODIFICATIONS OF THIS NOTE: This Note can only be changed by an agreement in writing signed by both the Borrower(s) and the Lender.

10. NOTICES: All notices under this Mortgage Note must be in writing. They may be given by (a) Personal delivery or (b) certified mail, return receipt requested. Each party must accept and claim the notices given by the other. Notices shall be addressed to the other party at the address written at the beginning of this Mortgage Note. Either party may notify the other of a change of address.

11. LAW: This contract is made under and shall be governed by the laws of the State of New Jersey.

12. SIGNATURES: The Borrower agrees to the terms of this Note by signing below. If the Borrower is a corporation, its proper corporate seal is affixed.

THE OWNER HAS RECEIVED A TRUE COPY OF THIS NOTE WITHOUT CHANGE OR CHARGE.

The Lender may use the insurance proceeds received to (1) repair and restore the Property or (2) reduce the principal. The Lender shall use any money left after the repair and restoration to reduce the principal. This shall not change the amounts or due dates of the monthly payments under the Note.

(g) The Borrower shall keep the Property in good repair. The Borrower shall not damage, destroy, or abandon the Property. The Lender may inspect the Property on reasonable notice to the Borrower. The Borrower shall make repairs as may reasonably be required by the Lender.

(h) The Borrower shall not do any of the following to the Property without the prior written consent of the Lender:

(1) Remove, demolish, or materially alter any buildings or other improvements.
(2) Remove any fixtures.
(3) Give a security interest in any fixtures
(4) Assign any rights to the property, building or fixtures

If any fixture is destroyed or removed, the Borrower shall replace it with another of at least equal quality and condition.

(i) Eminent domain is the right of a government to lawfully condemn and take private property for a public purpose. Fair value must be paid for the taking. The taking may occur either by court order or by deed to the condemning party. If all or any part of the Property is taken by eminent domain within the five (5) years of the Mortgage, the pro-rated principal shall be paid to the Lender.

(j) In this Mortgage, a lien is a legal claim of another against property for (a) the payment of a debt or (b) the performance of an obligation. This Mortgage is a lien of the Lender against the Property for the payment of the Note. A superior lien would be entitled to be paid before this Mortgage on a court ordered sale of
the Property. The Borrower shall not allow any superior liens against the Property unless subordination of this lien is approved in writing by the Lender.

(k) The Borrower shall pay all payments due on all liens on the property and not violate any term of any other Mortgage.

(l) The Borrower shall obey all laws, rules and ordinances which apply to the Property. The Borrower shall not use or allow the Property to be used for any illegal purpose.

6. LENDER'S RIGHT OF ACCELERATION: The Lender has the right, called acceleration, to declare unpaid principal under the Note and this Mortgage due immediately for any of the following causes:

(a) The failure of the Borrower to keep any other promise in the Mortgage within 30 days after written notice from the Lender.

(b) Any change in the ownership of all or any part of the Property. A change resulting from the death of a Borrower shall be considered a change of ownership.

(c) The starting of foreclosure or execution proceedings by the holder of any other mortgage or lien on the Property.

(d) The starting of bankruptcy, receivership, or insolvency proceedings by or against a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender from declaring acceleration for any cause occurring at a later time.

7. LENDERS RIGHTS ON ACCELERATION: If the Lender declares acceleration, the Borrower shall immediately pay to the Lender the principal due under the Note and this Mortgage. If the Borrower does not do so, the Lender shall have all rights given to mortgage lenders by law and under this Mortgage, for example:

(a) To enter and take possession of the Property in a lawful way and manage the Property.

(b) To ask a court to appoint a receiver of rents of the Property. The Borrower consents to the appointment of a receiver.

(c) To start a court action known as foreclosure to take away all of the Borrower's rights in the Property and to have the Property sold. A foreclosure sale is a court ordered sale of the Property. The proceeds of the sale are used to pay the entire unpaid principal due under the Note and this Mortgage, plus all costs allowed by law.

(d) The court ordered sale of the Property in the foreclosure action may not bring in enough money to pay the entire amount due under the Note and this Mortgage plus costs. The Lender may then sue the Borrower under the Note for the...
difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

8. **NOTICES:** All notices under this Mortgage must be in writing. They may be given by (a) personal delivery, or (b) certified mail, return receipt requested. Each party must accept and claim the notices given by the other. Notices shall be addressed to the other party at the address written at the beginning of this Mortgage. Either party may notify the other of a change of address.

9. **MORTGAGE BINDING ON SUCCESSORS:** This Mortgage is binding on all Borrowers, his or her heirs, personal representatives, and/or all those who lawfully succeed to their rights or take their places.

10. **LAW:** This contract is made under and shall be governed by the laws of the State of New Jersey.

The Lender may require that the amount of coverage be the greater of (1) the principal of the Note or (2) the current replacement value of the buildings and other improvements to the extent available. The word Lender includes (a) the original Lenders and (b) anyone who takes this Mortgage by transfer or assignment.

1. NOTE: The Borrower is borrowing the sum of ($8,112.00) (from now on called the "Principal") from the Lender. In return for this loan, the Borrower has signed a Mortgage Note dated December 16, 2010 (from now on called the "Note"). This indebtedness is a deferred payment, no interest mortgage. 2. **MORTGAGE AS SECURITY:** The purpose of this Mortgage is to give the Lender security for the payment of the principal under the terms of the Note. The Borrower mortgages, to the Lender the property which is described in (a) through (d) below (from now on called the "Property"):

(a) Street address: 20 Randolph Ave
   Municipal tax map designation: Block 1485 Lot 24

(b) All buildings and other improvements that now are or will be on the land.
   All fixtures, equipment, and personal property that now are or will be attached to or used with the land, buildings, and other improvements.

(c) All other rights which the Borrower now has or will acquire with regard to the land.

3. **SUBORDINATE MORTGAGE(S):** This Property is also subject to a senior Mortgage (the First Mortgage). The First Mortgage is held by Bank of America and dated _________. The First Mortgage was recorded in County in Book ___ at Page ___ on _________.

4. **MORTGAGE VOID ON FULL PAYMENT:** When the Borrower pays or satisfies all amounts due under the Note and this Mortgage, the Lender's rights under the Note and secured by this Mortgage shall end and the Lender shall execute a cancellation of this Mortgage.

5. **PROMISES OF BORROWER:** The Borrower makes these promises to the Lender:

(a) The Borrower shall comply with all of the terms of the Note and this Mortgage.

(b) The Borrower owns and has the right to mortgage the Property to the Lender. The Borrower shall defend this ownership against all claims.

(c) The Borrower shall pay all real estate taxes, assessments, water and sewer charges, and all other charges against the Property when due. The Borrower shall pay or satisfy the principal under the terms of the Note and this Mortgage.

(d) The Borrower shall not claim or be entitled to any credit against the principal under the Note and this Mortgage for taxes paid on the Property. The Borrower shall not claim any deduction from the taxable value of the Property because of this Mortgage.

(f) The Borrower shall maintain hazard insurance on the Property. This insurance must cover loss or damage caused by fire and other hazards normally included under "extended coverage" insurance. It must also include such other hazard coverage as the Lender may reasonably require. If the Property is in a Federal
or State flood hazard zone, the Borrower shall maintain flood insurance. The insurance company, agent or broker, amounts of coverage, and forms of all policies must be acceptable to the Lender. The Lender may require that the amount of coverage be the greater of (1) the principal of the Note or (2) the current replacement value of the buildings and other improvements to the extent available. The coverage must be furnished by one insurance company. There can be no coinsurance or sharing of the risk by more than one company. The Borrower shall pay all premiums when due. The Borrower shall deliver the original policies and all renewals to the Lender if so required.

All policies shall state that the insurance company cannot cancel or refuse to renew without at least 10 days notice to this Lender. They shall include a "standard mortgage clause" naming this Lender as loss payee. All insurance proceeds shall be paid to the Lender. A certificate of insurance naming the "City of Jersey City, Department of Housing, Economic Development and Commerce" as loss payee must be forwarded to this Lender. In case of loss or damage the Borrower shall promptly notify the insurance company and the Lender. The Borrower shall promptly (1) file a proof of loss with the insurance company and (2) settle the claim. If not, the Lender may do so. The Lender may use the insurance proceeds received to (1) repair and restore the Property or (2) reduce the principal. The Lender shall use any money left after the repair and restoration to reduce the principal. This shall not change the amounts or due dates of the monthly payments under the Note.

(g) The Borrower shall keep the Property in good repair. The Borrower shall not damage, destroy, or abandon the Property. The Lender may inspect the Property on reasonable notice to the Borrower. The Borrower shall make repairs as may reasonably be required by the Lender.

(h) The Borrower shall not do any of the following to the Property without the prior written consent of the Lender:

(1) Remove, demolish, or materially alter any buildings or other improvements.
(2) Remove any fixtures.
(3) Give a security interest in any fixtures
(4) Assign any rights to the property, building or fixtures

If any fixture is destroyed or removed, the Borrower shall replace it with another of at least equal quality and condition.

(i) Eminent domain is the right of a government to lawfully condemn and take private property for a public purpose. Fair value must be paid for the taking. The taking may occur either by court order or by deed to the condemning party. If all or any part of the Property is taken by eminent domain within the five (5) years of the Mortgage, the pro-rated principal shall be paid to the Lender.

(j) In this Mortgage, a lien is a legal claim of another against property for (a) the payment of a debt or (b) the performance of an obligation. This Mortgage is a lien of the Lender against the Property for the payment of the Note. A superior lien would be entitled to be paid before this Mortgage on a court ordered sale of
the Property. The Borrower shall not allow any superior liens against the Property unless subordination of this lien is approved in writing by the Lender.

(k) The Borrower shall pay all payments due on all liens on the property and not violate any term of any other Mortgage.

(l) The Borrower shall obey all laws, rules and ordinances which apply to the Property. The Borrower shall not use or allow the Property to be used for any illegal purpose.

6. **LENDER'S RIGHT OF ACCELERATION:** The Lender has the right, called acceleration, to declare unpaid principal under the Note and this Mortgage due immediately for any of the following causes:

   (a) The failure of the Borrower to keep any other promise in the Mortgage within 30 days after written notice from the Lender.

   (b) Any change in the ownership of all or any part of the Property. A change resulting from the death of a Borrower shall be considered a change of ownership.

   (c) The starting of foreclosure or execution proceedings by the holder of any other mortgage or lien on the Property.

   (d) The starting of bankruptcy, receivership, or insolvency proceedings by or against a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender from declaring acceleration for any cause occurring at a later time.

7. **LENDERS RIGHTS ON ACCELERATION:** If the Lender declares acceleration, the Borrower shall immediately pay to the Lender the principal due under the Note and this Mortgage. If the Borrower does not do so, the Lender shall have all rights given to mortgage lenders by law and under this Mortgage, for example:

   (a) To enter and take possession of the Property in a lawful way and manage the Property.

   (b) To ask a court to appoint a receiver of rents of the Property. The Borrower consents to the appointment of a receiver.

   (c) To start a court action known as foreclosure to take away all of the Borrower's rights in the Property and to have the Property sold. A foreclosure sale is a court ordered sale of the Property. The proceeds of the sale are used to pay the entire unpaid principal due under the Note and this Mortgage, plus all costs allowed by law.

   (d) The court ordered sale of the Property in the foreclosure action may not bring in enough money to pay the entire amount due under the Note and this Mortgage plus costs. The Lender may then sue the Borrower under the Note for the
difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

8. NOTICES: All notices under this Mortgage must be in writing. They may be given by (a) personal delivery, or (b) certified mail, return receipt requested. Each party must accept and claim the notices given by the other. Notices shall be addressed to the other party at the address written at the beginning of this Mortgage. Either party may notify the other of a change of address.

9. MORTGAGE BINDING ON SUCCESSORS: This Mortgage is binding on all Borrowers, his or her heirs, personal representatives, and/or all those who lawfully succeed to their rights or take their places.

10. LAW: This contract is made under and shall be governed by the laws of the State of New Jersey.

11. SIGNATURES: The Borrower agrees to this Mortgage by signing below. If the Borrower is a corporation, this Mortgage is signed by its proper corporate officers and its corporate seal is affixed.

THE BORROWER HAS RECEIVED A TRUE COPY OF THIS MORTGAGE WITHOUT CHANGE OR CHARGE.

The words "Borrower" and "Lender" include all borrowers and all lenders under this Mortgage Note (from now on called "the Note"). The Lender or any other holder of this Mortgage may transfer this Note. The word Lender includes (a) the original Lenders and (b) anyone who takes this Note by transfer or assignment.

1. PROMISE TO PAY: In return for a loan that which the borrower has received, the Borrower promises to pay to the order of the Lender the sum of $8,112.00 (from now on called the "Principal").

2. INTEREST: This indebtedness is a deferred payment mortgage. There will be no interest accrued on this mortgage. This mortgage shall be forgiven, without interest or penalties at the end of the fifth year after the signing of this Note provided that the Borrower has complied with all terms and conditions of this Mortgage Note and the Mortgage.

3. MORTGAGE TO SECURE PAYMENT: The Lender has been given a Mortgage dated Dec. 16, 2010, by the Borrower, to protect the Lender if the promises made in this Note are not kept. The Borrower agrees to keep all promises made in the Mortgage covering property the
Borrower owns located at 20 Randolph Ave. in the City of Jersey City in the County of Hudson and the State of New Jersey (from now on called the "Property"). All terms of the Mortgage are made part of this Note.

4. TERMS AND CONDITIONS: The Borrower has received this loan for the purpose of rehabilitating the Property in order to abate certified health and safety code violations. The five year term shall begin on the date the Borrower receive proper certification that the property is free of all code violations.

This Mortgage Note shall be due and payable at the time within the ten year term that the Borrower vacates or transfers title to the Property. The Mortgage Note amount will be forgiven at the end of the ten year term.

5. LENDER'S RIGHT OF ACCELERATION: The Lender has the right, called acceleration, to declare unpaid principal under the Note and this Mortgage due immediately for any of the following causes:

(a) The failure of the Borrower to keep any other promise in the Mortgage within 30 days after written notice from the Lender.

(b) Any change in the ownership of all or any part of the Property. A change resulting from the death of a Borrower shall be considered a change of ownership.

(c) The starting of foreclosure or execution proceedings by the holder of any other mortgage or lien on the Property.

(d) The starting of bankruptcy, receivership, or insolvency proceedings by or against a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender from declaring acceleration for any cause occurring at a later time.

6. LENDERS RIGHTS ON ACCELERATION: If the Lender declares acceleration, the Borrower shall immediately pay to the Lender the principal due under the Note and this Mortgage. If the Borrower does not do so, the Lender shall have all rights given to mortgage lenders by law and under this Mortgage, for example:

(a) To enter and take possession of the Property in a lawful way and manage the Property.

(b) To ask a court to appoint a receiver of rents of the Property. The Borrower consents to the appointment of a receiver.

(c) To start a court action known as foreclosure to take away all of the Borrower's rights in the Property and to have the Property sold. A foreclosure sale is a court ordered sale of the Property. The proceeds of the sale are used to pay the entire unpaid principal due under the Note and this Mortgage, plus all costs allowed by law.

(d) The court ordered sale of the Property in the foreclosure action may not bring in enough money to pay the entire amount due under the Note and this Mortgage plus costs. The
Lender may then sue the Borrower under the Note for the difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

7. **WAIVER OF FORMAL ACTS:** The Lender is not required to do any of the following before enforcing the Lender's rights under this Note:

   (a) to demand payment of amounts due (called "presentment");
   
   (b) to notify or give notice to the Borrower of nonpayment (called "notice of dishonor"); and
   
   (c) to obtain an official certified statement showing nonpayment (called a "protest").

8. **RESPONSIBILITY UNDER THE NOTE:** If more than one Borrower signs this note each one is obligated to pay the amount due under the Note. This Note is binding on all Borrowers and all those who lawfully succeed in their obligations under this Note or guarantee their obligations under this note. The Lender may enforce any of the provisions of this Note against any one or more of the Borrowers who sign this Note.

9. **MODIFICATIONS OF THIS NOTE:** This Note can only be changed by an agreement in writing signed by both the Borrower(s) and the Lender.

10. **NOTICES:** All notices under this Mortgage Note must be in writing. They may be given by (a) Personal delivery or (b) certified mail, return receipt requested. XI. COVENANTS RUNNING WITH LAND
The provisions of this Program Agreement shall constitute covenants running with the land with respect to each affordable housing unit affected hereby, and shall bind all purchasers and owners of each affordable housing unit, their heirs, assigns, and all persons claiming by, through or under their heirs, executors, administrators, and assigns for the duration of this Agreement as set forth herein.
XII. BORROWER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Program Agreement, the borrower acknowledges the following responsibilities:

a. Affordable housing unit shall at all times remain the primary residence for the Borrower during the affordability period.

b. All home improvements made to an affordable housing unit shall be at the Borrower’s expense and must meet the appropriate property standards and state and local codes.

c. The owner of an affordable housing unit shall keep the affordable housing unit in good repair.

d. Owners of affordable housing units shall pay all taxes, charges, assessments, or levies, both public and private, assessed against such unit, or any part thereof, as and when they become due.

e. Owners of affordable housing units shall notify the City in writing no less than ninety (90) days prior to any proposed sale of the property. f. The owner shall not permit any lien, other than the first purchase money mortgage.

g. The Borrower shall maintain hazard insurance on the property. This insurance must cover loss or damage caused by fire and other hazards normally included under “extended coverage” insurance. It must also include such other hazard coverage as the City may reasonably require. If the property is in a federal or state flood hazard zone the Borrower shall maintain flood insurance. The insurance company, agent or broker, amounts of coverage and forms of all policies must be acceptable to the City. The City may require that the amount of coverage be the greater of (1) the sum of the principal of the first mortgage note and of the City’s note or (2) the current replacement value of the buildings and other improvements to the extent available. The coverage must be furnished by one insurance company. There can be no coinsurance or sharing of the risk by more than one company. The Borrower shall pay all premiums when due. The Borrower shall deliver the original policies and all renewals to the City if so required. All policies shall state that the insurance company cannot cancel or refuse to renew without at least ten (10) days notice to the City. They shall include a “standard mortgage clause” naming the City.
XIII. FORECLOSURES
The terms and restrictions of this Agreement shall be subordinated only to the first purchase money mortgage lien on the affordable housing property and in no way shall impair the first purchase money mortgage's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the first purchase money mortgage documents for the affordable housing unit.

Upon a judgment of foreclosure, the City shall execute a document to be recorded in the County recording office as evidence that such affordable housing unit has been forever released from the restrictions of this Agreement. A judgment of foreclosure by any other class of creditor or mortgage shall not result in a release of the affordable housing unit from the provisions and restrictions of this Agreement.

In the event of a foreclosure sale by the first purchase mortgage, the defaulting mortgagor shall be personally obligated to pay the City any excess funds generated from such foreclosure sale. For purposes of this agreement, excess funds shall be the total amount paid to the sheriff by reason of the Foreclosure sale in excess of the greater of the amount required to pay and satisfy the first money mortgage, including the costs of foreclosure. The City shall be empowered to enforce the obligation of the defaulting mortgagor in any appropriate court of law or equity as though same were a personal contractual obligation of the defaulting mortgagor. Neither the first purchase money mortgagee nor the purchaser at the foreclosure sale shall be responsible or liable to the City for any portion of this excess.

The City is hereby given the first priority lien, second only to the first purchase money mortgage and any taxes or public assessment by a duly authorized governmental body.

XIV. VIOLATION, DEFAULTS AND REMEDIES
In the event of a threatened breach of any of the terms of this Agreement by an Borrower, the City shall have all remedies provided at law or equity, including the right to seek injunctive relief of specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the City, in light of the obligation for the provision of low income housing. Upon the very-low occurrence of a breach of any of the terms of the Agreement by an Borrower, the City shall have all remedies provided at law or equity, including but not limited to the foreclosure, acceleration of all sums due under the mortgage, recoupment of any funds from a sale in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.
XV. **RIGHT TO ASSIGN**
The City may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Borrower. Upon such assignment, the City, its successors or assignees shall provide written notice to the Borrower.

XVI. **INTERPRETATION OF THIS AGREEMENT**
The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the HOME Investment Partnership Program for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price and mortgage payments of designated affordable housing units remain affordable to low income eligible households as defined herein.

XIX. **SEVERABILITY**
It is the intention of all parties that the provisions of this instrument are severable so that if any provision, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

(c) All other rights which the Borrower now has or will acquire with regard to the land.

3. SUBORDINATE MORTGAGE(S): This Property is also subject to a senior Mortgage (the First Mortgage). The First Mortgage is held by ___________ and dated ___________. The First Mortgage was recorded in _______ County in Book ____ at Page ____ on ____________.

4. MORTGAGE VOID ON FULL PAYMENT: When the Borrower pays or satisfies all amounts due under the Note and this Mortgage, the Lender's rights under the Note and secured by this Mortgage shall end and the Lender shall execute a cancellation of this Mortgage.

5. PROMISES OF BORROWER: The Borrower makes these promises to the Lender:

(a) The Borrower shall comply with all of the terms of the Note and this Mortgage.

(b) The Borrower owns and has the right to mortgage the Property to the Lender.
The Borrower shall defend this ownership against all claims.

(c) The Borrower shall pay all real estate taxes, assessments, water and sewer charges, and all other charges against the Property when due. The Borrower shall pay or satisfy the principal under the terms of the Note and this Mortgage.

(d) The Borrower shall not claim or be entitled to any credit against the principal under the Note and this Mortgage for taxes paid on the Property. The Borrower shall not claim any deduction from the taxable value of the Property because of this Mortgage.

(f) The Borrower shall maintain hazard insurance on the Property. This insurance must cover loss or damage caused by fire and other hazards normally included under "extended coverage" insurance. It must also include such other hazard
coverage as the Lender may reasonably require. If the Property is in a Federal or State flood hazard zone, the Borrower shall maintain flood insurance. The insurance company, agent or broker, amounts of insurance, and forms of all policies must be acceptable to the Lender. The Lender may require that the amount of coverage be the greater of (1) the principal of the Note or (2) the current replacement value of the buildings and other improvements to the extent available. The coverage must be furnished by one insurance company. There can be no coinsurance or sharing of the risk by more than one company. The Borrower shall pay all premiums when due. The Borrower shall deliver the original policies and all renewals to the Lender if so required.

All policies shall state that the insurance company cannot cancel or refuse to renew without at least 10 days notice to the Lender. They shall include a "standard mortgage clause" naming this Lender as loss payee. All insurance proceeds shall be paid to the Lender. A certificate of insurance naming the "City of Jersey City, Department of Housing, Economic Development and Commerce" as loss payee must be forwarded to the Lender. In case of loss or damage the Borrower shall promptly notify the insurance company and the Lender. The Borrower shall promptly (1) file a proof of loss with the insurance company and (2) settle the claim. If not, the Lender may do so. The Lender may use the insurance proceeds received to (1) repair and restore the Property or (2) reduce the principal. The Lender shall use any money left after the repair and restoration to reduce the principal. This shall not change the amount due or dates of the monthly payments under the Note.

(a) The Borrower shall keep the Property in good repair. The Borrower shall not damage, destroy, or abandon the Property. The Lender may inspect the Property on reasonable notice to the Borrower. The Borrower shall make repairs as may reasonably be required by the Lender.

(h) The Borrower shall not do any of the following to the Property without the prior written consent of the Lender:

(1) Remove, demolish, or materially alter any buildings or other improvements.
(2) Remove any fixtures.
(3) Assign any security interest in any fixtures
(4) Assign any rights to the property, building or fixtures

If any fixture is destroyed or removed, the Borrower shall replace it with another of equal or better quality and condition.

(i) Eminent domain is the right of a government to lawfully condemn and take private property for a public purpose. Fair value must be paid for the taking. The taking may occur either by court order or by deed to the condemning party. If all or any part of the Property is taken by eminent domain within the five (5) years of the Mortgage, the pro-rated principal shall be paid to the Lender.

(i) In this Mortgage, a lien is a legal claim of another against property for (a) the payment of a debt or (b) the performance of an obligation. This Mortgage is a lien of the Lender against the Property for the payment of the Note. A superior lien would be entitled to be paid before this Mortgage on a court ordered sale of
the Property. The Borrower shall not allow any superior liens against the
Property unless subordination of this lien is approved in writing by the Lender.

(k) The Borrower shall pay all payments due on all liens on the property and not
violate any term of any other Mortgage.

(l) The Borrower shall obey all laws, rules and ordinances which apply to the
Property. The Borrower shall not use or allow the Property to be used for any
illegal purpose.

6. LENDER'S RIGHT OF ACCELERATION: The Lender has the right, called acceleration,
to declare unpaid principal under the Note and this Mortgage due immediately for any of
the following causes:

(a) The failure of the Borrower to keep any other promise in the Mortgage within 30
days after written notice from the Lender.

(b) Any change in the ownership of all or any part of the Property. A change
resulting from the death of a Borrower shall be considered a change of
ownership.

(c) The starting of foreclosure or execution proceedings by the holder of any other
mortgage or lien on the Property.

(d) The starting of bankruptcy, receivership, or insolvency proceedings by or against
a Borrower.

The Lender's failure to declare acceleration for any cause shall not prevent the Lender
from declaring acceleration for any cause occurring at a later time.

7. LENDERS RIGHTS ON ACCELERATION: If the Lender declares acceleration, the
Borrower shall immediately pay to the Lender the principal due under the Note and this
Mortgage. If the Borrower does not do so, the Lender shall have all rights given to
mortgage lenders by law and under this Mortgage, for example:

(a) To enter and take possession of the Property in a lawful way and manage the
Property.

(b) To ask a court to appoint a receiver of rents of the Property. The Borrower
consents to the appointment of a receiver.

(c) To start a court action known as foreclosure to take away all of the Borrower's
rights in the Property and to have the Property sold. A foreclosure sale is a court
ordered sale of the Property. The proceeds of the sale are used to pay the entire
unpaid principal due under the Note and this Mortgage, plus all costs allowed by
law.

(d) The court ordered sale of the Property in the foreclosure action may not bring in
enough money to pay the entire amount due under the Note and this Mortgage
plus costs. The Lender may then sue the Borrower under the Note for the
difference. The Lender reserved any rights given by law to sue under the Note before beginning a foreclosure action under this Mortgage.

3. NOTICES: All notices under this Mortgage must be in writing. They may be given by (a) personal delivery, or (b) certified mail, return receipt requested. Each party must accept and claim the notices given by the other. Notices shall be addressed to the other party at the address written at the beginning of this Mortgage. Either party may notify the other of a change of address.

9. MORTGAGE BINDING ON SUCCESSORS: This Mortgage is binding on all Borrowers, his or her heirs, personal representatives, and/or all those who lawfully succeed to their rights or take their places.

10. LAW: This contract is made under and shall be governed by the laws of the State of New Jersey.

11. SIGNATURES: The Borrower agrees to this Mortgage by signing below. If the Borrower is a corporation, this Mortgage is signed by its proper corporate officers and its corporate seal is affixed.

THE BORROWER HAS RECEIVED A TRUE COPY OF THIS MORTGAGE WITHOUT CHANGE OR CHARGE.

WHEREAS, pursuant to the Mayor's Tiered Tax Exemption Policy issued on December 24,

them to buy up from a Tier 2 to a Tier 3 Tax Exemption by paying $15,000 per unit for all
sixty-six of the proposed units; and

WHEREAS, invoking the buy-up provision allowed Ninth Street Two Urban Renewal, LLC to
obtain a 15-year tax exemption even though the property was located in the Tier 2 Tax
Exemption Zone which only allowed for up to a maximum 10-year tax exemption; and

WHEREAS, on January 9, 2019, the Municipal Council approved Ordinance 18-149 whereby
the City terminated the Long Term Tax Exemption granted to Ninth Street Two Urban
Renewal, LLC and, as a consequence of the Municipal Council having approved Ordinance

WHEREAS, immediately after the passage of Ordinance 18-149, Ninth Street Two Urban
Renewal LLC notified the City that there was grounds for filing suit; and

WHEREAS, on August 9, 2018, in the matter of MEPT Journal Square Urban Renewal, LLC, et
als. v. City of Jersey City, the Appellate Division of the Superior Court of New Jersey
determined that Jersey City is required to reimburse property tax pre-payments in the event
a property tax abatement is withdrawn or otherwise vacated; and

WHEREAS, in an effort to avoid potential litigation, the Office of the Tax Collector and the
Business Administrator are offering to treat the $990,000 buy-up payment as a credit toward
future taxes on the municipal tax portion only of the complete tax bill for a period of 6 years
($165,000 per year) or until the entire $990,000 is drawn down, whichever is longer; and

WHEREAS, the entity Ninth Street Two Urban Renewal, LLC would still pay the complete
school and county tax portion of the annual tax bill in full and without delay; and

WHEREAS, once the $990,000 buy-up payment has been drawn down, the
owners/developers of 360 9th Street would then begin paying conventional property taxes
on a quarterly basis just like all other property owners; and

WHEREAS, it is in the City's best interest that it enter into this agreement to avoid litigation;
and

WHEREAS, the Administration shall hold no prejudice against the Manager and Affiliates of
Ninth Street Two Urban Renewal LLC as a result of this matter for future tax

WHEREAS, the City and Ninth Street Two Urban Renewal LLC agree that nothing in this Resolution shall construed to be an admission of fault or liability on the part of any Party hereto, all such fault or liability being expressly denied by each and every Party hereto.

NOW, THEREFORE BE IT RESOLVED by the Municipal Council of the City of Jersey City that the Tax Collector is hereby authorized to retain the $990,000 buy-up payment paid by owners of 360 9th Street as part of the Long Term Tax Exemption which they obtained, and treat the buy-up payment as a credit toward future taxes and comply with all recitals of this resolution; and

RESOLUTION COMMEMORATING THE 79TH ANNIVERSARY OF THE KATYN FOREST MASSACRE

COUNCIL AS A WHOLE offered and moved adoption of the following resolution:

WHEREAS, in 1940, in the Katyn Forest near Smolensk, Russia, on Josef Stalin’s orders, the Soviet Union N.K.V.D. secret police executed and buried in mass graves more than 20,000 Polish soldiers, officers, police officials, politicians, intellectuals, professors, priests, rabbis and many other national leaders who had been taken prisoner when the Soviet Union joined the German Nazi government in an invasion of Poland in September 1939; and

WHEREAS, in 1941, Nazi Germany invaded the Soviet Union, causing the Soviets to ally with Poland. As allies, the Soviets agreed to release Polish prisoners of war. At this time, the Polish government-in-exile realized a large number of prisoners of war were missing. Stalin insisted they had escaped; and

WHEREAS, on April 13, 1943, the Nazi German Army captured the area around Smolensk and discovered the mass graves, announcing to the world that the Soviets were responsible for the massacre. The Soviets accused the Germans of trying to undermine the Allies and blamed the massacre on the German Nazi Army. The Polish government-in-exile requested an investigation by the International Red Cross, which caused the Soviets to break their alliance with Poland and accuse them of treachery. In order to preserve the trilateral alliance against the Nazi Germany, the governments of Britain and the United States chose to overlook the massacre; and

WHEREAS, until the late 1980s, the Soviet Union categorically denied its involvement in the massacre and continued to blame the massacre on the German Nazi Army. In 1989, with the collapse of the Soviet government, Soviet leader Mikhail Gorbachev finally admitted that the Soviet N.K.V.D. had executed the Polish prisoners of war, and confirmed two other burial sites similar to the site at Katyn; and

WHEREAS, a statue dedicated to the Katyn Forest Massacre stands at Exchange Place on the Jersey City waterfront, depicting the wounds suffered by the prisoners of war and the nation of Poland; and

WHEREAS, on Sunday April 7, 2019, the Polish-American Congress, representatives of Polish veteran groups, and the Katyn Forest Massacre Memorial Committee, Inc. will hold a memorial service to honor the memory of the victims of the Katyn Massacre and the victims of the 2010 Smolensk Airplane Crash.

NOW, THEREFORE BE IT RESOLVED, that the Municipal Council of the City of Jersey City does hereby applaud the efforts of the Polish American Congress and the Katyn Forest Massacre Memorial Committee, Inc. We urge all residents to participate in the memorial service honoring fallen heroes.

Re: NJSEA 2019 Arbor Day Tree Grant

Dear Mayor Fulop,

I am pleased to announce that the New Jersey Sports & Exposition Authority has authorized an Arbor Day Tree Grant in the amount of $1,000.00 for the purchase of trees for your municipality. This grant can be used for any variety of tree(s) of your choice.

Arbor Day plantings are a great way to raise awareness of trees and the important role that they play in our environment, from providing shade for residents and adding to your town’s aesthetics to creating an ecosystem to provide habitat and food for birds and other animals. We encourage planting native trees such as Red Maple, Red Oak, Flowering Dogwood, Redbud, and Serviceberry. Should you need any assistance regarding the plantings and type of trees, feel free to contact Gaby Bennett-Meany, Senior Program Specialist at 201-460-4640 or email gbennett-meany@njsea.com.

Purchases should be made within 60 days of receipt of this letter. Payment of this grant will be furnished on a reimbursable basis. Please submit your invoice along with proof of payment and your reimbursement will be processed. You can send this information to NJSEA, 1 DeKorte Park Plaza, Lyndhurst, NJ 07071 (Attn: Paula Speers, Financial Operations and Contracts Manager), or via email pspeers@njsea.com.

The NJSEA is pleased to assist your municipality. Should you have any questions, please feel free to contact me.

ISSUANCE OF CERTIFICATE OF EMPLOYEE INFORMATION REPORT

Enclosed is your Certificate of Employee Information Report (hereinafter referred to as the “Certificate”) and issued based on the Employee Information Report (AA-302) form completed by a representative of your company or firm. Immediately upon receipt, this certificate should be forwarded to the person in your company or firm responsible for ensuring equal employment opportunity and overseeing the company or firm’s contracts with public agencies. Typically, this person may be your company or firm’s Human Resources Manager, Equal Employment Opportunity Officer or Contract Administrator. If you do not know to whom the certificate should be forwarded, kindly forward it to the head of your company or firm. Copies of the certificate should also be distributed to all facilities of your company or firm who engage in bidding on public contracts in New Jersey and who use the same federal identification number and company name. The certificate should be retained in your records until the date it expires. This is very important since a request for a duplicate/replacement certificate will result in a $75.00 fee.

On future successful bids on public contracts, your company or firm must present a photocopy of the certificate to the public agency awarding the contract after notification of the award but prior to execution of a goods and services or professional services contract. Failure to present the certificate within the time limits prescribed may result in the awarded contract being rescinded in accordance with N.J.A.C. 17:27-4.3b.

Please be advised that this certificate has been approved only for the time periods stated on the certificate. As early as ninety (90) days prior to its expiration, the Division will forward a renewal notification. Upon the Division’s receipt of a properly completed renewal application and $150.00 application fee, it will issue a renewal certificate. In addition, representatives from the Division may conduct periodic visits and/or request additional information to monitor and evaluate the continued equal employment opportunity compliance of your company or firm. Moreover, the Division may provide your company or firm with technical assistance, as required. Please be sure to notify the Division immediately if your company’s federal identification number, name or address changes.

If you have any questions, please call (609) 292-5473 and a representative will be available to assist you.

The contractor and the __________________ of __________________ (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. 12111 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is reached pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expenses to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claims which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

11. OFFER VERSES SERVE (OVS) NSLP/SFA Only
Offer verses serve is a concept that applies to menu planning and meal service which allows children to decline some of the food offered in a reimbursable breakfast, lunch or dinner, excluding snacks. The goals of the OVS are to simplify program administration and reduce food waste and costs while maintaining the nutritional integrity of the SFSP meal that is served. For the OVS meal to be eligible for reimbursement, all food components that comprise a reimbursable meal in the required minimum serving sizes must be offered and available to each child at each OVS meal service and properly supported by cost documentation maintained on file (food invoices, milk receipts etc.). It is the sponsor’s responsibility to train site staff for OVS meal pattern requirements to ensure reimbursable meals are claimed and that children understand which foods they may decline under OVS. NSLP/SFA must apply the Offer Verse Serve option under the rules followed for the National School Lunch Program.

☐ Yes – Describe below the procedure you will implement to successfully utilize OVS at your site(s). Indicate which sites you will utilize OVS on the enclosed form.

[☐] No
If you are not a NSLP/SFA sponsor, have you received an approved waiver from the State office to utilize Offer Verses Serve?

12. HEAT DEMONSTRATION PROJECT

The Food and Nutrition Service (FNS) has initiated a new demonstration project allowing non-congregate feeding at certain outdoor summer meal sites experiencing excessive heat. The demonstration project only applies to heat-related weather conditions. The demonstration project utilizes authority provided in Section 749 (g) of the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Act, 2010 (PL11-88) to develop and test alternate methods of providing access to summer meals for low-income children. For more details, refer to the enclosed memo.

Under the Demonstration Project, the SFSP sponsors operating approved outdoor feeding sites without temperature-controlled alternate sites may operate as non-congregate sites on days when the area is experiencing heat. On such days, children may take one meal off-site for consumption. Under the Demonstration Project, non-congregate meal service shall be permitted only on days when the National Weather Service has issued a heat advisory, an excessive heat warning, or an excessive heat watch for the area in which an approved outdoor feeding site is located. No other heat standard is permissible. This demonstration project will evaluate the effect on SFSP participation when sponsors are permitted to maintain service to children who would otherwise lose access to meals when excessive heat makes impractical the operation of a congregate feeding site lacking a temperature-controlled alternate site.

Indicate whether your agency will participate in the Heat Demonstration Project.

Re: Updated and Added Sites [see attached]

Dear Mr. Bastola,

The Department of Recreation intends to participate in the Summer Food Service Program for Children. The state agency requires sponsoring organizations to annually notify the health department of sites where food service will take place. We are a vended program and will operate from Monday, June 24, 2019 to Friday, August 16, 2019.

Our food preparation facilities are presently unknown pending a bidding process and awarding of a vended meal service contract. Meals prepared and served will include breakfast and lunch. The names and addresses of all projected feeding sites are attached. For further information, please contact me at 201-759-5935.

Sincerely,

SETTLEMENT AGREEMENT
AND GENERAL RELEASE

This Settlement Agreement and General Release ("Agreement") is by and between:
(1) Plaintiff Roberta Delgado ("Delgado" or "Plaintiff") and (2) Defendant City of Jersey (the
"City" or "Jersey City"). Delgado and the City will sometimes collectively be referred to herein
as "the Parties."

WHEREAS, the City formerly employed Delgado; and

WHEREAS, Delgado was eligible for retirement, and did indeed retire from the City
of Jersey City Employee Retirement System ("JCERS") on or about February 1, 2019 (the
"Retirement Date"), thereby concluding her employment relationship with the City; and

WHEREAS, Delgado was paid by the City for all of her accrued time up to her
Retirement Date in accordance with the City's normal policy and procedure for non-
management, unionized employees on or about March 8, 2019.

WHEREAS, certain employment issues arose between the City and Delgado during
her employment, including, but not limited to, the filing of a Complaint in the New Jersey
Superior Court by Delgado against the City, Docket No.: HUD-L-2839-16 (the "Litigation"); and

WHEREAS, the Parties now mutually desire to resolve all disputes related to
Delgado's employment with the City.

NOW THEREFORE, in consideration of the foregoing, and of the promises and mutual
covenants herein contained, the Parties agree as follows:

1. RETIREMENT OF DELGADO: PAYMENT FOR ACCRUED TIME

The Parties acknowledge and agree that: (a) Delgado retired from the City through
the JCERS on or about February 1, 2019 and (b) Delgado was paid by the City for all of her
accrued time up to her Retirement Date in accordance with the City's normal policy and
procedure for non-management, unionized employees on or about March 8, 2019

2. SETTLEMENT PAYMENT

In consideration for Delgado's agreement to all of the terms, conditions and promises
in this Agreement, the City shall within 60 days of the execution of this Agreement by
Delgado and return of the same to the City's Law Department, issue a check payable to
"Roberta Delgado" in the amount of $17,500 (no tax deductions or withholdings) in full and
complete satisfaction of all of Delgado's claims, including any claims for attorneys' fees, costs,
and other legal expenses, and this payment shall be reported as income on IRS Form 1099
("Settlement Payment"). The Parties agree that the Settlement Payment will constitute damages for Delgado’s emotional distress, including related physical manifestations, and related medical expenses occasioned thereby, if any. The Settlement Payment will be delivered to Delgado’s attorney at the following address: Christine Finnegan, Esq., 128 Belvidere Avenue, Washington, NJ 07882. In connection with the Settlement Payment, Delgado represents that she shall pay any such taxes at the time and in the amount required by law. Delgado acknowledges and agrees that the Settlement Payment and/or this Agreement was not an inducement to compel her retirement.

3. **DISMISSAL OF THE LITIGATION**

Delgado agrees to dismiss the Litigation, **with prejudice and without costs**, upon fulfillment of Paragraph 2 (Settlement Payment) of this Agreement. The Parties agree to execute a Stipulation of Dismissal with Prejudice and Without Costs to be filed with the Court upon fulfillment of Paragraph 2 (Settlement Payment) of this Agreement. Delgado represents that, other than the Litigation, she has not filed any other actions or claims against the City, including its subsidiaries, affiliates, divisions, agents, servants, officers, directors, employees, insurers, benefit plan fiduciaries, or successors.

4. **NO RIGHT TO REHIRE OR REEMPLOYMENT**

Effective upon her Retirement Date, Delgado acknowledges and agrees that she has no right to be rehired or reemployed by Jersey City or by any of the Releasees as defined in this Agreement. The Parties acknowledge and agree that any application for employment by Delgado to Jersey City or the Releasees shall be null and void and shall not be considered by Jersey City or the Releasees.

5. **SUFFICIENCY OF CONSIDERATION**

Delgado recognizes that the City disputes the allegations in her claims and in the Litigation and that the consideration provided in this Agreement accordingly confers upon her a benefit to which she is otherwise not entitled. Therefore, Delgado acknowledges and agrees that the consideration provided by Jersey City to her pursuant to this Agreement constitutes good and valuable consideration for the general release and the other promises and terms in this Agreement. Delgado understands and agrees that she is not eligible for or entitled to any other benefit or consideration from Jersey City, except as provided in this Agreement.

6. **GENERAL RELEASE**

In exchange for the consideration set forth in this Agreement, Delgado agrees, intending to be legally bound, to the maximum extent permitted by law, to release and forever discharge the City of Jersey City, including its subsidiaries, affiliates, divisions, agents,
servants, officers, directors, employees, insurers, benefit plan fiduciaries, or successors (collectively, the "Released Parties") individually and collectively, from any and all claims, causes of action, complaints, lawsuits or liabilities of any kind (collectively "Claims"), which Delgado, her heirs, agents, attorneys, administrators or executors may have against the Jersey City or any of the other Released Parties from the inception of her employment with Jersey City up to, and including, Delgado's Retirement Date.

Delgado acknowledges and agrees that she has received or shall receive something of value from the City which she would not otherwise be entitled to receive. Before signing this Agreement, Delgado was given up to twenty-one (21) calendar days to consider its terms and, should she sign this Agreement without waiting the full 21 days, she attests that her decision in this regard is knowing and voluntary and not induced through fraud, coercion, misrepresentation or a threat to withdraw or alter the offer contained herein. In addition, for a period of seven (7) calendar days following the date on which Delgado signs this Agreement, Delgado may revoke this Agreement. Any such revocation must be made in a writing addressed to Scott W. Carbone, Esq., Supervisory Assistant Corporation Counsel, Jersey City Law Department, City Hall - 280 Grove Street, Jersey City, New Jersey 07302 on or before 11:59 p.m. on the seventh day.

7. COVENANT NOT TO SUE

Delgado agrees not to file or initiate a lawsuit in any court, initiate any grievance or arbitration proceeding, or opt into any collective action or class action, asserting any of the
Released Claims against any of the Released Parties. Delgado further agrees that she will not permit herself to be a member of any class in any court or in any arbitration proceeding seeking relief against the Released Parties based on claims released by this Agreement, and that even if a court, arbitrator, or government agency rules that she may not waive a claim released by this Agreement, she will not accept or be entitled to any money damages or other relief in connection with any other action or proceeding asserting any of the Released Claims against any of the Released Parties. Nothing herein is intended to or shall interfere with Delgado’s right to participate in a proceeding with any appropriate federal, state or local government agency enforcing federal or state discrimination laws and/or cooperating with said agency in its investigation. Delgado, however, shall not be entitled to receive any relief, recovery or monies in connection with any complaint or charge brought against any of the Released Parties, without regard as to who brought any such complaint or charge.

8. NO FAIR LABOR STANDARDS ACT CLAIM

Delgado represents that she is not aware of any facts that would support a claim against any of the Released Parties for any other violation of the Fair Labor Standards Act or comparable state or local law.

9. NON-DISPARAGEMENT

The Parties agree that they will not make any negative comments or disparaging remarks, in writing, orally or electronically, about each other, including Jersey City or any other Released Party. However, nothing in this Agreement shall be interpreted to restrict the Parties rights and obligations: (i) to testify truthfully in any forum; (ii) to cooperate fully and provide information as requested in any investigation by a governmental agency or commission or as required by law; or (iii) to exercise First Amendment rights to participate in public discourse about public issues unrelated to Plaintiff’s employment with Jersey City.

10. NO ADMISSION OF WRONGDOING

SETTLEMENT AGREEMENT AND GENERAL RELEASE

This Settlement Agreement and General Release ("Agreement") is by and between: (1) Martin Jackson ("Jackson"); and (2) City of Jersey ("Jersey City" or "City"). Jackson and Jersey City will sometimes collectively be referred to herein as "the Parties."

WHEREAS, Jackson was served with Preliminary Notice of Discipline ("PNDA") seeking his termination by Jersey City on April 27, 2016; and

WHEREAS, disciplinary hearings were held on July 27, 2016 and July 28, 2016, after which the hearing officer issued a written decision ("Hearing Officer's Decision") on August 18, 2016 sustaining the charges in the PNDA and imposing a penalty of termination; and

WHEREAS, on August 30, 2016, Jersey City issued a Final Notice of Disciplinary Action ("FNDA") terminating Jackson's employment; and

WHEREAS, Jackson filed an Appeal ("Appeal") of his termination with the New Jersey Civil Service Commission, Agency Dkt. No.: 2017-865, which was transmitted to the New Jersey Office of Administrative Law for a hearing as a contested case bearing OAL Docket No.: 14572-16; and

WHEREAS, hearings in the New Jersey Office of Administrative Law, regarding this matter, were held on March 16, 2017; May 2, 2017; December 5, 2017 and September 19, 2018; and

WHEREAS, the FNDA, the Hearing Officer's Decision, the FNDA and the Appeal are all incorporated herein by reference; and

WHEREAS, Jersey City disputes the merits of the Appeal, and further denies that Jersey City, or any of its subsidiaries, affiliates, divisions, agents, servants, officers, directors, employees, insurers, or successors are liable for any allegations made by Jackson; and

WHEREAS, the Parties now mutually desire to resolve all of their disputes.

NOW THEREFORE, in consideration of the foregoing, and of the promises and mutual covenants herein contained, the Parties agree as follows:

1
1. SETTLEMENT PAYMENT

In consideration for Jackson's agreement to all of the terms, conditions and promises in this Agreement, Jersey City shall within 45 days from the date of this Agreement, issue a check payable to "Martin Jackson" in the amount of $60,000.00 (no tax deductions or withholdings) in full and complete satisfaction of all of Jackson's claims, including any claims for attorneys' fees, costs, and other legal expenses, and this payment shall be reported as income on IRS Form 1099 ("Settlement Payment"). The Settlement Payment will be delivered to Jackson's attorney as following: Donald Gardner, Esq., Camacho Gardner & Associates, L.L.P. 1919 Kennedy Boulevard North Bergen, NJ 07047. The Parties further agree that no part of the Settlement Payment constitutes: (a) a fine or penalty under any law; or (b) a payment to settle any actual or potential liability for a fine or penalty under any law.

2. TAX LIABILITY

Jackson agrees that he shall be liable for the payment of all federal, state and local taxes which may be due as the result of the consideration received in the Settlement Payment described above, and that such Settlement Payment is made for the settlement of disputed claims as set forth herein. Jackson represents that he shall pay such taxes at the time and in the amount required by law. In addition, Jackson agrees fully to defend, indemnify and hold Jersey City harmless from any liability for payment of taxes, penalties, withholding obligations and interest that are required of him by any government agency at any time as the result of the Settlement Payment.

3. DISMISSAL OF APPEAL

Jackson agrees that upon execution of this Agreement, he shall withdraw, with prejudice, the Appeal, and further agrees to take all steps to facilitate the dismissal with prejudice of the Appeal, if necessary. Jackson represents that, other than the Appeal, he is not a party in any pending administrative charge, lawsuit, civil action, collective action, class action, or claim of any kind against Jersey City, including any of its subsidiaries,
affiliates, divisions, agents, servants, officers, directors, employees, insurers, benefit plan fiduciaries, or successors.

4. SUFFICIENCY OF CONSIDERATION

Jackson recognizes that Jersey City disputes the allegations in the Appeal and that the consideration provided in this Agreement accordingly confers upon him a benefit to which he is otherwise not entitled. Therefore, Jackson acknowledges and agrees that the consideration provided by Jersey City to him pursuant to this Agreement constitutes good and valuable consideration for the general release and the other promises and terms in this Agreement. Jackson understands and agrees that he is not eligible for or entitled to any other benefit or consideration from Jersey City, except as provided in this Agreement.

5. GENERAL RELEASE

In exchange for the Settlement Payment set forth above in Paragraph 1, Jackson agrees, intending to be legally bound, to the maximum extent permitted by law, to release and forever discharge Jersey City, including its subsidiaries, affiliates, divisions, agents, servants, officers, directors, employees, insurers, benefit plan fiduciaries, or successors (collectively, the "Released Parties") individually and collectively, from any and all claims, causes of action, complaints, lawsuits or liabilities of any kind (collectively "Claims"), which Jackson, his heirs, agents, attorneys, administrators or executors may have against the Jersey City or any of the other Released Parties.

A. RELEASED CLAIMS - By agreeing to this General Release, Jackson is waiving, to the maximum extent permitted by law, any and all causes of action, lawsuits, proceedings, complaints, charges, debts, contracts, judgments, damages, claims, and attorneys' fees against the Released Parties, whether known or unknown, which Jackson ever had, now has or which Jackson or Jackson's heirs, executors, administrators, successors or assigns may have prior to the date this Agreement is signed by Jackson, due to any matter whatsoever relating to Jackson's employment, compensation and/or benefits of Jackson's employment with Jersey City (collectively, the
"Released Claims") including but not limited to the following:

- any Claims relating to or arising out of Jackson's employment with Jersey City and/or any of its departments, agencies and/or affiliated entities;
- any Claims for unpaid or withheld wages, severance, benefits, bonuses, commissions and/or other compensation of any kind;
- any Claims for reimbursement of expenses of any kind;
- any Claims for attorneys' fees, costs or expenses;
- any Claims of discrimination and/or harassment and/or retaliation based on age, sex, race, religion, color, creed, disability, handicap, citizenship, national origin, ancestry, sexual orientation, or any other factor protected by Federal, State or Local law (such as the Age Discrimination in Employment Act, 29 U.S.C. §621 et. seq. (ADEA), Title VII of the Civil Rights Act of 1964, as amended, the Americans with Disabilities Act, the Equal Pay Act and the New Jersey Law Against Discrimination) and any Claims for retaliation under any of the foregoing laws;
- any Claims regarding leaves of absence under federal, state or local law including any Claims under the Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (FLA);
- any Claims under the New Jersey Employer-Employee Relations Act;
- any Claims for violation of public policy;
- any Claims for retaliation and/or any whistleblower Claims (including any Claims under the New Jersey Conscientious Employee Protection Act);
- any Claims for emotional distress or pain and suffering; and/or
- any other statutory or common law Claims, now existing or hereinafter recognized, known or unknown, asserted or unasserted, including, but not limited to, breach of contract, libel, slander, fraud, wrongful discharge, promissory estoppel, equitable estoppel and misrepresentation.
- any Claims for unemployment compensation benefits or disability benefits under New Jersey law.

B. NON-RELEASED CLAIMS - It is important that Jackson understand that this General Release includes all Claims
known or unknown to him, including those that he may have asserted or raised previously as well as those that he has not raised or asserted previously. The General Release above does not apply to:

- Any Claims for vested benefits under any City retirement, pension and/or deferred compensation plan;
- Any Claims to require Jersey City to honor its commitments set forth in this Agreement;
- Any Claims to interpret or to determine the scope, meaning or effect of this Agreement;
- Any Claims relating to any conduct, matter, event or omission occurring after she signed this Agreement;
- Any past, pending or future claims for Worker’s Compensation benefits and awards.
- Any claim which cannot be waived as a matter of law.

6. RESIGNATION; PROMISE NOT TO REAPPLY

In addition to the release of Claims by Jackson set forth in Paragraph 5 above, Jackson agrees not to apply for employment with Jersey City at any time in the future. Upon issuance of the Settlement Payment, Jersey City agrees to amend any applicable records to indicate that Jackson’s separation from Jersey City was a General Resignation under New Jersey Civil Service Commission Regulations.

7. COVENANT NOT TO SUE

Jackson agrees not to file or initiate a lawsuit in any court, initiate any grievance or arbitration proceeding, or opt into any collective action or class action, asserting any of the Released Claims against any of the Released Parties. Jackson further agrees that he will not permit himself to be a member of any class in any court or in any arbitration proceeding seeking relief against the Released Parties based on claims released by this Agreement, and that even if a court, arbitrator, or government agency rules that she may not waive a claim released by this Agreement, he will not accept or be entitled to any money damages or other relief in connection with any other action or proceeding asserting any of the Released Claims against any of the Released Parties. Nothing herein is intended to or shall interfere with Jackson’s right to
participate in a proceeding with any appropriate federal, state or
local government agency enforcing federal or state discrimination
laws and/or cooperating with said agency in its investigation.
Jackson, however, shall not be entitled to receive any relief,
recovery or monies in connection with any complaint or charge
brought against any of the Released Parties, without regard as to
who brought any such complaint or charge.

8. NO FAIR LABOR STANDARDS ACT CLAIM

Jackson represents that he is not aware of any facts that
would support a claim against any of the Released Parties for
unpaid overtime or any other alleged violation of the Fair Labor
Standards Act or comparable state or local law.

9. NON-DISPARAGEMENT & CONFIDENTIALITY

Jackson agrees that he will not make any negative comments or
disparaging remarks, in writing, orally or electronically, about
Jersey City, including any other Released Party. However, nothing
in this Agreement shall be interpreted to restrict his right and
obligation: (i) to testify truthfully in any forum; (ii) to
cooperate fully and provide information as requested in any
investigation by a governmental agency or commission or as required
by law; or (iii) to exercise his First Amendment rights to
participate in public discourse about public issues unrelated to
his employment with Jersey City. Moreover, the City agrees to
maintain the confidentiality of the contents of, Jackson's
personnel file, including but not limited to prior disciplinary
matters, if any, subject to and in compliance with any and all
Federal, State and local laws, rules and regulations. The City
further agrees that should any such information be sought by legal
process, it will make all reasonable efforts, as soon as possible,
to notify Jackson and his attorney of the legal process, thereby
providing them with the opportunity to intervene in the proceeding,
if desired.

10. NO ADMISSION OF WRONGDOING

The Parties acknowledge that, this Agreement does not
constitute an admission by Jersey City or any of the Released
Parties of any of the matters alleged in the Appeal or of any
violation by them of any federal, state or local law, ordinance or
regulation, or of any violation of any policy or procedure, or of any liability or wrongdoing whatsoever. Neither this Agreement nor anything in this Agreement shall be construed to be or shall be admissible in any proceeding as evidence of liability or wrongdoing by Jersey City or the Released Parties. This Agreement may be introduced, however, in any proceeding to enforce this Agreement.

11. GOVERNING LAW

This Agreement shall be governed by and conformed in accordance with the laws of the State of New Jersey without regard to its conflict of law jurisprudence.

12. COUNTERPARTS

This Agreement may be executed, by the Parties or their attorneys, in counterparts and each counterpart will be deemed an original.

13. UNDERSTANDING OF AGREEMENT BY JACKSON

Jackson agrees and represents that:

- he has read carefully the terms of this Agreement, including the General Release;
- he has had an opportunity to and has been encouraged to review this Agreement, including the General Release, with an attorney;
- he understands the meaning and effect of the terms of this Agreement, including the General Release;
- his decision to sign this Agreement, including the General Release, is of his own free and voluntary act without compulsion of any kind;
- he has been made no promise or inducement, other than those contained in this Settlement Agreement; and
- he has adequate information to make a knowing and voluntary decision to enter into this Settlement Agreement.

14. SEVERABILITY

Should any term or provision of this Agreement be declared illegal, invalid or unenforceable by any court of competent jurisdiction and if such provision cannot be modified to be
enforceable, such provision shall immediately become null and void, leaving the remainder of this Agreement in full force and effect. The language of all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any of the parties.

15. ENTIRE AGREEMENT

This Agreement sets forth the entire agreement between the Parties hereto and fully supersedes any and all prior and/or supplemental understandings, whether written or oral, between the Parties concerning the subject matter of this Agreement. Jackson acknowledges that she has not relied on any representations, promises or agreements of any kind made to him in connection with the decision to accept the terms of this Agreement, except for the representations, promises and agreements herein. Any modification to this Agreement must be in writing and signed by Jackson and Jersey City's Corporation Counsel.

16. MISCELLANEOUS

Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

(D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (N.J.A.C. 17:27).

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ___________________________ (hereafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibit discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, damages, or liabilities, of whatever kind or nature, arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges, for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expenses to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the City of New Jersey (hereafter "Owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. JCPURCHASE
It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

GOVERNMENT PRODUCT LEASE AGREEMENT

In this Government Product Lease Agreement (the "Lease"), the words "You" and "Your" mean the lessee, which is the entity that is identified as the Customer on the Government Product Lease Agreement Order Form ("Order Form"). "We," "Us" and "Our" mean the lessor, MailFinance Inc. "Supplier" refers to either Neopost USA Inc., or any other third party that has manufactured, or is providing services related to, the Products.

1. Lease of Products. THIS LEASE IS UNCONDITIONAL AND NON-CANCELABLE (except as provided in Section 24, below) during the Initial Term (as defined below). You agree to lease from Us the equipment, embedded software, Software, services and other products listed on the Order Form, together with all existing accessories, embedded software programs, attachments, replacements, updates, additions and repairs, (collectively the "Products") upon the terms stated herein. For the avoidance of doubt, postage meters for use in mailing machines are excluded from the definition of Products. The term "Software" means any software that is subject to this Lease, other than software programs that are embedded in the hardware. Software is subject to the additional terms as may be provided by the Supplier.

2. Promise to Pay. You promise to pay to Us the lease payment shown on the Order Form ("Lease Payment") in accordance with the payment schedule set forth thereon, plus all other amounts stated in this Lease.

3. Initial Term; Renewal.

3.1 FMV Lease. The Initial Term of this Lease will begin on the date the Products are installed and will continue for the number of months shown on the applicable Order Form ("Initial Term"). Unless You have opted for an LTOP Lease as described in Section 23, You must notify Us in writing at least thirty (30) days before the end of the Initial Term that You intend to either: (i) return the Products at the end of the Initial Term; or (ii) purchase the Products pursuant to Section 22. If You have not opted for an LTOP lease and You fail to give Us such notice, then this Lease will automatically renew for consecutive periods of one (1) month each (each a "Renewal Period"). The amount You pay for the Products will remain unchanged during each Renewal Period. We will not notify You that the Initial Term or any Renewal Period is ending. You may terminate this Lease at the conclusion of any Renewal Period by giving Us thirty (30) days prior notice of Your intent to do so. If You notify Us in writing that You intend to terminate the Lease, as set forth above, You shall either return the Products pursuant to Section 12 of this Lease or purchase the products pursuant to Section 22.

3.2 LTOP Lease. If You have opted for an LTOP Lease as described in Section 23, then the term of this Lease will begin on the date the Products are installed and will continue for the number of months shown on the applicable Order Form ("Initial Term"). At the conclusion of the Initial Term of an LTOP Lease, we shall: (i) transfer title of all hardware Products to You as set forth in Section 23; and (ii) Your license to use any Software Products shall continue for the number of months shown on the applicable Order Form ("Initial Term"). At the culmination of the Initial Term or any Renewal Period, You may terminate this Lease at the conclusion of any Renewal Period by giving Us thirty (30) days prior written notice of Your intent to do so. If You notify Us in writing that You intend to terminate the Lease, as set forth above, You shall either return the Products pursuant to Section 12 of this Lease or purchase the products pursuant to Section 22.

4. Payments. Lease Payments, and other charges provided for herein, are payable in arrears periodically as stated on the Order Form. You agree to make Lease Payments to Us at the address specified on Our Invoices, or at any other place designated by Us within thirty (30) days of the date of Our invoice.

5. Delivery and Location of Products. The Products will be delivered to You at the installation address specified on the Order Form ("Installation Address") or, if no such location is specified, to Your billing address. Your acceptance of the Products occurs upon delivery of the Products. You shall not remove the Products from the Installation Address unless You first give Us written permission to do so.

6. Ownership, Use, and Maintenance of Products. We will own and have title to the Products during the Lease. You agree that the Products are and shall remain Our personal property. You authorize Us to record (and amend, if appropriate) a UCC financing statement to protect Our interests. You represent that the Products will be used solely for commercial purposes and not for personal, family or household purposes. At Your own cost, You agree to maintain the Products in accordance with the applicable operation manuals and to keep the Products in good working order, ordinary wear and tear excepted.

7. Assignment of Supplier's Warranties. We hereby assign to You any warranties relating to the Products that We may have received from the Supplier.

8. Relationship of the Parties. You agree that You, not We, selected the Products and the Supplier, and that We are a separate company from the Supplier and that the Supplier is not Our agent. IF YOU ARE A PARTY TO ANY POSTAGE METER RENTAL, MAINTENANCE, SERVICE, SUPPLIES OR OTHER CONTRACT WITH ANY SUPPLIER, WE ARE NOT A PARTY THERETO, AND SUCH CONTRACT IS NOT PART OF THIS LEASE (EVEN THOUGH WE MAY, AS A CONVENIENCE TO YOU AND THE SUPPLIER, BILL AND COLLECT MONEYS OWED BY YOU TO THEM).

9. Default. You will be in default under this Lease if You fail to pay any amount within ten (10) days of the due date or fail to perform or observe any other obligation in this Lease. If You default, We may, without notice to You, do any one or more of the following, at Our option, concurrently or separately: (A) cancel this Lease; (B) require You to return the Products pursuant to Section 12 below; (C) take possession of and/or render the Products unusable, and for such purposes You hereby authorize Us and Our designees to enter Your premises, with prior reasonable notice or other process of law; and (D) require You to pay to Us, on demand as liquidated damages and not as a penalty, an amount equal to the sum of: (i) all Lease Payments and other amounts then due and past due; (ii) all remaining Lease Payments for the then-current term, together with any taxes due or to become due during such term (which You agree is a reasonable estimate of Our damages); and (iii) in the event that You failed to promptly return the Products to Us, an amount equal to the then-curent value of the Products at the end of the then-current term, as reasonably determined by Us. To the extent allowable by law, You shall also pay all Our costs in enforcing Our rights under this Lease, including reasonable attorneys' fees and expenses that We incur to take possession, store, repair, or dispose of the Products, as well as any other expenses that We may incur to collect amounts owed to Us. We are not required to re-lease or sell the Products if We repossess them. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

10. Finance Lease. You agree that this Lease is a "finance lease" as defined in Article 2A of the Uniform Commercial Code ("UCC"). To the extent permitted by law, You hereby waive any and all rights and remedies conferred upon You under UCC Sections 2A-303 and 2A-508 through 2A-522, or any similar laws.
11. Loss; Damage; Insurance. You shall: (i) bear the risk of loss and damage to the Product(s) during the Initial Term and any Renewal Period; and (ii) keep the Product(s) insured, at Your expense, against all risks of loss and damage in an amount at least equal to its full replacement cost.

12. Return of Products. Unless You take title to the tangible Products pursuant to Section 22 or Section 23, then You are required to return such Products under this Lease. In such a case, at the end of the Lease, You shall, after receiving an Equipment Return Authorization ("ERA") number from Us, promptly send the Products, at Your expense plus shipping and handling costs, to any location(s) that We designate in the contiguous United States. The Products must be properly packed for shipment with the ERA number clearly visible, freight prepaid and fully insured, and must be received in good condition, less normal wear and tear.

13. Assignment. You shall not sell, transfer, assign, sublease, pledge, or otherwise encumber (collectively, "Transfer") the Products or this Lease in whole or in part.

14. Disclaimer of Warranties. We make no representations or warranties of any kind, express or implied, regarding any matter whatsoever, including, but not limited to, the suitability of the Product(s), its condition, its merchantability, its fitness for a particular purpose, its freedom from infringement, or otherwise. We provide the Products to You "AS IS," "WHERE IS" and "WITH ALL FAULTS."

15. Limitation of Liability. We shall not be liable to You and You shall not make a claim against Us for any loss, damage (including incidental, consequential or punitive damages), or expense of any kind arising directly or indirectly from the delivery, installation, use, return, loss of use, defect, malfunction, or any other matter relating to the Products (collectively, "Product Matters"). Notwithstanding any other provision of this Lease, except for direct damages resulting from personal injury or damage to tangible property caused by our gross negligence or willful misconduct, the maximum Our liability to You for damages hereunder shall not exceed the total of the amounts paid to Us hereunder by You.

16. Notice. All notices related to this Lease to Us shall be made by You, or an attorney representing You. Notice of non-renewal of this Lease shall be made as outlined in Section 3 herein by calling 1-800-NEOPOST (636-7678). All other notices, requests and other communications hereunder shall be in writing and sent to: MailFinance Inc., 478 Wheeler Farms Road, Milford, CT 06461 ("Notice Address"). Such notices shall be considered given when (i) delivered personally, (ii) sent by commercial overnight courier with written confirmation of delivery. In the event that We do not accept Your offer to enter this Lease, then You have the right to a written statement that specifies the reasons that Your offer was not accepted. You can request such a statement by writing to Us at the Notice Address.

17. Integration. The Lease represents the final and only agreement between You and Us. There are no unwritten oral agreements between You and Us. The Lease can be changed only by written agreement between You and Us. Any additional terms and conditions referenced on any Purchase Order shall be void and have no effect on this Lease.

18. Severability. In the event any provision of this Lease shall be deemed to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The parties agree to replace any invalid provision with a valid provision, which most closely approximates the intent and economic effect of the invalid provision.

19. Waiver or Delay. A waiver of any default hereunder or of any term or condition of this Lease shall not be deemed to be a continuing waiver or a waiver of any other default or any other term or condition, but shall apply solely to the instance to which such waiver is directed. We may accept late payments, partial payments, checks, or money orders marked "payment in full," or with a similar notation, without compromising any rights under this Lease.

20. Survival of Obligations. Your obligations under this Lease shall survive any expiration or termination of any government procurement contract that may be related to it. Any obligations and duties which by their nature extend beyond the expiration or termination of this Lease shall survive the expiration or termination of this Lease.

21. Choice of Law; Venue; and Attorney's Fees. This Lease shall be governed by the laws of the State of Connecticut, without regard to conflicts of law, and jurisdiction shall lie exclusively in a court of competent jurisdiction in New Haven County, Connecticut. In any litigation or other proceeding by which one party either seeks to enforce its rights under this Lease (whether in contract, tort, or both) or seeks a declaration of any rights or obligations under this Lease, to the extent allowable by law, the prevailing party shall be awarded its reasonable attorney fees, and costs and expenses incurred.

22. FMV Leases. If this Lease is a fair market value lease, as indicated by the lease rate that has been used by Us to calculate Your Lease Payment then, unless You are in default, You may elect to purchase the hardware Products at the end of this Lease on an "as is, where is" basis for their fair market value, as reasonably determined by Us. In the event that You elect to do so, You must give us sixty (60) days prior written notice of Your election to purchase such Products.

23. LTOP Leases. If this Lease is a lease to purchase, as indicated by the lease rate that has been used by Us to calculate Your Lease Payments then, at the end of the Initial Term and after You have made all of the Lease Payments, We shall transfer title to all hardware Products that are subject to this Lease to You on an "as is, where is" basis.

24. Termination.

24.1 Non-Appropriation.

a. You warrant and represent that You intend to enter into this Lease for at least the entire Initial Term and that You are doing so for an essential government purpose. You agree that, prior to the expiration of the Initial Term, you shall not terminate this Lease in order to obtain the same or similar Products from another vendor.

b. You may terminate this Lease at the end of Your current fiscal year, or at the end of any subsequent fiscal year, if appropriated funds are not available to You for the Lease Payments that will be due in the next fiscal year. In the event of such a non- appropriation, then You shall provide written notice to Us that states:

Sufficient funds have not been and will not be appropriated for the remaining payments due under the Lease. I confirm that we will not replace the Products with similar
equipment from any other party in the succeeding fiscal year.

24.2 Convenience. You may terminate this Lease at any time and for any reason or for no reason ("Termination for Convenience"); provided that You comply with the provisions of this paragraph. Such amount must be received by Us within thirty (30) days of the effective date of the termination.

POSTAGE METER RENTAL AGREEMENT

1. Incorporation of Certain Terms. Customer acknowledges that: (i) it has entered a Government Product Lease Agreement with MailFinance Inc. (the "Lease"); and (ii) if the Products that are subject to the Lease includes a mailing machine, then the terms of this Postage Meter Rental Agreement ("Rental Agreement") shall govern its rental of the Postage Meter (as defined below) for such machine. Any defined terms in the Lease shall have the same meanings in this Rental Agreement, except that "We," "Us," and "Our," refers to Neopost USA Inc., and any reference to "Products" shall refer to the Postage Meter. Sections 11, 12 and 14 through 25 of the Lease are hereby incorporated into this Rental Agreement, except that any reference in those sections to the "Lease" refer to this Rental Agreement.

2. Provisions as to Use. You acknowledge that: (i) as required by United States Postal Service ("USPS") regulations, the postage meter(s) identified on the Order Form (the "Postage Meter") is being rented to You and that it is Our property; (ii) the Postage Meter will be surrendered by You upon demand by Us; (iii) You are responsible for the control and use of the Postage Meter; (iv) You will comply with all applicable laws regarding Your use or possession of the Postage Meter; (v) the use of the Postage Meter is subject to the conditions established from time to time by the United States Postal Service; and (vi) the Postage Meter is to be used only for generating an indicia to evidence the prepayment of postage and to account for postal funds. It is a violation of Federal law to misuse or tamper with the Postage Meter and, if You do so, We may terminate this Rental Agreement upon notice to You.

3. Rental Fee, Term, and Taxes. The rental fee for the Postage Meter rental during the Initial Term is included in the Lease Payment. For each Renewal Term, You agree to pay Our then-current fee for the Postage Meter rental. The Postage Meter rental fee does not include the cost of consumable supplies. The term of the rental shall be equal to the term of the Lease and is NON-CANCELABLE. You agree to pay all applicable taxes related to Our acquisition, possession, and/or use of the Postage Meter including all property taxes on the Postage Meter. Furthermore, You agree to pay the applicable fee to cover Our expenses associated with the administration, billing and tracking of such charges and taxes. Notwithstanding the foregoing, in the event You are tax exempt, upon providing Us a certificate, You will not be required to pay any taxes covered by such certificate. You agree that you will return the Postage Meter at the end of the Lease term and that You will do so in the manner set forth in Section 12 of the Lease. Furthermore, You agree that if You fail to return a postage meter within thirty (30) days of receipt of the Equipment Return Authorization from Us, then You will pay a postage meter replacement fee of one thousand dollars ($1,000).

4. Postage Meter Maintenance, Inspections, and Location. We will keep the Postage Meter in good working condition during the term of this Rental Agreement. The United States Postal Service regulations may require Us to periodically inspect the Postage Meter. You agree to cooperate with Us regarding such inspections. We may, from time to time, access and download information from Your Postage Meter to provide Us with information about Your postage usage and We may share that information with Our distributors and other third parties and You hereby authorize Us to do so. You agree to promptly update Us whenever there is any change in Your name, address, telephone number, the licensing post office, or the location of the Postage Meter.

5. Postage Advances. We do not sell postage. In the event You require an emergency advance for postage, We, at Our sole discretion, may advance You money to reset the Postage Meter. If We do provide such an advance, You agree to repay Us within five (5) days from the time of such advance: (i) the amount of the emergency advance; and (ii) the then-current advance fee.

6. Default. In the event You fail to perform in accordance with the terms set forth in this Rental Agreement, or any other Agreement with Us or any of Our affiliates, including, but not limited to, MailFinance Inc., and Mailroom Finance, Inc., then We may, without notice: (i) repossess the Postage Meter(s); (ii) disable the Postage Meter; (iii) immediately terminate this Rental Agreement; and (iv) pursue any remedies available to Us at law or in equity. Furthermore, upon the return of the Postage Meter, You hereby authorize Us to offset any amount of postage remaining in the Postage Meter, prior to any refund to You, against any amount due to Us or any of Our affiliates. To the extend allowable by law, You shall also pay all of Our costs in enforcing Our rights under this Rental Agreement, including reasonable attorney's fees and expenses that We incur to take possession, store, or repair, the Postage Meter, as well as any other expenses that We may incur to collect amounts owed to Us. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

7. Rate Updates.
   A. Maintenance of Postal Rates. It is Your sole responsibility to ensure that correct amounts are applied as payment for mailing and shipping services. We shall not be responsible for returns for delivery delays, refusals, or any other problems caused by applying the incorrect rate to mail or packages.
   B. Rate Updates with Online Services. If the Order Form indicates that You are enrolled in Our Online Services program, then We will make available periodic updates for Your covered Products and/or Postage Meter, including updates to maintain accurate USPS rates for the USPS services that are compatible with such Products or Postage Meter. The rate updates that are offered with Our Online Services program are only available for products that are Integrated (as defined below) into Your mailing machine. For the purposes of this section, "Integrated" means that the
covered hardware cannot properly operate on a stand-alone basis and it has been incorporated into the mail machine. Products that are not Integrated including, but not limited to, all Software and scales with “ST-77,” or “SE” in the model number will not receive updated rates as part of Our Online Services program (collectively “Excluded Products”).

8. United states postal service acknowledgement of deposit requirement. In addition, a civil penalty of up to $5,000 and an additional assessment of twice the amount falsely claimed may be imposed (3 U.S.C. 3802).

E. You further understand that the rules and regulations regarding use of this PES as documented in the USPS Domestic Mail Manual may be updated from time to time by the USPS and it is Your obligation to comply with any current or future rules and regulations regarding its use.

F. You are responsible for immediately reporting (within seventy-two hours or less) the theft or loss of the postage meter that is subject to this Rental Agreement. Failure to comply with this notification provision in a timely manner may result in the denial of refund of funds remaining on the postage meter at the time of the loss or theft.

NeoFunds®/TotalFunds® ACCOUNT AGREEMENT

1. Incorporation of Certain Terms. You acknowledge that You have entered a Government Product Lease Agreement with MailFinance Inc. (the “Lease”) and a Postage Meter Rental Agreement with Neopost USA Inc. (the “Rental Agreement”). If you have an eligible postage meter, then you will have access to a NeoFunds postage funding account (for Neopost POC accounts) or a TotalFunds postage funding account (for Hasler TMS accounts) and this NeoFunds/TotalFunds Account Agreement ("Account Agreement") shall govern Your use of such account. Any defined terms in the Lease or Rental Agreement shall have the same meanings in this NeoFunds Agreement, except that “We,” “Us,” and “Our,” refer to Mailroom Finance, Inc., an affiliate of Neopost USA Inc. Sections 14 through 20 of the Lease are hereby incorporated into this Account Agreement except that any reference in those sections to the “Lease” refers to this Account Agreement.

2. Establishment and Activation of Account. You hereby authorize Us, to establish an account in Your name ("Account") for funding the purchase of postage from the United State Postal Service ("USPS") for use in the postage meter. Your Account may also be used to purchase supplies, pay for the Postage Meter rental, and obtain certain other products and services from Neopost USA. The establishment of Your Account shall be subject to Our approval of Your creditworthiness. Any use of the Account shall constitute Your acceptance of all the terms and conditions of this Account Agreement and all other documents executed or provided in connection with the Account. The Account may not be used for personal, family, or household purposes.

3. Operation of Account. Each time an employee or agent of Yours with the express, implied, or apparent authority to do so (each an “Authorized User”) uses the Account to receive a postage meter reset or obtain other products or services that Neopost USA Inc. is authorized to provide, Neopost USA Inc. will notify Us of the amount to be applied to Your Account balance. If the Account is used to obtain postage, then We will transfer the requested amount of postage to the USPS on Your behalf and Your Account will be charged for the amount of postage requested and any related fees, if applicable. You can continue to pre-pay the USPS for postage and understand that pre-paid postage funds will be used first to pay for your postage meter resets. You further understand that NeoFunds/TotalFunds will provide additional available postage funds when Your pre-paid account balance is zero ($0). When You request a postage meter reset, if You have the funds on account with the USPS, those funds

automatically will be withdrawn first to pay for postage, and any additional amounts due for postage and related fees will be billed through the NeoFunds/Total Funds Account under the terms and conditions of this Account Agreement. If the Account is used to acquire products or services from that Neopost USA is authorized to provide, then We shall pay the applicable amount to Neopost USA Inc. and add such amount to Your Account balance.

4. Payment Terms. You will receive a billing statement for each billing cycle in which You have any activity on Your Account. Payments are due on the due date shown on Your billing statement. You may pay the entire balance due or a portion of the balance, provided that You pay at least the minimum payment amount shown on Your statement. However, if You have exceeded the Account Limit, then You must pay the entire amount of any overage, as well as the minimum payment amount shown on Your statement. Whenever there is an unpaid balance outstanding on Your Account which is not paid in full by the due date shown on Your billing statement, We will charge You, and You agree to pay, interest on the unpaid balance of the Account for each day from the date the transaction is posted to Your Account until the date the unpaid balance is paid in full, at the Annual Percentage Rate (as defined below). The Account balance that is subject to a finance charge each day will include outstanding balances, minus any payments and credits received by Us on Your Account that day. The Annual Percentage Rate applicable to Your Account will be equal to the lesser of eighteen percent (18.00%) per annum or the maximum permitted by law. Each payment will be applied to reduce the outstanding balance of Your Account and replenish the amount available to You. We may refuse to extend further credit if the amount of a requested charge plus Your existing balance exceeds Your Account Limit.

5. Account Limit and Account Fees. You agree that We will establish a credit limit on Your Account (the "Account Limit"). The exact amount of the Account Limit will be indicated on Your invoice. We may, in Our sole discretion, allow Your balance to exceed the Account Limit. In the event We do so, You agree to pay Us an additional fee equal to one percent (1%) of the amount by which the Account Limit is exceeded for each transaction that You initiate after Your Account has reached the Account Limit. Such amount will be charged to Your Account on the date that the relevant transaction(s) occurs. Unless prohibited by applicable law, You agree to pay the amounts set forth in this Account Agreement, which may include, without limitation, the amounts specified above, a fee for a late payment, a fee for any checks that are returned as a result of insufficient funds, and a fee for any ACH direct debit transactions which are rejected, and an annual account fee. All such fees shall be added to Your Account balance.

6. Cancellation and Suspension. We may at any time close or suspend Your Account or temporarily refuse to allow further charges to Your Account. You can cancel Your Account at any time by notifying Us in writing at the address provided on Your Account statement of Your desire to do so. No cancellation or suspension will affect Your obligation to pay any amounts You then owe under this Account Agreement. We will notify You of the Account balance in the event of any termination and all outstanding obligations will survive the termination of this Account Agreement by either party.

7. Default. We may declare You in default if You: (i) have made any misrepresentations to Us; (ii) at any time, have done or allowed anything that indicates to Us that You may be unable or unwilling to repay the balance of Your Account as required under this Account Agreement; or (iii) are in default under this Account Agreement or any lease, rental, or other agreement with Us, Neopost USA Inc., or their affiliates. If You are in default, or upon any cancellation of Your Account, We shall not be obligated to continue to provide the Account service or extend further credit under this Account Agreement. If We are required to take collection action or any other legal action under this Account Agreement, You shall pay upon demand by Us all costs and collection costs, along with reasonable attorney's fees. These remedies shall be cumulative and not exclusive, and shall be in addition to any and all other remedies available to Us.

8. Remedies. If We have declared that You are in default under this Account Agreement, then We may: (i) declare all agreements You have with Us in default and due and payable at once without notice or demand; (ii) refuse to make further advances on Your behalf to reset Your postage meter; and (iii) exercise any other rights that We may have. In addition, You agree that any default under this Account Agreement shall constitute a default under any agreement You may have with any of Our affiliates, including, but not limited to, Neopost USA Inc, MailFinance Inc. or any of its affiliates.

9. Amendments. We may amend this Account Agreement, or any of its provisions, including without limitation any fees and charges and/or the Annual Percentage Rate, at any time by at least thirty (30) days written notice to You, and such written notice may be included in Your billing statement. Any such amendment will become effective on the date stated in the notice and will apply to any transactions after such date, as well as to any outstanding balance on Your Account.

The sole jurisdiction and venue for actions related to the subject matter hereof shall be in a State or Federal Court within the State of Texas.

How it Works

Your postage meter collects mailing activity data as you process mail including:
- Operator, date, account/department, # pieces, mail class/service, weight, postage $
- Mailing data from your meter is automatically uploaded to your online customer portal
- Simply log in from your web browser to:
  - View activity history & statistics for the last 2 years
  - Create & customize easy-to-read graphical reports
  - Share reports in friendly formats like spreadsheets

Powerful Reporting

- 30 reports available in trend or detail formats
- Standard and user-defined time periods
- Combination reports (e.g. departmental spending and volume by mail class)
Checked Apps are Included in Your Proposed System

Remote diagnostics App keeps your IN- or IS-Series mailing system connected to our service center. Technicians are able to quickly analyze any issues or concerns you may have, ensuring you sustain maximum uptime. All support is promptly provided by USA-based technicians.

NeoFunds® App provides the flexibility and convenience of funding your iMeter™ with a "download now, pay later" NeoFunds® postage financing plan. Add postage dollars to your iMeter™ with the click of a button. Instead of pre-funding the postage account, you will receive a monthly invoice for actual postage dollars that have been downloaded.

Postal Rates App provides automatic delivery of updates when the Postal Service™ announces a change to its rates, delivery service fees or postal zones. Ensure accurate rating of the exact postage for all of your items. As long as you are connected, you can rest assured that the Postal Rates App will keep you compliant with USPS® updates.

NeoStats App provides web reporting on postage usage and trends by department, time period, and postal class. NeoStats allows you to:

- Identify cost saving opportunities by potentially changing postal class or services
- View daily activity to identify peak periods and better determine staffing requirements
- Quickly determine top departmental usage by volume or spending
- Generate postage usage reports on a monthly, quarterly, annual or custom time period
- View year over year postage usage trends which will help with budget planning

With NeoStats, reports can be viewed in spreadsheet and graphical format, and all postage usage data can be easily exported to Excel® for additional analysis and reporting.

E-Services App provides significant cost savings and simple processing and tracking of your mail when utilizing USPS® discounted electronic rates for eDelivery Confirmation™, eSignature Confirmation™, and tracking of eCertified Mail™. With E-Services, you can accurately track all of your outgoing mail anywhere, anytime as long as you have an internet connection. User definable email alerts inform you of delivered and undelivered mail. This allows you to inform recipients of the delivery status, which can help build stronger relationships with your customers.

E-Services with Electronic Return Receipt™ App lets you say goodbye to those traditional USPS® Return Receipt "green cards". Experience all of the benefits of the Neopost E-Services App plus the additional cost savings and consolidated tracking of E-Certified Mail™ with Electronic Return Receipt™ from USPS®. Coupling E-Certified Mail™ with Electronic Return Receipt™ from USPS® provides both proof of mailing as well as proof of delivery.
Certified Mail™ with Return Receipt Challenges:

- It definitely isn’t cheap. At $6.67, a 1 oz. letter is over 14x more than a typical 47¢ First-Class Mail® piece with no special services
- Manual preparation can be extremely labor intensive, involving up to 10 extra steps per letter
- Green Return Receipt cards require physical storage space and time-consuming manual organization
- Green cards are easily misplaced or lost

Neopost Has the Solution

Stop handwriting USPS® Certified Mail™ forms. Using Electronic Return Receipt technology, Neopost IN- and IS-Series mailing systems streamline Certified Mail™ preparation and save $1.25 per letter by providing a digital signature in place of the green card. Plus, your delivery and signature information is automatically organized for you on the web - just log into your Neopost online account whenever you need to track an item.

How It Works

Apply an e-Label to the envelope and send it to your mail center
Select Electronic Return Receipt on your mailing system control panel
Scan the e-Label & meter the envelope at the reduced postage rate
Your mailing system uploads tracking number data to the USPS®
Log into your online account with Neopost to retrieve delivery information
Review & eport records for all your Certified Mail™. Download & print official USPS® digital signature PDF files

SendPro™ P3000

Set a new standard for performance.

Make critical gains in productivity and efficiency. Shipping and receiving packages and sending daily letter mail are all a necessary part of doing business. Yet, these seemingly simple tasks can be complicated processes that demand proper attention.

The SendPro P3000 simplifies the process by integrating mailing, shipping and receiving into a single system. With this integration, the P3000 provides a simpler, more streamlined way to send letter mail and large envelopes as well as ship packages using your USPS®, FedEx® and UPS® business accounts. With the receiving application, you can accurately log all of your incoming packages' information so that you have a history of every package that has been delivered to your office.

Plus, with sending costs rising and shipping becoming more complex, the SendPro P3000 can also quickly improve productivity and cost efficiency in your office.

Mail, ship and track with ease.
For letter mail, the SendPro 3000 will seal and print postage for mail up to 3/4" thick at up to 310 letters per minute.

With the Weigh-on-the-Way® feature, sorting mixed size mail is no longer necessary. The P3000 can process a stack of mixed size mail at up to 205 letters per minute applying the correct postage for each piece.

For package shipments, the P3000 allows you to review services provided by USPS, FedEx or UPS in order to pick which one is best for you. With the integrated scale and label printer, you can weigh, rate and ship right from your system. Now, you can get your packages delivered with the best cost and delivery options available.

For more information, visit us online: pitneybowes.com
Desktop shipping
The SendPro™ P3000 enables users outside the mail area to ship packages from their individual PCs. Office workers simply log in to send or track a package delivery. The optional integrated scale and label printer, allows your office staff to weigh rate and print professional shipping labels. No matter how many people in your office ship, equip them all with desktop capabilities that link to a central, controlled account that captures shipping history, carrier spend and package tracking details.

Manage inbound deliveries.
Automate and streamline the receipt and management of incoming packages using your P3000 and its integrated barcode scanner. The P3000 instantly logs package information, including carrier, recipient, sender, tracking number and date and time of receipt, keeping a history report of all your incoming packages so you know when each package was delivered. You also have the option to automatically alert the intended recipient with email notifications, making the entire process more accurate and efficient.

Simple user display
The modern, color touch screen display of the P3000 enables anyone in your office to pick the ideal service and complete each job quickly and accurately. The system guides the user with its easy-to-follow menus for processing mail and shipments with each of the three carriers: USPS®, FedEx® and UPS®.

Flexible printing
The P3000 also gives you unique control over envelope printing. From any desktop PC, you can upload your graphics to print a business logo, return address, or promotional message in full color on outbound envelopes. Print just one or print a thousand. The savings add up. Its quick changeover gives you printing flexibility and can eliminate the premiums you pay for special envelope stock.

The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to such grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

services, and that it is in the best interest of the State to enter into a

Participating Addendum with Contractor; and

WHEREAS, the parties seek to enter into this Participating Addendum to

memorialize the terms of their contractual relationship;

All participants other than the State and State agencies are responsible for the full cost of their purchases.

6.0 Modified NSCA Master Agreement Terms:

Purchasing Entity (the entity authorized under the terms of any Participating Addendum to place orders under this Master Agreement) shall determine whether all Products and Services delivered meet the Contractor's published specifications (a.k.a. "Specifications"). No payment shall be made for any Products or Services until the Purchasing Entity has accepted the Products or Services. The Purchasing Entity will make every effort to notify the Contractor within thirty (30) calendar days following delivery of non-acceptance of a Product or completion of Service. In the event that the Contractor has not been notified within 30 calendar days from delivery of Product or completion of Service, the Product and Services...

The State of New Jersey's obligation to make payment under the Agreement is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State of New Jersey for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency which is an Authorized Purchaser by the New Jersey State Legislature and made available through receipt of revenues. The contractor and the ____________________________ (hereafter "Owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. Resolution Purpose

This training is needed so special units can meet the growing hazard/threat on our waterfront. The increase in population has created a spike in water recreation activities and crafts. There is also a great life hazard at our waterfront due to commuting vessels (ferries), and tourism (helicopter tours, Statue Cruises). The Division of Fire has acquired water rescue equipment to meet these needs. We now need the appropriate training to go along with the new equipment.

I certify that all the facts presented herein are accurate.

Director,

Attached are four quotes for new Fire Department vehicles. The vehicles will be purchased with funds from a Fire Prevention account which means there is no cost to the city.

The vehicles are:

- **(1) 2019 Chevrolet Silverado pickup truck**
  - Total cost $56,257.22 (vehicle 37,999 + equipment 18,258.22)
  - Replacing a Ford Explorer
  - Used by Deputy Chief Tour Commander and Tech
  - Responds to all fires and large emergency incidents
  - The Ford Explorer is too small and not rugged enough
  - Historically the DC Tour Commander was assigned a larger vehicle. However, we choose to test out a smaller, cheaper vehicle which has proved to be inadequate
  - The Ford Explorer does not provide recommended compartment separation between responders and their off gassing turnout gear and equipment
  - All equipment (marking, lights, sirens, slide outs, etc.) to be installed by First Priority Group
  - Equipped with 4.3L EcoTec V6, most fuel efficient engine offered
• (1) 2019 Chevrolet Colorado midsize pickup truck
  Total cost $49,305.53 (vehicle 31,300 +
equipment 18,005.53)
  o Replacing a Ford Explorer
  o Used by a line Battalion Chief
  o Responds to all fire and emergency incidents in its
    battalion
  o The Ford Explorer is too small and not rugged enough
  o The Ford Explorer does not provide recommended
    compartment separation between responders and their
    off gassing turn out gear and equipment
  o All equipment (marking, lights, sirens, slide outs, etc.) to
    be installed by First Priority Group
  o We will test this vehicle to see how well it performs as
    per our requirements
  o Equipped with a 3.6L V6, most fuel efficient engine
    offered

• (1) 2019 Chevrolet Equinox (small
  SUV)  Total cost $28,077.64 (vehicle
  23,800 + equipment 4,277.64)
  o Replacing a Ford Explorer
  o Used by the Fire Official
  o Responds to fire and emergency incidents at the requests
    of the incident commander
  o Travels to fire inspection locations as needed
  o All equipment (marking, lights, sirens, slide outs, etc.) to
    be installed by First Priority Group
  o Equipped with a 1.5L turbo 4 cylinder
    ▪ Most fuel efficient vehicle we could find which fits
    Fire Prevention daily needs

• (3) 2019 Chevrolet Equinox (small
  SUV)  Total cost $28,077.64 x 3
  (vehicle 23,800 + equipment 1,562.5) = $76,087.50
  o Additional Fire Prevention vehicles needed for additional
    inspectors
  o Used by Fire Inspectors
  o Travel to fire inspection locations to conduct inspections
  o Graphics only
  o No emergency lighting
  o Equipped with a 1.5L turbo 4 cylinder
    ▪ Most fuel efficient vehicle we could find which fits
    Fire Prevention daily needs

NOTE: We researched both electric and hybrid vehicles but could not
identify any that fit our Department's requirements. So we are going
with the most fuel efficient vehicles we can use.

The vehicle and equipment pricing has been reviewed and approved by
Automotive Director Martin Valenti.
I also discussed this with Brain Platt and he was happy to hear we were using Fire Prevention funds.

If you approve this I will forward it to get formal approval from everyone else required.

Thank you.

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the ___________ (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees, and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

ISSUANCE OF CERTIFICATE OF
EMPLOYEE INFORMATION REPORT

Enclosed is your Certificate of Employee Information Report (hereinafter referred to as the "Certificate") and issued based on the Employee Information Report (AA-302) form completed by a representative of your company or firm. Immediately upon receipt, this certificate should be forwarded to the person in your company or firm responsible for ensuring equal employment opportunity and/or overseeing the company or firm's contracts with public agencies. Typically, this person may be your company or firm's Human Resources Manager, Equal Employment Opportunity Officer or Contract Administrator. If you do not know to whom the certificate should be forwarded, kindly forward it to the head of your company or firm. Copies of the certificate should also be distributed to all facilities of your company or firm who engage in bidding on public contracts in New Jersey and who use the same federal identification number and company name. The certificate should be retained in your records until the date it expires. This is very important since a request for a duplicate/replacement certificate will result in a $75.00 fee.

On future successful bids on public contracts, your company or firm must present a photocopy of the certificate to the public agency awarding the contract after notification of the award but prior to execution of a goods and services or professional services contract. Failure to present the certificate within the time limits prescribed may result in the awarded contract being rescinded in accordance with N.J.A.C. 17:27-4.3b.

Please be advised that this certificate has been approved only for the time periods stated on the certificate. As early as ninety (90) days prior to its expiration, the Division will forward a renewal notification. Upon the Division's receipt of a properly completed renewal application and $150.00 application fee, it will issue a renewal certificate. In addition, representatives from the Division may conduct periodic visits and/or request additional information to monitor and evaluate the continued equal employment opportunity compliance of your company or firm. Moreover, the Division may provide your company or firm with technical assistance, as required. Please be sure to notify the Division immediately if your company's federal identification number, name or address changes.

If you have any questions, please call (609) 292-5473 and a representative will be available to assist you.

Endorsement(s) (AA-01 Rev. 11/11)
The Certificate of Employee Information Report (hereinafter referred to as the "State Certificate") issued by this Division is due to expire within the next 90 days. In order for your firm to continue to provide a current State Certificate for public contract awards, you must apply for renewal by properly completing the following renewal documents:

1. The Employee Information Report Form AA-302 for the facility indicated on the "State Certificate" and any additional New Jersey facilities, with a check in the amount of $150.00 payable to "the Treasurer; State of New Jersey" (fee is non-refundable), and

2. The Vendor Activity Summary Report forms, one for each of the four (4) personnel activities noted (new hires, promotions, transfers and terminations etc.) for the previous "State Certificate" period, or

3. If you are operating under a federally approved affirmative action plan, a photocopy of the letter of Federal Approval issued by the US Department of Labor, Office of Federal Contract Compliance Programs, not greater than one year old, may be submitted to the awarding agency in lieu of the State Certificate. Please do not submit an EEO-1 Report as it will not be accepted.

All goods, service and professional service vendors are encouraged to complete and file these renewal documents electronically by accessing the Division’s website at www.state.nj.us/treasury/contract_compliance. This website provides access to the forms in electronic format or on-line internet submission registration via the Internet. Or you may call the Division at (609) 292-5473 and a representative will be available to assist you. Please have your certificate number ready when calling. Your certificate number is noted at the end of your company name on your mailing label.

Upon receipt of the above-referenced documents, the Division will approve or reject your application within sixty (60) days of submission. If your application is approved, the Division will issue a Certificate provided your firm meets the standards of good faith compliance with the Affirmative Action Regulations set forth in N.J.A.C. 17:27-1.1 et seq. Periodic reviews may be conducted and additional information may be requested, as required by the Division. In all instances, however, a copy of the Certificate must be presented to the public agency awarding the contract, prior to the award of the contract.

THIS AGREEMENT is by and between the City of Jersey City, New Jersey, hereinafter referred to as the "City," and Otto J. Hetzel, Esquire, hereinafter referred to as the "Contractor."

This contract, effective March __, 2019, sets forth the terms and conditions of Contractor's engagement for provision of professional legal services in advising the City with respect to issues that have arisen concerning the administration of its community development programs, and especially the actions which should be undertaken to address the matter raised in an Audit Report issued by the Office of Inspector General (OIG) of the United States Department of Housing and Urban Development (HUD) (2016-NY-1007), completed March 30, 2016, regarding the City's administration of its Community Development Block Grant program (CDBG), specifically Audit Finding 1A.

WITNESSETH THAT:

WHEREAS, the City of Jersey City is an Entitlement Community receiving funds over a number of years from HUD's CDBG program, concerning which the HUD OIG has alleged in an audit of the City's CDBG program (2016-NY-1007), completed March 30, 2016, that the City did not properly administer its CDBG program in accordance with HUD rules and requirements; and

WHEREAS, in its audit report the HUD OIG alleged the City inappropriately used nearly $16,206,508 million of its CDBG funds for ineligible activities and that the City should be required by the Director of the HUD Newark, N.J. Office of Community Planning and Development (CPD) to repay certain of these funds, unless adequate support is shown;

WHEREAS, the City is desirous of obtaining professional legal services to review its administration of its CDBG and other community development programs, advise the City in addressing the issues raised by HUD and its OIG, especially regarding the City's allegedly improper use of federal funds, and the actions necessary to respond effectively to the various HUD allegations, including advising the City of its legal position and procedural rights under .
these programs, in order to resolve the HUD allegations; and

WHEREAS, the City has determined to procure the professional legal services of Contractor to provide legal representation concerning the matters in dispute with HUD,

NOW, THEREFORE, the parties to the contract do mutually agree as follows:

A. SCOPE OF SERVICES

2. Contractor will review the relevant existing documentation and correspondence regarding the City’s administration of its HUD CDBG programs, evaluate the matters raised by the HUD OIG and the Newark, N.J. HUD CPD office regarding the audit, and research, assist in preparation of written responses to HUD and advise the City on potential legal and administrative actions the City may take with respect to these matters.

3. Contractor will provide the City with periodic memoranda analyzing the issues relating to the current dispute with HUD and potential actions the City should consider in responding effectively to the matters raised by the HUD OIG audit, and regarding other community development programs of the City, and help ensure the City's future administration of these federal community development funds comply with applicable federal rules and requirements.

4. Contractor will represent the City with respect to the issues raised by Audit Finding 1A, as appropriate, including assistance in preparation of City responses to HUD on the issues raised, as well as advice and assistance in resolving the OIG audit findings and any monitoring or other findings that may arise. Outside Counsel Agreement

This Agreement dated the ___ day of ____________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Hunt, Hamlin & Ridley, Military Park Building, 60 Park Place, 16th Floor, Newark, NJ 07102 ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as Outside Counsel in connection with Kelly Chesler, et al. v. City of Jersey City, et al.

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm’s advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel’s engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public’s confidence if representation by Outside Counsel continued.

Outside Counsel’s acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel’s representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public’s confidence in the integrity and impartiality of its administration. For this reason, in addition to
insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:

(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel's responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel's knowledge of the City's legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. Continuing Obligation.

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel's responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel's advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.
Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.
The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs, the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing, filing, docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT
professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.
Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel’s responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. Adherence to Ethical Standards.

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City’s sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City’s “Pay-to-Play” ordinances and any amendments thereto.

H. Gratuities.

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer’s or employee’s public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.
I. Malpractice Insurance.

Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period, Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $50,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.
Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.

Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. Term.

The term of this agreement is twelve (12) months effective as of February 23, 2019.

C. Invoicing Policy.

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter
involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.

The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. Invoice Format.

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’, ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. Acceptable Fees/Charges.

Overhead charges may not be billed. The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
● Secretarial services (including overtime charges)
● Word processing or proofreading
● Maintenance of a calendar or tickler system
● Investigating potential conflicts
● Preparing budgets
● Library usage (including book purchases or subscriptions) or library staff time
● Office supplies
● Conference room charges

F. Basic legal research may not be billed.

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel’s proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained infra, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. Out-of-pocket costs must be itemized and passed through with no markup.

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel’s invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as ‘miscellaneous,’ billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. Prohibited disbursements.

The City considers certain disbursements to be part of a law firm’s overhead and will not pay such charges. These items include:

● Rent (including temporary office space)
● Westlaw, Lexis and other legal database services
● Cost or usage of computers or mobile devices or internet service charges
• Equipment rental
• Storage charges
• Catering for internal meetings
• Meals (except during business travel, and then limited to $70 per day)
• Mileage for short trips (<30 miles one way)
• Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
• Telephone charges
• Facsimile charges
• Allocated charges from a firm's blanket service agreements with outside vendors

I. **Copying/scanning.**

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm's regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. **Couriers and Overnight Mail.**

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. **Travel Expenses.**

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. **Non-working travel time is not billable without the Corporation Counsel's prior approval.**
L. **Reimbursement of Meals for Overnight Travel.**

The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. **Maintenance of Expense Records.**

To ensure compliance with the City's reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm's invoices.

N. **Personal Expenses Not Reimbursable.**

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days' duration is required), or luggage.

O. **Vendor discounts must be passed through.**

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

**IV. CONFIDENTIALITY**

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel's representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel's control, and certainly when that information is being transported. Under no circumstances shall such confidential
information be transported outside Counsel’s offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 et al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of
termination. Thereafter, this Agreement shall be considered null and void with no further rights or obligations emanating therefrom. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

**VII. GENERAL TERMS**

A. **Governing Law/Jurisdiction.**

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably accept attorney to the jurisdiction of such courts.

B. **Counterparts Clause.**

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties’ authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

APPENDIX A

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ___________________________ (hereafter “owner”) do hereby agree that the provisions of Title I of the Americans With Disabilities Act of 1990 (the “Act”) (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any line, benefit or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, loss, demands, or damages, of whatever kind or nature, arising out of or arising out of the alleged violation. The contractor shall, at its own expense, defend, and pay any and all charges, legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner’s grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forward to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Date  3/8/19
Outside Counsel Agreement

This Agreement dated the __ day of __________, 2019 between the City of Jersey City, a municipal corporation, with offices at 280 Grove Street, Jersey City, New Jersey 07302 ("City") and, Rainone Coughlin Minchello, LLC, 555 U.S. Highway One South, Suite 440, Iselin, NJ ("Special Counsel"). The Corporation Counsel of the City of Jersey City has selected Special Counsel to serve as an arbitrator in connection with an arbitration;

In consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

I. CONFLICTS OF INTEREST

A. Initial Conflicts Check.

Outside Counsel must be sensitive both to direct conflicts of interest that representation of the City and other clients poses, and to the less direct, but nevertheless serious, conflicts that may arise from the same firm's advocacy, on behalf of other clients, of positions conflicting with important City interests. Prior to Outside Counsel's engagement, Outside Counsel shall carefully review whether any conflicts of either type exist and, if so, bring those conflicts to the attention of the Corporation Counsel. The City shall be promptly informed of and consulted with respect to all potential conflicts. Although issue conflicts may not necessarily result in a disqualification of Outside Counsel, the City shall be consulted before Outside Counsel accepts an engagement that will require the firm to advocate a position that may be adverse to a City legal interest or otherwise prejudicial to the interests of the City. The City in its sole discretion shall, after consultation with Outside Counsel, determine whether an impermissible conflict exists, or whether other circumstances exist that would undermine the public's confidence if representation by Outside Counsel continued.

Outside Counsel's acceptance of an engagement on a matter without written disclosure of any conflicts constitutes Outside Counsel's representation that it has conducted an appropriate conflict check and no conflict exists.

B. City Conflicts.

The City has a duty to protect the public interest. As part of this responsibility, the City sets policies to ensure that the legal system operates in a manner that safeguards the public's confidence in the integrity and impartiality of its administration. For this reason, in addition to insisting that its attorneys follow the Rules of Professional Conduct, the City prohibits Outside Counsel that represent the City, while such matter is pending, from:
(1) Representing private parties before the City or any of its boards, proceedings, commissions or autonomous agencies in adversarial, transactional or non-adversarial proceedings. Outside Counsel also may not, on behalf of a private client, lobby the City or any City department.

(2) Representing private parties in any matter in which the City also is a party, if the private party has interests adverse to the City.

(3) Representing a private client with interests adverse to the City.

(4) Representing another client if that representation would present a substantial risk that Outside Counsel’s responsibilities to the City would limit its ability to provide independent advice or diligent and competent representation either to the City or the other client.

(5) Representing another client where the Outside Counsel’s knowledge of the City’s legal positions or strategy, derived from its representation or prospective representation of the City, could be used to the advantage of the other client or the disadvantage of the City.

C. **Continuing Obligation.**

The obligation to disclose conflicts continues throughout the course of the representation. Outside Counsel must review conflicts of interest on an ongoing basis as new matters are opened. Any new attorney/client relationships that potentially create a conflict shall be reported to the Corporation Counsel immediately.

D. **Attorney-Client Privilege Group/No Representation of Other Persons/Entities Absent Approval.**

Outside attorneys engaged to represent the City (as opposed to a named person) shall consider themselves to have formed an attorney-client relationship only with the City, and not any of its individual employees. When speaking with current or former employees of the City, Outside Counsel shall, as appropriate, advise those employees that although their dialogue will be considered attorney-client communications to the fullest possible extent, counsel’s responsibility is to the City and they do not represent those employees in their individual capacities. As a matter proceeds, if employees of the City will be examined under oath or interviewed in other adverse contexts, and if Outside Counsel believe it advisable for them to represent the employees in their individual capacities at such events, Outside Counsel must obtain the Corporation Counsel’s advance consent before agreeing to represent such persons in their individual capacities. The Corporation Counsel, in consultation with other City personnel, will determine if it is appropriate for the individual to receive representation and, if so, by whom.
Outside Counsel who are engaged to represent both an entity and employees of that entity simultaneously shall take all necessary steps to ensure the continuing absence of conflicts, and to preserve their ability to continue representing the entity in the event that conflicts develop between the entity and individual clients.

II. WORKING RELATIONSHIP

A. Identification of Objectives/Relationship Attorney.

The Corporation Counsel or his designee will be Outside Counsel’s principal and regular point of contact for financial and strategic decisions. Only the Corporation Counsel or his designee has authority to direct Outside Counsel in the handling of the matter. If a City employee other than the Corporation Counsel or his designee asks Outside Counsel to proceed in a certain fashion or to perform certain activities with respect to a specific legal matter, Outside Counsel shall report the request to the Corporation Counsel and obtain direction prior to proceeding.

Outside counsel shall designate an Attorney to be the Corporation Counsel’s principal contact. In all matters, the City remains ultimately responsible for making all substantive decisions and determining the costs and benefits of contemplated legal activity. In many matters, City attorneys will act as full co-counsel and be engaged with Outside Counsel in the day-to-day conduct of the case. In matters where Outside Counsel is handling that day-to-day conduct without City personnel as co-counsel, the City shall be consulted on a regular basis throughout the course of Outside Counsel’s engagement and to be kept fully informed of the current status and proposed course of the matters assigned to Outside Counsel’s firm. All strategic, tactical, staffing (including any proposed staffing changes) and significant resource allocation decisions about City legal matters must be made in collaboration with the Corporation Counsel.

B. Early Case Assessment/Cost Assessment.

Each complex matter is to be thoroughly evaluated at its outset. The same applies to actions in which the City is the plaintiff, except that the analysis will be performed before the case is filed. In any matter, Outside Counsel shall provide an early case assessment that includes analysis of (1) likely costs to the City from the process, (2) possible outcomes, indicating the likelihood of each, and (3) strategy and tactics for termination or resolution. The format of the early case assessment may vary from a formal written document to a verbal briefing or a combination of a written budget with a verbal briefing on other aspects of the case.

Please note that time spent preparing a budget is not billable, but counsel may bill for time spent preparing an early case assessment or a recommended discovery plan.

The City places significant reliance on cost estimates and Outside Counsel shall prepare them with care. Although the City understands that unanticipated events may have an impact on costs,
the City shall be consulted promptly if Outside Counsel believes that the most recent cost estimate provided is no longer accurate. Should total fees or costs exceed the agreed budget, or should fees or costs for a phase of the case exceed the agreed estimate for that phase, without adequate explanation in advance that the increased expense will be necessary, the City may require that an increased discount be applied to unanticipated fees or costs and reserves the right not to pay Outside Counsel for any amounts incurred or expended in excess of the approved budget or estimate.

For bond matters and other transactional engagements, counsel may be expected to provide a fee cap for the transaction, approved by the City, prior to commencing work. Only where a transaction materially changes in scope will the City consider revisions to an agreed fee cap. No payments above the agreed fee cap shall be made unless and until a revised fee cap has been approved in writing by the Director of the City or his/her designee.

C. Staffing.

Unless otherwise agreed, the senior attorney retained shall be directly and ultimately responsible for the entire assignment. The day-to-day involvement of that senior attorney, however, shall be appropriate to the magnitude of the matter and the efficiency required for a timely, cost effective, quality work product. When a senior attorney can handle an assignment most efficiently (based on skill and experience), that senior attorney shall complete the assignment.

The City shall be billed for only one attorney to attend events such as depositions, witness meetings, settlement conferences, negotiations and meetings with other parties' counsel. The City recognizes that in more complex matters and those with multiple work-streams, it may occasionally be appropriate for multiple attorneys to attend significant events and for members of the team to consult with each other. The City insists, however, that no more than the minimum number of attorneys necessary to an event attend, that billable internal conferences and charges for drafting and reading internal email correspondence occur only when absolutely required, and that the Corporation Counsel be regularly informed both of the number of attorneys who will attend significant events and the reason for the attendance of each billing timekeeper.

The City believes that it is most efficient for a single attorney or group of attorneys to handle a matter from beginning to end and Outside Counsel shall strive for such continuity. The City will not pay for learning time that may result from staffing changes at Outside Counsel's firm. In addition, the City will not reimburse Outside Counsel for any routine training or supervisory time, including time spent at seminars, unless specifically approved in advance and included as part of the budget. The City will not ordinarily pay for summer associate time unless such time has been identified as part of the approved staffing plan for appropriate work. The City will not pay for time submitted by librarians; secretaries; billing; filing; docketing or document clerks; internal messengers/couriers; temporary or clerical support staff; word processors; and IT professionals other than electronic discovery specialists serving a function similar to that of paralegals/case managers. The City also will not pay for time billed by attorneys or paralegals to
perform tasks (filing, indexing, etc.) that could and should have been handled by support personnel.

D. Settlement.

Outside Counsel shall have no settlement authority unless and until such authority is explicitly conferred on them by the Corporation Counsel. If Outside Counsel believes that settlement should be pursued, Outside Counsel must seek instructions in this regard from the Corporation Counsel, and not pursue formal or informal settlement discussions without the Corporation Counsel’s approval. Outside Counsel shall immediately inform the Corporation Counsel of any settlement proposal or overture, formal or informal, by the opposing party or counsel. Please note that under no circumstances can the City agree to designate a settlement agreement as confidential. All City settlement records are, by definition, public documents.

E. Media Relations/Law Firm Advertising.

The City does not authorize outside counsel or vendors to comment publicly in any manner on any aspect of the City’s legal matters. All media inquiries relating to the City shall be referred promptly to the Corporation Counsel and discussed with the Corporation Counsel before responding to the media contact in any manner. This includes even “no comment” or other non-substantive responses. If time is of the essence and Outside Counsel cannot reach the Corporation Counsel, the Press Secretary in the Office of the Mayor shall be contacted.

The City does not permit Outside Counsel to advertise or promote their relationship with the City, other than by listing the City as a representative client.

F. Engagement of E-Discovery and Other Vendors, Including Experts.

Before engaging any vendor, including electronic discovery firms and experts, lobbyists or other consultants (in each case, a “vendor”), Outside Counsel must pre-clear that engagement with the Corporation Counsel, unless the Corporation Counsel has explicitly granted exceptions to this preclearance requirement. The City will not be responsible for vendor fees or costs unless that vendor’s engagement was pre-approved by the City. The City may require Outside Counsel to engage vendors with which the City has master contracts or preferred pricing arrangements, and always will insist on engagement of the lowest-cost vendor qualified to handle a task (understanding that complex tasks may require vendors with specialized expertise).

Outside Counsel will pay all third-party service providers directly and will bill the City for those services’ detailed disbursements included in monthly invoices. This City will not accept separate invoices from service providers directly to the City for payment.

Outside Counsel has the responsibility to ensure that there are no conflicts between any vendor and the City. In addition, all vendors must execute the confidentiality agreement attached as
Appendix A. The fee and disbursement policies as outlined in this Agreement shall be made available to, and followed by vendors. It is Outside Counsel's responsibility to confirm that all third party billings comply with this Agreement.

Vendor payment arrangements shall be discussed in advance with the Corporation Counsel. In general, Outside Counsel shall contract with vendors themselves and pay the third party invoices directly, incorporating those invoices into their own bills to the City and including appropriate detail for reasonable review by City personnel. The City may request Outside Counsel to provide full copies of vendor invoices; Outside Counsel therefore shall retain those invoices in accordance with IRS guidelines. The Corporation Counsel may approve other payment arrangements, including (in rare cases) direct contracting with and payment by the City.

When engaging court reporting services, Outside Counsel shall request only one transcript (electronic or hard copy). The City will not reimburse charges for additional transcripts.

G. **Adherence to Ethical Standards.**

The City conducts itself in accordance with the highest ethical standards and expects the same of its Outside Counsel. No City employee ever has authority to instruct Outside Counsel to act in an unethical manner. If Outside Counsel believes that a City employee has engaged or will engage in illegal or unethical activity, Outside Counsel must immediately advise the Corporation Counsel. The City will terminate its relationship with any Outside Counsel who, in the City's sole discretion, fails to adhere to the foregoing ethical standards.

At all times, Outside Counsel will remain aware of and in compliance with each of the City's "Pay-to-Play" ordinances and any amendments thereto.

H. **Gratuities.**

City officers and employees are prohibited from accepting any gift, favor, service or other thing of value related in any way to the City officer's or employee's public duties. In addition, any vendor to the City is prohibited from offering a gift or other thing of value to a City officer or employee with which the vendor transacts business or offers to transact business. Any City officer or employee is prohibited from soliciting a gift or thing of value from a City vendor. This includes charitable donations made in the name of a City employee.

The City reserves the right to amend this Agreement from time to time, providing written notification to Outside Counsel within thirty (30) days of the effective date of any substantive changes. Failure to accept amendments may result in the termination of services from the City.

I. **Malpractice Insurance.**
Outside Counsel representing the City shall maintain malpractice insurance coverage that is reasonable and prudent in relation to the types and sizes of matters handled. Outside Counsel shall, upon request, promptly provide the Corporation Counsel with copies of any applicable policies required under this section, and/or a certificate of insurance. Each policy provided must be certified by the agent or underwriter to be a true copy. If Outside Counsel does not have coverage or if coverage is cancelled and not immediately replaced with comparable coverage, Outside Counsel must immediately report this to the Corporation Counsel.

J. File Retention.

For Litigated Matters: Outside Counsel shall retain pleadings, correspondence, discovery materials, deposition transcripts and similar documents and work product for a period of no less than seven (7) years from the date the matter is concluded or for the time period specified by rule or law in the jurisdiction in which the matter was pending, whichever is longer. Beyond this period; Outside Counsel shall notify the City in writing no less than sixty (60) days prior to destroying any file. Along with the written notification, Outside Counsel shall submit an inventory of any original City documents contained in the file to be destroyed and a representation that any electronic version of the file will also be destroyed or deleted.

For Bond and Other Transactions, and Advice Matters: Documents shall be retained in accordance with the same policies applicable to litigated matters unless applicable law mandates any longer retention schedule. However, bond counsel and transactional/advice counsel shall retain all transcripts of transactions and memoranda of advice indefinitely unless otherwise directed by the Corporation Counsel.

III. Billing

A. Rates.

Outside Counsel shall be compensated at the rate of $150.00 per hour, including expenses. The total amount of this agreement shall not exceed $25,000.00.

The City will pay for actual services rendered at rates established in Requests for Qualifications or otherwise agreed to in advance. At the time of Outside Counsel’s initial engagement, Outside Counsel shall furnish the Corporation Counsel with a schedule of billing rates for partners, associates and all other timekeepers expected to bill time against the matter for review and approval prior to billing time to the City. Because of City procurement rules, the rates applicable at the inception of each specific matter must remain in effect for the duration of that matter.

Hourly rates shall include all overhead costs (see Acceptable Fees/Charges, below), none of which shall be included in disbursements.
Time must be billed in 0.1 hour increments and on a per-task basis. The time entry description must be specific, detailing the action taken and the subject matter. Absent prior consent, the City will not pay for more than ten (10) hours of time by a single timekeeper in a single day, but the Corporation Counsel may increase that number of permissible hours in matters of special urgency or where cases are in or approaching trial.

Outside Counsel shall bear in mind that invoices may be disclosed pursuant to the City’s open records laws and that courts may not sustain assertions of privilege by the City. Although the City will endeavor to redact privileged information before releasing bills for public consumption, Outside Counsel shall, to the extent practicable and consistent with the need to fully inform the City of its activities and to allow the City to evaluate the reasonableness of billing narratives, avoid the inclusion of privileged matter in invoices.

B. **Term.**

The term of this agreement is twelve (12) months effective as of January 22, 2019.

C. **Invoicing Policy.**

All invoices must be submitted to the Corporation Counsel.

For litigation, advice, and non-bond transactional matters, Outside Counsel generally are expected to submit monthly invoices within thirty days of the conclusion of the billing period, absent the City’s prior consent to a longer delay. All charges must reflect the work performed within the billing period or a reasonable time before the billing period. Absent good cause, as defined by the City, the City will not pay for services or expenses incurred more than 90 days prior to the date the invoice is submitted. For bond matters, Outside Counsel are expected to submit their invoice within thirty days of the conclusion of the transaction.

Absent a specific agreement to an alternative fee arrangement, Outside Counsel fees shall be computed by applying the negotiated hourly rate to the time for the services expended. Hours shown must accurately reflect the time spent on the described activity and must either be the exact amount of time or the exact time rounded down to the nearest one-tenth of an hour. Block billing—grouping multiple activities under a single time charge—will not be accepted, and the City will not pay for any time recorded in a block fashion unless this requirement is waived by the Director of the City of Law or his or her designee.

Every bill from Outside Counsel is deemed to be a certification by the firm and billing partner that all legal services and disbursements reflected on the bill are reasonable for the legal matter involved and necessary for the proper provision of legal services to the City. The City may deduct certain fees and charges that are inconsistent with this Agreement.
The City reserves the right to audit all fee and disbursement details that Outside Counsel submit, as well as the corresponding legal file. The City will promptly terminate the services of any Outside Counsel whose billing practices raise questions about the Outside Counsel’s integrity, honesty or compliance with the applicable rules of professional conduct or this Agreement.

D. **Invoice Format.**

Each invoice will include the following minimum requirements:

- Unique invoice number
- Invoice date
- Matter name
- Outside Counsel’s matter number
- Date(s) services were performed
- Timekeeper name or ID
- Timekeeper title or level
- A narrative description of the services provided or tasks performed for each specific task. The description shall clearly state the nature of the task performed sufficient to allow the City to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable. Examples of incomplete or vague charges include, but are not limited to: ‘analysis’, ‘review file’, ‘conference’, ‘attention to matter’, ‘worked on discovery’, ‘work on file’, ‘prepare for meeting’, ‘misc.’, and ‘other’
- Time entry to the nearest tenth (.10) of an hour
- Timekeeper rate
- Charge total
- Detail of reimbursable expenses and disbursements at actual cost

The detailed billing report from Outside Counsel’s system will provide this information. If Outside Counsel provides services on more than one matter during a billing period, a separate invoice for each matter is required.

E. **Acceptable Fees/Charges.**

**Overhead charges may not be billed.** The City will not reimburse Outside Counsel for basic support services, which the City deems to be part of Outside Counsel’s overhead and built into its rates. The City will not pay for any of the following items under any circumstances:

- Billing inquiries
- Opening and closing files
- Internal filing
- Secretarial services (including overtime charges)
- Word processing or proofreading
- Maintenance of a calendar or tickler system
E. **Basic legal research may not be billed.**

Outside Counsel shall be familiar with the basic substantive law at issue in the matter for which the firm was retained, and the City shall not be charged for this type of research. If legal research benefits other clients, only the proportionate share of that cost shall be billed to the City. The City shall also benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist, will pay only for actual time spent updating or tailoring the same. All other anticipated legal research shall be addressed in Outside Counsel's proposed budget. Legal research projects necessary in a particular litigation assignment must be approved in advance by the Corporation Counsel before the research is commenced.

The City will pay only for the actual time spent by Outside Counsel or other approved timekeeper conducting the research. As explained *infra*, fees charged by electronic or other research services, including library fees, Westlaw, Lexis and other online services are considered general overhead and are not reimbursable.

G. **Out-of-pocket costs must be itemized and passed through with no markup.**

The City will reimburse Outside Counsel for reasonable, documented and itemized out-of-pocket disbursements and costs incurred on behalf of the City, with the exceptions and limitations set forth in this Agreement. Outside Counsel's invoices to the City shall reflect the actual cost and shall not include any markup. All disbursements must be fully itemized with a description sufficient for review, identifying the number of units, price per unit and total cost. The City may refuse to pay for disbursements billed as 'miscellaneous,' billed in a group (e.g., Travel Expenses - $4,000.00) or disbursements without descriptions.

H. **Prohibited disbursements.**

The City considers certain disbursements to be part of a law firm's overhead and will not pay such charges. These items include:

- Rent (including temporary office space)
- Westlaw, Lexis and other legal database services
- Cost or usage of computers or mobile devices or internet service charges
- Equipment rental
- Storage charges
- Catering for internal meetings
Meals (except during business travel, and then limited to $70 per day)
Mileage for short trips (<30 miles one way)
Travel costs exceeding discounted, non-refundable coach fares except where excess costs have been approved in advance
Telephone charges
Facsimile charges
Allocated charges from a firm’s blanket service agreements with outside vendors

I. Copying/scanning.

Copying charges may be billed to the City at the lesser of the most favorable rate applied by Outside Counsel or five cents per page. The City will reimburse for document scanning at Outside Counsel firm’s regular rate, up to a maximum of five cents per page, for document productions, but the City will not pay time charges associated with scanning, and there shall be no charges associated with the scanning and filing of court papers and correspondence. Every effort shall be made to minimize scanning expenses by working with documents in electronic format whenever possible.

J. Couriers and Overnight Mail.

The City will reimburse for actual charges billed to Outside Counsel for deliveries (including overnight express) that are necessary in the interest of speed and reliability. Outside Counsel shall use the lowest cost service consistent with need and reliability, and to arrange schedules, whenever practicable, to avoid the need for premium-priced couriers. Outside Counsel shall use less expensive means, such as email (encrypted, when necessary) or regular mail where it is practical to do so.

K. Travel Expenses.

All air and rail travel must be first approved by the Corporation Counsel, ideally as part of the case budget. Outside Counsel shall use good judgment in selecting hotels and restaurants and incurring expenses for which the taxpayers are to be charged. Outside Counsel shall use alternatives to travel such as conference calls or videoconferences whenever practicable. If the travel involves another client, the City may be billed only for its proportionate share of both time and related expenses. Non-working travel time is not billable without the Corporation Counsel’s prior approval.

L. Reimbursement of Meals for Overnight Travel.
The City will reimburse for meals consumed while traveling overnight on City business, but limited (absent prior approval) to no more than seventy dollars ($70) per person, per day. Under no circumstances will the City reimburse costs for alcoholic beverages.

M. Maintenance of Expense Records.

To ensure compliance with the City's reimbursement policies, Outside Counsel shall require itemization of out-of-pocket expenses such as airline tickets, meals and hotel bills before making reimbursement to any attorney, employee or third party, and maintain original receipts. Travel and meal expenses and receipts may be audited and shall be retained by Outside Counsel in accordance with applicable IRS guidelines. Unless requested to do so by the City, Outside Counsel shall not forward copies of travel and meal expense receipts to the City with the firm's invoices.

N. Personal Expenses Not Reimbursable.

Please take care to distinguish between personal expenses and properly chargeable business expenses. The City will not reimburse for, among other things, recreation fees, salon or spa charges, pay-per-view movies or other personal entertainment charges, airline baggage charges, travel agency expenses, shoe shines, toiletries, dry cleaning or laundry (except in the unlikely event travel of more than seven days' duration is required), or luggage.

O. Vendor discounts must be passed through.

If Outside Counsel receives a discount or rebate from a vendor based on the aggregate level of business with that vendor, such discount shall be disclosed and the City shall receive the benefit on a proportionate basis. This does not include frequent-flyer miles or similar perquisites allocated to individual travelers.

IV. CONFIDENTIALITY

In the course of representing the City, Outside Counsel will frequently gain access to nonpublic and confidential information. The City requires Outside Counsel to maintain the confidentiality of such information both during and after the course of Outside Counsel's representation of the City. Outside Counsel must have in place appropriate procedures to ensure the protection of all such information. In the event the representation requires Outside Counsel to become privy to protected personally-identifiable information about any person, such as health or financial records, Social Security numbers or other such information, then this information must be handled with the utmost care both within facilities in Outside Counsel's control, and certainly when that information is being transported. Under no circumstances shall such confidential information be transported outside Counsel's offices—either physically or over the public internet—unless the information is appropriately encrypted. In the event information is
compromised or potentially compromised, Outside Counsel must notify the City immediately.

Outside Counsel must follow all statutory, regulatory, and ethical provisions relating to privacy, confidentiality and nondisclosure of all privileged, proprietary and confidential information. Outside Counsel must take appropriate measures to ensure that all legal and non-legal personnel are familiar with this requirement and are effectively supervised in this regard.

Vendors to whom Outside Counsel gives access to confidential or proprietary material of the City (including work product) must sign the confidentiality agreement attached as Appendix A. It is the responsibility of Outside Counsel to obtain a signed confidentiality agreement from each vendor and to retain those agreements.

This Confidentiality Section and the corresponding Confidentiality Agreement attached as Appendix A, is above and beyond any relationships or privileges held or created separate and apart from this Agreement.

V. NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS

Outside Counsel shall provide written notice to its subcontractors of the responsibility to submit proof of business registration to the contractor.

Before final payment on the contract is made by the contracting agency, the contractor shall submit an accurate list and the proof of business registration of each subcontractor or supplier used in the fulfillment of the contract, or shall attest that no subcontractors were used.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.

A business organization that fails to provide a copy of a business registration as required pursuant to section 1 of P.L.2001, c.134 (C.52:32-44 el al.) or subsection e. or f. of section 92 of P.L.1977, c.110 (C.5:12-92), or that provides false business registration information under the requirements of either of those sections, shall be liable for a penalty of $25 for each day of violation, not to exceed $50,000 for each business registration copy not properly provided under a contract with a contracting agency.

VI. TERMINATION

The City reserves the right to terminate the within Agreement at any time for any reason whatsoever, in which event Outside Counsel shall be paid for services due up to the date of termination. Thereafter, this Agreement shall be considered null and void with no further rights.
or obligations emanating there from. Unless sooner terminated or renewed, this contract shall be for a term of one (1) year commencing on the date the contract is executed by City officials.

VII. GENERAL TERMS

A. Governing Law/Jurisdiction.

This Agreement will be interpreted in accordance with, and governed by, the laws of the State of New Jersey. The courts of the State of New Jersey will have exclusive jurisdiction and the parties irrevocably attorney to the jurisdiction of such courts.

B. Counterparts Clause.

This Agreement may be executed by e-mail in counterparts all of which will be deemed originals and legally binding once delivered to each of the other parties’ authorized e-mail addresses and such delivery is acknowledged by reply e-mail. Although not necessary to legally bind the parties, each party agrees to promptly circulate signed originals in sufficient number to the other parties for record-keeping purposes after completing the e-mail execution and delivery. All counterparts when executed and delivered (by e-mail or in paper form) will be construed together to be an original and will constitute one and the same agreement.

By accepting an engagement by the City, law firms will be deemed to have familiarized themselves with this agreement and to have agreed to adhere to it in all respects, now and as they may be amended from time to time upon written notice and acceptance. This acceptance is a matter both of contract and professional responsibility.

APPENDIX A
AMERICANS WITH DISABILITIES ACT OF 1990

The contractor and the __________________________ (hereafter "owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. § 12132 of any, which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. **Future developments.** The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Mr. Brian Platt  
Business Administrator  
City of Jersey City  
280 Grove Street  
Jersey City, NJ 07302

Dear Mr. Platt:

Subject: Letter of Agreement: Jersey City Free Public Library

We appreciate your asking NESC to submit a proposal for the identification and selection of an Executive Director for the Jersey City Free Public Library. It will be NESC's responsibility to present candidates to you for your review and final decision. After you approve the Letter of Agreement, we will submit a draft Position Specification for your review.

Professional Retainer

NESC's retained fee ("fee") is 20 percent of the first year's projected total salary/bonus compensation of each candidate employed, as described in a letter of employment or by the approved position specification. Projected total salary/bonus compensation includes base salary, target and sign-on bonuses and other incentive compensation, as applicable. NESC's minimum fee is $20,000.

For the Library Director search, our fee will be based on the minimum of the salary range or $130,000. The salary range is $130,000 to $150,000. The fee of $26,000 will be billed in three increments. The first payment of $8,667 will be due on the start date of the engagement, the second payment of $8,667 30 days following the start date, and the third payment of $8,666 60 days following the start date.

When this assignment is completed and the first year's compensation is determined, we will reconcile our fee and send an invoice if the projected salary/bonus totals compensation exceeds our initial estimate.

Expenses

We are reimbursed for direct expenses. These expenses are invoiced each month during the engagement. Direct expenses are the direct costs of travel, meals, and hotel etc., associated with the interviewing and selection process and with visits to the client location. Each month during the course of the project, an invoice will be submitted to the client for reimbursement of these expenses.

Terms of Payment:

The fee and expenses are for professional services rendered to Jersey City Free Public Library, Inc. Payment of NESC's fee and expenses is not contingent upon the hiring of one of our candidates. All invoices are due and payable upon presentation.

If this project is cancelled within the first 30 days, we will charge one-third of our initial fee, plus expenses. If this project is cancelled between the first 30-90 days, we will charge only for the pro-rata portion of the fee, plus expenses up to the date the notice of cancellation is received. If it should become necessary to cancel the search after the initial 90 days period or if the candidate is employed at less than the estimated annual salary/bonus total compensation, the full fee will be considered earned by NESC.
 Guarantee Policy

Our guarantee period will be six months or one hundred and eighty (180) days from the date that the executive
starts employment. In the rare instance that the person that we assisted you in hiring fails for performance
reasons (i.e., for reasons not attributable to the employer) or the person terminates employment on their own
during that period, we will perform a replacement search at no additional fee except for our out of pocket
expenses. This guarantee is conditional upon the candidate’s tenure having been less than one hundred and
eighty (180) days and Jersey City Free Public Library having paid the placement fee.

Search Assignment Responsibilities

The executive search team will be comprised of Paul Barrett, and Sugandhi Tanwar. I will be responsible for
conducting this important search. Therefore, I will be the primary point of contact for the assignment and will have
full responsibility for the successful completion of the search. My mobile is 732-995-6973.

Marv Berenblum, Chairman and CEO, will provide oversight for the project. In this role, he will ensure that all
facets of the assignment are completed effectively and will serve as the backup point of contact. Marv’s
telephone number is 212 269-1234.

Sugandhi Tanwar will be responsible for providing support including candidate research, scheduling and report
preparation. She can be reached at 646-452-7231.

Acknowledgement

Please indicate your acceptance of the terms and conditions set forth by signing and returning this letter to my
attention. Work will initiate immediately upon receipt of this signed letter.

We look forward to working with you and your search committee.

Sincerely,

Paul

Paul S. Barrett
Senior Vice President

Ms. Sonja Araujo  
Secretary, Mayors Alternate  
Board of Trustees  
Jersey City Free Public Library  
472 Jersey Avenue, Jersey City, NJ. 07302

Subject: Executive Director Search

Dear Sonja,

Thank you for submitting the National Executive Service Corps [NESC] credentials to the Board of Trustees.

The attached provides you with an overview of NESC’s Executive Search Practice and a draft of our standard Letter of Agreement. The latter includes all of the terms and conditions for conducting the Executive Search for the new Executive Director for the Jersey City Free Public Library.

The National Executive Service Corps [NESC] is a 501(c)(3). We have been serving the Nonprofit Community for over 41 years. Our mission is to strengthen the management of Nonprofit Organizations by providing high levels of proven expertise at affordable costs. We have served over 2,000 organizations, who in turn serve hundreds of thousands of individuals and hundreds of communities throughout the Tri-State Area and the country. We perform about 100 consultancies a year and donate the equivalent of +/- $1.8 Million in man hours per year.

NESC Executive Search delivers an advantageous value-added to Nonprofit Organizations. Marv Berenblum, NESC’s former Chairman and CEO, globally benchmarked the Executive Search processes while he was a Managing Partner for the New York, Wall Street, and Greenwich offices of Heidrick and Struggles. Consequently, NESC’s Executive Search practice is comparable to the world’s leading search firms.

We have a successful track record in the sourcing and placing high performance executives. Most have been faced with very challenging issues; and they have led their organizations to the next level.

Our Executive Search team delivers high performance based on years of in-depth expertise. Marv Berenblum will provide overall oversight. I have had over 35 years of building outstanding teams in both the For Profit and Nonprofit sectors; and I will conduct the search. Importantly, we have domain search expertise in your and similar regulated Nonprofit space. Sugandhi Tanwar and Sharon Reis will provide administrative support.
Our fees are very affordable because they are subsidized by donations. Our fee is 20% of the first year's cash compensation. It provides a substantial cost savings vis a vis most other search firms. In addition, we do not charge for Indirect Costs.

We are all very excited about working with you and for the Jersey City Free Public Library on this most important assignment. I look forward to meeting the other members of the search committee.

Best Regards,

Paul

Our search practice is national in scope. NESC follows a rigorous process in its Executive Search Strategy that is outlined below.

Executive Search Strategy

Initial Research Phase and Candidate Development

- Develop Position Specification encompassing desired criteria—this is a working document that should reflect the experience and competencies required for the position and should include ideal experience and background of potential candidates.

- Develop target company list—this step encompasses extensive research on the target companies. This is a list of companies where the candidate may have been associated or employed. It may also include companies that are a competitor or that have outstanding reputations in terms of product, leadership or management. This can be the most time consuming part of the search project.

- Research, identify, and contact sources and candidates—this step encompasses networking with potential candidates and sources to identify, contact, and evaluate possible candidates. The focus of these contacts is to identify outstanding prospects who have been endorsed by multiple sources and who have been identified as exceptional executives through this process of triangulation.

- Develop long list of preliminary candidates including individual Candidate Profiles - the long list will include those candidates who have been contacted regarding their availability, level of interest, and appropriateness for the position.

- Develop matrix to comparatively evaluate candidate pool - the matrix will summarize the relative personal strengths, characteristics, and experience of the identified candidates.

- Discuss and rank candidates on long list—this is a collaborative effort with the client to select the candidates best suited to the position.
Interview Process

- Candidates who have expressed preliminary interest and who appear to be qualified based on the initial conversations and valuation of experience exhibited in the resume will be interviewed in depth by NESC.
- Candidates vetted by NESC will be scheduled for interviews with client.
- Final list of candidates will be selected by the client and will be determined based on results of endorsements, interviews, relevant experience, and cultural fit.
- Throughout the interview process, NESC will work collaboratively with the client to ensure a timely and successful conclusion to the search.
- NESC will assist and advise in compensation negotiations with the candidate and the client.

Reference Checks

- Reference checks will be conducted by NESC prior to final offer and will focus on particular areas relevant to the position.
- Reference checks will include peers, subordinates, and superiors.

Fee Structure

Professional Retainer

Our retained fee ("fee") is 20 percent of the first year's projected total salary/bonus compensation of each candidate employed, as described in a letter of employment or by the approved position specification. Projected total salary/bonus compensation includes base salary, target and sign-on bonuses and other incentive compensation. We are reimbursed for only direct expenses. The fee and expenses are for professional services rendered and are not contingent upon the hiring of one of our candidates.

National Executive Service Corps
WELCOME TO NESC
THE NATIONAL EXECUTIVE SERVICE CORPS

We provide top-quality professional services to support nonprofit clients in the New York–Connecticut–New Jersey tri-state region. We know that the diverse collective contribution of the nonprofit community is critically important to the well-being of our society today, and that it is rapidly growing even more important. We are committed to doing all that we can to enhance the effectiveness of our nonprofit clients.

Most nonprofit organizations, tightly focused and determined to deliver needed services to their constituencies, find that they have precious little time left to deal with their own managerial and operational challenges. Inefficiencies can creep in; opportunities can slip away; simmering problems can go unaddressed until they become unavoidable.

NESC helps nonprofits to deal effectively with their challenges and to exploit their opportunities.

NESC's nearly 250 Consultants, all experienced senior executives and professionals, routinely bring the benefits of business planning and operations management to the nonprofit world. In the past three decades, more than 2,000 New York, New Jersey and Connecticut nonprofits have benefited from NESC's services.

NESC is itself a 501(c)3 nonprofit organization. We understand the nonprofit world – its unique strengths, its unique frustrations, and its unique opportunities...especially the opportunities that nonprofits often have for invaluable contributions to their communities.

Since our establishment in 1977, we have been assembling senior-level consultant teams to deliver high-quality, affordable professional services and solutions to nonprofit organizations. Our clients have included mega-organizations like Lincoln Center for the Performing Arts, and smaller neighborhood organizations like To Make the World a Better Place and The Jacques Marchais Museum of Tibetan Art. And the range of clients we serve is remarkable, from healthcare, arts, cultural and social services organizations to educational, governmental, environmental, child advocacy, and religious organizations.

Please read on to learn more about how we work, what we have done, and how we might be able to help you and your organization to be even more effective in serving your constituents and your communities.

**THE MISSION OF THE IMMACULATE VIRGIN, STATEN ISLAND**

The Challenge
The Mission of the Immaculate Virgin (MIV) is a highly reputable and significant community resource in providing a wide range of social services. The organization's apparel and design business plays a productive role in employing members of the community. When MIV decided to expand the development of their venture, they turned to NESC for assistance.

Through Possibilities, MIV was creative design and production techniques to manufacture sports apparel for organizations and individuals. Utilizing the methodology developed as part of NESC's Social Enterprise Program, a team of NESC consultants conducted an extensive review of the Possibilities operation using analytical tools and appropriate business metrics.

**THE NESC SOLUTION**

The review resulted in the creation of a formal Business Plan that focuses on all aspects of the Possibilities operation, including finance, budgeting, production planning, operations, sales, and marketing. Through the implementation of this Business Plan, the Possibilities operation is already achieving rapid growth with the goal of maintaining self-sustainability in the future.
Our Consultants have made NESC unique from the very beginning.

The vision of recruiting and deploying seasoned executives, managers, entrepreneurs and other accomplished professionals to help nonprofit organizations led to NESC's establishment in 1977. And that vision drives NESC today.

There is no typical NESC Consultant. Generally, though, our 250 consultants have been executives and managers—from CEOs of large and small organizations, to all levels of management in such businesses as banking, real estate, consumer products, merchandising, publishing, public relations and advertising. Others are professionals, such as lawyers, accountants, consultants, engineers, architects and social workers. Still others have served with government agencies, educational and healthcare institutions and, importantly, nonprofit organizations—such as teachers, executive directors, program directors, facilities managers, chief fundraisers, grant writers, and controllers.

NESC Consultants have been employed in some of America's leading companies and organizations, including IBM, JPMorgan Chase, Aetna, Publicis, Time Warner, McKinsey, Celanese, AT&T, ExxonMobil, Heidrick & Struggles, and Northrop Grumman.

Every Consultant working on an NESC client project possesses the skills and experience appropriate to the assignment, together with an abundance of enthusiasm and commitment to the success of the client.

And in addition, these professional consultants will be highly motivated by the opportunity to serve, applying their well-honed skills and hard-earned experience in a rewarding way. They will be excited by the challenges of fact finding, analysis and the development of practical recommendations—all in the interest of enhancing the effectiveness of your organization.

"I am so pleased with your assistance that I will sing your praises to everyone who needs experienced and competent consultant services."

NESC OFFERS A WIDE RANGE OF PROFESSIONAL SERVICES

Board Development
NESC specialists evaluate a client's governing board, identify new ways to tap board members' skills and networks, and help recruit new board members. For a Brooklyn-based client, NESC identified improvement opportunities in the board structure and then recommended specific approaches to recruiting new board members with specific strengths, such as fundraising and public relations.

Branding
NESC enhances a nonprofit organization's appreciation of how the enormous power of branding can boost revenues, build demand for its services, attract volunteers and expand operations. For a major Queens public agency seeking to raise public and donor awareness of its key programs, NESC's marketing experts designed a dynamic branding strategy.

Business and Strategic Plans
NESC teams craft multi-year business and strategy plans, helping nonprofit organizations to fine-tune their vision, set priorities, allocate resources, identify new opportunities and establish action plans with timetables for achievement. For a New York arts organization concerned about the future of its arts programs and endowment, NESC designed a plan that defined visions, set goals and was the basis for improved organizational effectiveness. For a Westchester agency challenged by a growing competitive environment, NESC developed a three-year strategic plan through full collaboration with staff and the board, and achieved acceptance through an NESC facilitated board retreat.

Executive Recruiting
Using proprietary tools, NESC's experienced Executive Search specialists identify, screen, and recommend candidates for management positions in nonprofit organizations, and assist with compensation negotiations to facilitate successful placements. For a Manhattan-based national trade association, NESC recruited a new president. For a global arts and culture educational organization, NESC recruited a chief financial officer.

Facilities Management
NESC's experienced architects and space allocation experts survey a client's facilities and then, supported by detailed documentation, suggest configurations to reduce occupancy costs and boost productivity. For a New Jersey client serving the elderly, NESC planned for and assisted the group's move into its new headquarters.

Education
Clients include public and private elementary and secondary schools, colleges and universities and other educational programs.

North Fork Early Learning Center, Long Island

The Challenge
After 17 years of independent operation in Mattituck on Long Island, the North Fork Early Learning Center, a child care facility, saw the need to reposition itself. It merged with the Family Service League, an older establishment that provides a range of human services in over 20 sites on Long Island. The merger would enable the Center to relocate to a much larger facility and offered the prospect with its combination of challenges and advantages.

The NESC Solution
NESC consultants with skills and experience in strategic planning and marketing helped to plan the Center's image and sharpen its marketing message, and to mount an effective promotional campaign. NES encountered the Center to help establish its board and to expand fundraising. As a result, the Center met all of its operating and financial goals for the institution, and continues to provide successful and expanding services to the community.

NESC SERVICES continued

Financial Management
NESC financial operations experts will design a client's accounting, payroll and financial reporting systems, and, if required, supervise their subsequent administration. For a Westchester County education institution and for a Manhattan-based national association, NESC supervised budgeting and performed essential bookkeeping and accounting operations, and designed meaningful financial reports for their boards.

Human Resources
NESC teams help with the full range of staff management issues and recommend ways to increase staff productivity and effectiveness. For a Connecticut women's group, NESC recommended revising the compensation and benefits structure and updating the employment handbook. For a UK organization opening an office in New York, NESC recommended human resource policies and practices that were aligned with the home office but met U.S. requirements as well.

Leadership Development and Training
NESC provides leadership training for nonprofit executives and administrators to facilitate reform, to enhance organizational effectiveness, and to create a more powerful, efficient and effective climate within nonprofit organizations. For the New York City Public School System, in collaboration with a state university, NESC identified and trained master teachers to effectively staff challenging positions as Assistant Principals. For a Long Island social service agency, NESC developed training modules for supervisory personnel and delivered the training through a series of workshops.

"...consultants worked closely with us to create a business plan that can be effectively implemented and they did so in an enthusiastic and professional manner. Their insights and expertise contributed in ways beyond our expectations."

The Challenge
New Jersey's Governors have been encouraging local governments to share services in order to slow the growth of property taxes while improving services. Bergen County has received two State grants to study how local municipalities can moderate property taxes by strengthening and encouraging greater use of shared services. Using these grants, Bergen County asked NESC to study public works activities in two separate consortia of 13 and 16 towns, respectively.

The NESC Solution
The NESC consulting team, including a former Councilman of one of the towns, met with each community's public works administration. They assessed how each of the 25 towns delivered basic Department of Public Works services and the extent to which the towns shared equipment and personnel and consolidated purchasing and contracting decisions. The NESC team then recommended practical ways to improve and expand cooperative activities. NESC studies have led the towns to increase equipment and staff sharing and to expand consolidated purchasing of public works equipment and supplies. Further actions based on the NESC plans are under active consideration.
Marketing Plans
NESC's skilled marketing professionals analyze a client's products and services and then design plans to market them more effectively and efficiently in existing and new markets. For a New York City social service agency, NESC developed a new brand and designed a marketing program to introduce it. For a theater operator, NESC helped to initiate new programs including a jazz festival and a summertime dance series.

Mentoring and Coaching
NESC consultants, experienced in the art of mentoring individual leaders, offer one-on-one mentoring and coaching to executive directors and other senior management to help them implement change. For a New York-based national trade association, NESC provided interpersonal skills coaching to senior management including 360 performance appraisals, evaluations of results and individual goal setting.

Public Relations and Communications
NESC public relations professionals design programs to raise a client's public profile and generate increased media coverage. For a Long Island community group, NESC media experts helped create a comprehensive media and marketing strategy. For a Connecticut social service agency, NESC recommended a strategy to correct a slow and improve their image in the community.

Retreat Facilitation
NESC organizes and leads productive gatherings of senior staff and board members, addressing critical organizational challenges and opportunities. For a New Jersey client, NESC conducted workshops on marketing, public relations, strategic planning and financial management. For a Connecticut senior services organization, NESC guided the board through a rigorous process that resulted in a collective agreement on their strategic priorities.

Shared Services
NESC professionals help municipalities, schools and nonprofits identify areas for consolidation or sharing of services to reduce costs through economies of scale. For a New Jersey county, NESC consultant teams brought together local towns to "share" staff and equipment and increase group purchasing.

Social Enterprise
NESC business experts help identify underutilized assets that can become new sources of earned income to supplement government grants, foundation and donor contributions, ensuring consistent cash flow of unrestricted funds. For a Staten Island social services agency, NESC consultants developed a business plan to turn a money losing activity into a self-sustaining, positive cash flow venture.

We and most nonprofits in our field are feeling terrible effects of a poor economy as it affects state and local funding for social service programs. Not only did NESC recognize that need but they also respected our mission and the social service aspect of social enterprise."

SEARCH METHODOLOGY

We work with our clients to develop a process that serves them well. We draw on our experience with other searches and our knowledge of each client's unique culture and circumstances to craft an orderly, timely and credible search process.

While each search is unique and we customize our approach, our search process typically includes four key phases. For this search, we are suggesting a fifth phase to ensure a successful transition.

1. Kickoff & Stakeholder Meetings
   Our work together begins with setting the context for the search and planning in detail all phases of the process. We agree to a timeline and confirm the deliverables that you can expect. We begin with a holistic, analytical needs assessment that includes a deep investigation of your unique culture. We spend time with you and with whomever you recommend to develop a nuanced understanding of your organizational culture and of the intangible qualifications required for success in the role. We use our findings from these discussions to craft or revise the Position Profile, which serves as the primary marketing document for the search, articulates the key competencies and is used to communicate search priorities. The qualities and characteristics outlined in the Position Profile serve as the guidepost during all remaining steps in the search.

2. Candidate Development
   Once we have a final Position Profile, we begin our work in the market. Our research and outreach efforts leverage your key contacts as well as our own network of clients, leaders we have placed and experts in the field. Our research team also conducts fresh research to identify top-tier potential candidates in relevant fields and positions who are not actively seeking a new position but might be enticed to join your organization. Koya can also advertise the position in key publications if you wish.

   We conduct intensive in-person or videoconference interviews with the candidates that we identify as having high potential. We evaluate the candidates against the key qualities and characteristics identified at the outset of the engagement and assess cultural fit and other qualities. We update you regularly on the developing pool, seeking feedback and providing information as needed. Finally, we may also assist with your communication with your constituencies about the progress of the search, as needed.

3. Interviews & Referencing
   Our team briefs you on the candidate pool and provides comprehensive candidate materials that include biographical information as well as individual strengths, areas of consideration for each candidate, and desired compensation ranges. We work with you to decide which candidates you would like to interview. As desired, we can also orchestrate the interview, including candidate scheduling and travel logistics. Once finalist candidates are identified, we check both formal and additional informal references and provide a written reference report.

4. Offer & Negotiations
   When we reach the offer stage, you will have all of the specific information required to craft a compelling offer that reflects your chosen candidate's motivators and needs. We can extend the offer on your behalf and negotiate as your advocate, or we can provide you with any required guidance to assist you in making the offer yourself. Finally, we work with you to develop a strategy for announcing the appointment and help orchestrate a successful transition into the role.

5. Transition Planning
   Koya's support doesn't end when a candidate accepts an offer. We continue to check in with the placed candidate regularly throughout the first key months on the job to help ensure a successful transition and identify any issues that may arise. We can also provide guidance on communicating the transition, helping the new leader forge the right relationships, setting clear expectations and goals and keeping the new leader engaged and inspired. A senior consultant from our Human Capital team will also be available for personalized consultations to discuss the elements of a successful transition plan and help you customize an approach.
Our standard fee, based on the first year’s compensation, is one-third of the total cash compensation, including base salary, projected bonus and signing bonus. The client pays an estimate of this fee as a retainer, billed over the first three months of the search.

Koya charges an administrative fee of $3,500 of the retainer to cover expenses related to running a staff search such as this one.

Consistent with search practices, any direct, out-of-pocket expenses such as candidate and consultant travel, lodging, video-conferencing and employment screening will be billed on a monthly basis as incurred.

SEARCH GUARANTEE

If, within six months of the start date, the hired candidate resigns or is terminated for reasons directly related to his or her performance or to a breach of any company policy, Koya will perform a replacement search for that position with no additional retainer fees other than the administrative charge outlined above.

Search Steps

We envision a search as a series of steps which we orchestrate and execute. Thus, we use client time judiciously - that is, key conference calls and efficient in-person meetings to interview select candidates.

- Interviewing key stakeholders to develop the job description
- Establishing work process
- Setting client interview schedule well in advance
- Creating the search strategy and conceptualizing the opportunity
- Knowing whom to call first
- Reviewing prospective candidates’ qualifications
- Conducting customized reference checks
- Negotiating the offer
- Providing a generous guarantee period

ABOUT ISAACSON, MILLER

Isaacson, Miller was founded in 1982 to recruit exceptional leaders for mission-driven organizations. From the beginning, we have been committed to strengthening and diversifying the leadership of the civic sector. Today, we have approximately 200 employees located in offices in Boston; San Francisco; and Washington, DC. We conduct 300 executive searches each year and have completed almost 6,300 searches in the firm’s history.

The firm works across the spectrum of public and civic missions, and we believe the breadth of our experience is a real strength and distinguishing feature. Our practice in higher education is the nation’s largest and most comprehensive; today it accounts for more than half of our work. We also work extensively in healthcare, foundation leadership, economic and community development, conservation and environment, K-12 education, human services, advocacy, and arts and culture. Just last year, more than 80 percent of our clients were organizations that returned to Isaacson, Miller for additional searches after being pleased with our past results.

Although at first glance most firms seem to follow similar search processes, we have found that there are real differences in how these processes unfold in a search. What distinguishes Isaacson, Miller first and foremost is that our work is grounded in our core institutional commitment to the strengthening of civic infrastructure and our fundamental resonance with our clients’ missions. This commitment is paired with a meticulous and disciplined approach to the work, with no time or effort spared to achieve an outstanding result.

In addition, Isaacson, Miller differentiates itself in several other important ways:

- We devote special care to grasping the strategic challenges and organizational culture of each client and to developing a customized research plan for each search. We network assiduously, making an effort to cultivate candidates who may not be actively seeking a new position. We personally interview promising candidates, often multiple times. A dedicated team of reference specialists conducts on- and off-list references for each finalist, and we share write-ups of these conversations with our client.

- We pay close attention to biography. We believe that the best way to anticipate a candidate’s future success is to understand past experience—not only accomplishments and positions held, but also how someone has integrated those experiences into an understanding of self. In our conversations with candidates, we explore how they have changed and grown over time, how they have dealt with success or disappointment, what kinds of challenges have attracted their interest, their inclinations as colleagues and collaborators, and the trajectory of their leadership learning.

- We are recognized for the high level of service and personal attention provided to our clients. We work closely with the search committee, the board, and key stakeholders and view our engagement with our clients as a partnership built on transparency and collaboration. This commitment to a high level of personal service means that we are selective and careful about the number of search assignments that we undertake at any one time.
Although we compete routinely with the largest market-driven search firms, Isaacson, Miller does not seek to become a genuinely large firm. We are an employee-owned company, and our growth has been steady and strategic. We seek a size and definition that allow us all the efficiencies of a high-volume practice—infrastructure, a specialized research group, dedicated reference professionals, and most saliently, the extensive network of potential candidates and sources that arises from a significant volume of searches—while preserving our emphasis on mission, craft, personal attention to clients and candidates, and excellence in service.

Our Approach to Executive Search

Isaacson, Miller typically divides a search into five phases. While the general outline remains constant, we are flexible and adapt our approach to meet the requirements of our clients.

Phase 1: Understanding the Challenge

We interview as many stakeholders as appropriate, learn the organization’s cultural clues, glean the implicit values and standards of the client, and ask our clients to make explicit the strategic goals they expect to achieve with their new hire. From these interviews, we develop a narrative position profile that serves to present the “case” to potential candidates and that orients the search committee in its work throughout the process.

Phase 2: Networking and Screening of Prospective Candidates

After identifying target fields, roles, institutions, and individuals, we systematically canvas them to identify and interest candidates who match the requirements of our clients. Recognizing that our clients often have excellent networks themselves, we carefully pursue their suggestions. Where appropriate, we advertise in targeted publications or extend our outreach through relevant websites and email lists. Our networking always includes a concerted effort to reach and interest qualified individuals from underrepresented groups. As we bring potential candidates into our pool, we conduct preliminary “screens” of up to an hour in length to assess their qualifications for the role.

Phase 3: Narrowing the Field: Semifinalist Selection and Interviews

If a candidate meets the stated requirements, we conduct intensive biographical interviews in person when possible (and by video call otherwise) of up to two hours in length. We track a person through his or her entire career. When we sum it up we ask, “Has this person encountered challenges that are analogous in scale and in measures of success to the work contained in this role?”

We then work closely with our client to narrow the pool. We will be prepared to recommend semifinalists, but we prefer that our clients review and discuss all the candidates with us to make an informed choice of semifinalists. Usually our clients choose to see six to eight semifinalists in their first-round interviews. We prepare the candidates, and we provide counsel and suggested lines of questioning to the client.
the time our clients meet their chosen semifinalists, we will have spoken with each candidate for three to four hours.

Phase 4: Selecting Finalists and Checking References

Clients may face a considerable challenge after the semifinalist round. We help to structure the candidate review, offering both a format for comparison and facilitating discussions. We are always prepared to offer our opinions and recommendations; however, we believe that these choices belong to our client.

When finalists are invited back for a second round of interviews, we help to structure the visits, both to provide an opportunity for the candidates to learn more about the organization and the position, and for our client to learn more about each candidate. At this point, we begin an intensive and thorough process of reference checks and background verification. We believe that references are just as important as—and often more important than—performance in a series of interviews as a means of learning about a candidate’s skills, experience, and temperament. We speak directly with each candidate’s current and former bosses, peers, and subordinates. We document our lengthy reference conversations in a transcript-style report and typically provide many pages of commentary on each finalist.

Phase 5: The Final Choice

When there are several strong candidates whose strengths and weaknesses are known in detail, making the final choice can be complex. We remain active through this phase of the search, helping our client make a well-informed decision and staying in close contact with the finalists to address their questions and concerns.

Our Commitment to Diversity

In every search, Isaacson, Miller works diligently to identify a diverse and inclusive pool of candidates. Through our efforts, people from underrepresented groups have been recruited to key leadership positions throughout the country. In the course of over three decades, we have established an extensive network of contacts who recognize that our commitment to diversity is genuine and our track record is unparalleled. We call and build upon this network in every search we do. Since we were founded in 1982, 43 percent of our searches have resulted in the hiring of women and 23 percent in the hiring of people of color.

Our demonstrated commitment to diversity continues to evolve as our networks of talented leaders deepen and mature. Over the years, we have strengthened our efforts by expanding our understanding of diversity, which is inclusive of but not limited to race, gender, and sexual orientation, and by training our recruiters how best to build diverse pools. With every search, we expand our facility to identify individuals from underrepresented populations and deliver on our client’s commitment to the field.

*Isaacson, Miller*
FEES AND EXPENSES

Professional Fees

Isaacson, Miller works for clients on a retainer basis. Our fee is one-third of the amount that you agree to pay the hired candidate for the first year of employment, including without limitation salary, special deferred executive compensation, signing and performance bonuses, but not including contributions to federally qualified pension plans that are available to all employees, with a minimum fee of $60,000. We bill our retainer monthly in three equal installments based on an estimate of the cash compensation at the start of the search and make any necessary adjustment at the conclusion of the search. The first retainer is billed at the time the search begins with subsequent billings at 30 and 60 days.

If, during the course of a search, we introduce a person who is hired for another position within 12 months of the closing of the original search, we will bill a separate fee of 25% of the first year’s cash compensation.

If you choose to terminate or discontinue our relationship at any time, your obligation to us would be limited to all fees invoiced and all reimbursable expenses incurred through the date of termination. If there is a significant change in the scope of the search or the agreed upon role definition, if the search is placed on hold by you for more than 60 days or if the search has not resulted in a hire within one year of start date, we will consider this contract terminated and a revised contract with adjusted fees, if necessary, will be negotiated. Our fees are non-contingent and non-refundable.

Expenses

We incur two types of reimbursable expenses: direct and indirect. Direct expenses include the direct costs of consultant travel, meals and lodging associated with the interviewing and selection process and with visits to the client. Other direct costs include advertising, videoconferencing, and expenses incurred by candidates (e.g., travel, lodging and meals). Direct expenses are billed separately on the last day of each month. We expect payment within 30 days of billing date.

Indirect expenses are those that are difficult to attribute to a specific project. They include phone, fax, postage and delivery, printing and copying, and internal research and administration.
