Ordinance Purpose

The purpose of this Ordinance is to designate the following intersection as a stop intersection:
Ravine Avenue and Abbett Street, stopping Ravine Avenue
Abbott St is one-way in the northbound direction and Ravine (two-way street) intersects Abbett to form a T-intersection. Therefore, vehicles traveling westbound on Ravine Avenue must come to a stop and then proceed to facilitate a right-turn onto northbound Abbett Street.
Designating Ravine Avenue as a “stop” street will increase traffic safety.

I certify that all the facts presented herein are accurate.

SUBJECT: PROPOSED ORDINANCE – STOP INTERSECTION

Please be advised, this Division has proposed legislation (for the Council’s consideration) amending Chapter 332 (Vehicles and Traffic) Section 332-9 (Stop Intersections) of the Jersey City Traffic Code designating Ravine Avenue and Abbett Street as a stop intersection, stopping Ravine Avenue.

Designating this intersection as a stop control will improve traffic safety and operational characteristics at the intersection based on a detailed review of traffic conditions and guidance outlined within the Manual on Uniform Traffic Control Devices published by the Federal Highway Administration. Abbett St is one-way in the northbound direction and Ravine (two-way street) intersects Abbett Street to form a T-intersection. Therefore, vehicles traveling westbound on Ravine Avenue must come to a stop and then proceed to facilitate a right-turn onto northbound Abbett Street. Designating Ravine Avenue as a “stop” street will increase traffic safety.

Councilman Boggiano has been advised by Email of the proposed traffic regulation. (copy attached) The recommended amendments should appear on the Agenda for the March 13, 2019 Municipal Council Meeting.

Please feel free to contact Andrew Vischio, P.E., at 201.547.4419 or AVischio@jcnj.org if you have any questions regarding the legislation.

The City shall promptly comply and shall ensure that
any activities conducted on the Premises in accordance with this Agreement comply with all laws, statutes, ordinances, rules, orders, regulations, requirements and directives of the Federal, State and Municipal government or Public Authorities, and of any and all their departments and bureaus, applicable to and affecting said Premises or the use and occupancy of the Premises during said term, including Green Acres and LWCF State Assistance program restrictions; and shall also promptly comply with all orders, regulations, requirements and directives of the Board of Fire Underwritings or similar authority and of any insurance companies which have issued or are about to issue policies of insurance covering the Premises and its contents, for the prevention of fire or other casualty, damage or injury, at the City’s own cost and expense.

12. **ASSIGNMENT AND SUBLEASE** The City shall not have the right to assign or sublease this Lease without the prior written approval of the County and the New Jersey Department of Environmental Protection. In the event such approval is granted, the Sublessee shall abide by all terms and conditions of the Lease. The City shall remain responsible and liable for the faithful performance of the Lease.

13. **RESTRICTION OF USE** The City shall not occupy or use the Leased Premises or any part thereof, nor permit or suffer the same to be occupied or used for any purposes other than as herein limited, nor for any purposes deemed unlawful, disreputable, or extra hazardous, on account of fire or other casualty.

14. **INSURANCE COVERAGE** The City shall provide and maintain at their own cost and expense the following insurance policies, providing to the County as provided herein copies of same including Certificates of Insurance within two weeks of procurement:
a. **General Liability**

The City shall provide and maintain Comprehensive General Liability Insurance with a combined single limit of One Million Dollars ($1,000,000) per Occurrence and Two Million Dollars ($2,000,000) per aggregate for bodily injury and property damage. A “claims made” policy is not acceptable. The insurance required under this section shall protect the City against damage claims, which may arise from operations under this Lease whether such operations are by the insured or by anyone directly or indirectly employed by the City and also against any of the special hazards which may be encountered in performance of this Agreement.

b. **Workers Compensation and Employers Liability Insurance**

City shall provide and maintain Workers Compensation and Employees Liability Insurance to the extent of the maximum limit of liability for injuries and death as required by applicable statutes, ordinances and regulations. In the event any work is sublet, the City shall require the Subcontractor to similarly provide said insurance, Workers Compensation and Employees Liability Insurance, for the latter’s employees unless such employees are covered by protection afforded by the City’s Workers Compensation and Employees Liability Insurance.

c. **Property Insurance**

The City, at their own cost and expense, shall be required to provide and maintain property insurance protecting the County. The coverage shall be written for 100% of the replacement value of this property subject to a deductible of not more than One Thousand Dollars ($1,000.00). The form of coverage shall be All-Risk Form. All property losses
shall be made payable to and adjusted with the County, and the minimum amount of this coverage shall be (One Hundred and Fifty Thousand Dollars) $150,000.00.

d. Motor Vehicle Liability

Should motor vehicles be used in connection with City’s operations, City shall provide and maintain a policy of Comprehensive Automobile Liability Insurance with a combined single limit of liability per occurrence of One Million Dollars ($1,000,000.00) for bodily injury and property damage.

e. Any Other Insurance Required by Law

City shall provide and maintain any other policy which may be required by law or regulation as a condition to the City’s use of the Premises and continued licensing or other required permits needed for the conduct of City’s operations.

f. Additional Insurance Requirements

All insurance policies shall name the County and the New Jersey Department of Environmental Protection as additional named insureds.

All of the above policies shall be subject to continuous examination by the County. If at any time, the foregoing policies or company issuing such policies shall be or become unsatisfactory to the County, the City shall, upon notice, promptly obtain a new policy, submit same to the County Law Department and submit a Certificate of Insurance as provided herein. Upon failure to furnish, deliver and maintain such insurance as provided herein, this Lease, at the election of the County Counsel, may be declared suspended, discontinued or terminated. Failure of the City to take out and maintain any required insurance shall not relieve the City from any liability under this Lease, nor shall the requirements be construed to conflict with or otherwise limit the
obligations of the City concerning indemnification. The City shall in no way be precluded from carrying such other insurance as it deems necessary and proper for the safe and efficient operation of the Premises.

All insurance shall be obtained from insurance companies licensed in the State of New Jersey that have ratings of an “A” or better (A.M. Best’s). Coverage shall not be cancelled or altered without thirty (30) days prior written notice by certified mail, return receipt requested to the insurer and to the County prior to its taking effect. Should such notice be received, the City shall within ten (10) days, procure the same coverage from another insurer, and if coverage is not obtained, then the County may obtain the same at the cost and expense of the City.

Insurers shall have no right of recovery or subrogation against the County, including its Agents or Agencies, it being the intention of the parties that the insurance policies so affected shall protect the parties and be primary coverage for any and all losses covered by the above described insurance.

15. **INCREASE OF INSURANCE** It is the intent of the parties that the insurance requirements mandated herein shall at all times be adequate to protect the County from liability. Therefore, the parties agree, from time to time, to evaluate the insurance obligations of the City, both as to types of coverage and the limits of coverage, to make certain that the insurance provided adequately protects the County from liability given the existing prevailing standards for this type of coverage. In the event it is determined by the County, which determination shall not unreasonably be made, that the type of insurance coverage and/or limits of insurance coverage is inadequate under the
standard set forth in herein, then the City agrees to provide such coverage as requested by
the County.

16. **INDEMNIFICATION**  It is the intent of the parties that the County
shall have no liability or responsibility in connection with the use of the Premises by the
City pursuant to the terms of this Agreement. The City shall indemnify and hold
harmless the New Jersey Department of Environmental Protection and the County and
the Board of Chosen Freeholders, their officers, agents, employees and servants from and
against any and all liability, claims, suits, damages, costs, losses and expenses caused by,
resulting from, or based upon the acts or omissions (whether negligent, intentional,
accidental or otherwise) of the City, its agents, servants, employees or invitees arising out
of or relating to City’s use or occupancy of the Premises, or performance under this
Lease. In addition, the City shall at City’s own expense, appear and defend all actions
and pay any costs of the County arising therefrom, including attorney’s fees, and if any
judgment shall be rendered against the County, City shall satisfy and discharge that
judgment.

The County hereby agrees to indemnify and hold harmless, the City from and
against all actions, suits, claims, damages, expenses (including attorney’s fees and
disbursements), costs and liabilities arising out of or as a result of the County’s use of the
Recreational Fields, except for that which arises from the City’s own use of the
Recreational fields or due to the City’s gross negligence or willful misconduct.

17. **NON-WAIVER BY COUNTY**  The various rights, remedies, options
and elections of the County under this Lease are cumulative. The failure of the County to
enforce strict performance by the City of the conditions and covenants of this Lease or to
exercise any election or option, or to resort or have recourse to any remedy conferred in this Lease or the acceptance by the County of any installment of rent after any breach by the City, in any one or more instances, shall not be construed or deemed to be a waiver or a relinquishment for the future by the County of any such conditions and covenants, options, elections or remedies, but the same will continue in full force and effect.

18. **NON-PERFORMANCE BY COUNTY** This Lease and the obligation to comply with the covenants and conditions hereof, shall not be affected, curtailed, impaired or excused because of the County’s inability to supply any service or material called for herein, by reason of any rule, order, regulation or preemption by any governmental entity, authority, department, agency or subdivision or for any delay which may arise by reason of negotiations for the adjustment of any fire or other casualty loss or because of strikes or other labor trouble of for any cause beyond the control of the County.

19. **VALIDITY OF LEASE** If any provision of this Agreement shall be determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby. The terms, conditions, covenants and provisions of this Lease will be deemed to be severable. If any provision contained in this Lease is adjudged to be invalid or unenforceable by a court of competent jurisdiction or by operation of any applicable laws, it will not affect the validity of any other clause or provision in this Lease, but such other clauses or provisions will remain in full force and effect.

20. **NOTICES** All notices or other communications required under the terms of this Lease shall be delivered personally or by certified or registered mail, return receipt requested to the address of the parties as shown set forth below, or to such other
address as may be designated in writing, which notice of changed address is given in the same manner.
