Upon the City’s acceptance of a Deed of Easement, MSUR and any subcontractors retained by it shall maintain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with MSUR’s obligation to perform Regular Maintenance Requirements. MSUR shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the City and any officer, employee, agent or contractor of the City as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days written notice to the City. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by MSUR at the time of its delivery of a Deed of Easement to the CITY, and renewal certificates of insurance shall be provided annually.

A.18. In the event the CITY determines that MSUR has failed to timely perform any of the Regular Maintenance Requirements to the East Property Plaza Improvements, the CITY shall give MSUR thirty (30) days’ written notice to cure such failure. If after thirty (30) days, MSUR has not cured such failure, the CITY shall have the right to perform such regular maintenance to the East Property Plaza Improvements at the sole cost and expense of MSUR. MSUR shall reimburse the CITY for those costs and expenses required to perform the regular maintenance not
performed by MSUR in a timely manner. In the event MSUR fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to MSUR. The amount of any fine shall not exceed the reasonable cost to cure MSUR’s failure to perform its obligations under this Agreement. Any fine shall be waived by the Jersey City Zoning Officer, if MSUR promptly complies with its obligations under this Agreement. In the event that MSUR receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the City shall be entitled to demand that MSUR provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the “Bond”). Following the MSUR’s delivery of the Bond to the City, in the event MSUR fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving MSUR fourteen (14) days written notice to cure such non-compliance, use the Bond to remedy MSUR’s non-compliance with this Agreement. In the event the City draws down on the Bond, it shall provide written notice to MSUR and MSUR shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the City and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the City or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for the building and other private improvements constructed on Block 11505, Lot 1. The City shall be permitted, in its sole and absolute discretion, and without the consent of the MSUR to delegate its enforcement authority under this paragraph to the Planning Board.

A.19. In the event that the CITY fails to timely make and repairs or replacements to the East Property Plaza Improvements, MSUR shall give the CITY thirty (30) days’ written notice to
cure such failure. If after thirty (30) days, the CITY has not remedied such failure, MSUR shall have the right to perform such replacement or repair to the East Property Plaza Improvements at the sole cost and expense of the CITY. The CITY shall reimburse MSUR for those costs and expenses required to make repairs and replacements not performed by the CITY in a timely manner. Notwithstanding anything herein to the contrary, MSUR shall have the right to make emergency repairs or replacements to the East Property Plaza Improvements without notice to the CITY in the event MSUR determines, in good faith, that the failure to make such repair or replacement will jeopardize the safety of the occupants of the plaza or the owners, residents, tenants, guest or invitees of the building and other private improvements constructed on Block 11505, Lot 1. The CITY shall reimburse MSUR for those costs and expenses required to make emergency repairs and replacements to the East Property Plaza Improvements.

A.20. Upon the City's acceptance of the Deed of Easement, the obligations of the parties as recited in paragraphs A.1 through A.19 hereof shall be superseded by the Deed of Easement.

A.21. The CITY agrees to record the Deed of Easement in the Hudson County Register's Office within ten (10) business days of the CITY'S acceptance thereof. This obligation shall survive the delivery and acceptance of the Deed of Easement.

B. Completion of Provost Street Improvements and Provost Square Plaza:

B.1. The City's acceptance of the Provost Street Improvements for incorporation into the East Property Plaza Improvements to establish Provost Square Plaza shall be conditioned upon the following:

(i) The completion by BAY of the Provost Street Improvements in accordance with the requirements of the West Property Final Site Plan Approval;
(ii) An inspection by the Jersey City Engineering Division, which shall not be unreasonably delayed or withheld followed by the issuance of a written memorandum confirming that the Provost Street Improvements been completed in accordance with the requirements of the Franchise Ordinance (the “Provost Engineering Memo”);

(iii) The delivery of a two (2) year maintenance bond in an amount determined by the Jersey City Engineering Division which will not exceed 15% of the replacement cost of the Provost Street Improvements (the “Provost Street Improvements Maintenance Bond”) in the form attached hereto as Exhibit E. During the two (2) year period following the City’s issuance of the Provost Engineering Memo, BAY shall promptly correct any deficiencies in workmanship and design which threaten the structural integrity of the Provost Street Improvements or create a risk to public safety, upon receiving written notice from the Municipal Engineer. At the end of the two (2) year period, the City shall be deemed to have finally accepted the Provost Street Improvements and shall be responsible for the repair and replacement of the Provost Street Improvements; and

(iv) The CITY’S adoption of an ordinance within the time frame set forth in paragraph B.2 below that satisfies the requirements of N.J.S.A. 40:56-69 and is consistent with the terms, conditions and covenants set forth in this Agreement.

B.2. Upon the CITY’s acceptance of the Provost Street Improvements, the CITY shall within forty-five (45) days take any and all municipal action required under N.J.S.A. 40:56-69 to close Provost Street to vehicular traffic and open the Provost Street Improvements for use as a pedestrian public plaza in conjunction with the East Property Plaza Improvements.

B.3. Upon the opening of the Provost Street Improvements, the City shall operate the Provost Street Improvements together with the East Property Plaza Improvements in conformance with the operational standards of the CITY for parks and recreation areas as codified in Chapter 239-1, et seq. of the Jersey City Code.
B.4. Upon the opening of the Provost Street Improvements, BAY shall have a perpetual easement to maintain it as required by Schedule 2 attached hereto and made a part hereof (hereinafter the “Provost Regular Maintenance Requirements”).

B.5. Upon the opening of the Provost Street Improvements, BAY shall maintain it as required by the Provost Regular Maintenance Requirements at the sole cost and expense of Bay.

B.6. Upon the opening of the Provost Street Improvements, BAY shall have the right to close all or portions of the Provost Street Improvements from time to time for a reasonable period of time during regular business hours to maintain it as required by the Provost Regular Maintenance Requirements. Such closure may be for such duration as reasonably necessary to adequately perform the required repair(s) or replacements. Except in the case of an emergency, BAY shall give the City Clerk and Municipal Engineer at least three (3) business days written notice in accordance with Section C.6 hereof of BAY’s intent to close Provost Street to perform maintenance and repairs, or make replacements thereto. Such written notice shall include a brief description of the work to be performed and the anticipated duration of the closure. In the event that BAY closes Provost Street for an unreasonable period of time in order to perform maintenance and repairs, it shall constitute a breach of BAY’s obligations hereunder and the City and the Planning Board shall have the rights and remedies against BAY granted to them under Section B.13 of this Agreement.

B.7. BAY shall provide water to the Provost Street Improvements to maintain it as required by the Provost Regular Maintenance Requirements at the sole cost and expense of BAY.

B.8. Upon the opening of the Provost Street Improvements, the CITY will pay full cost and expense of electricity required for all the public use of the Provost Street Improvements including but not limited to all lighting installed in accordance with the Preliminary Site Plan.
Approval amended by a final site plan approval granted to the West Property by the Jersey City Planning Board.

B.9. Upon the opening of the Provost Street Improvements, the CITY shall provide fire protection and police protection at its sole cost and expense and shall enforce all municipal ordinances applicable to parks and recreation areas on the Provost Street Improvements including Chapter 239-1 et seq. of the Jersey City Municipal Code for the benefit of the public.

B.10. Upon the opening of the Provost Street Improvements, BAY shall have an easement to use and enjoy the Provost Street Improvements in the same manner as the general public.

B.11. Following the expiration of the Provost Street Improvements Maintenance Bond, the CITY shall be responsible for the repair and replacement of the Provost Street Improvements at the CITY’S sole cost and expense unless such repair or replacement is made necessary because of the negligent, grossly negligent or willful acts or omissions of BAY or its successor and assigns.

B.12. Following the expiration of the Provost Street Improvements Maintenance Bond, when it becomes necessary for the CITY to replace or repair the Provost Street Improvements the CITY shall remove, repair, and/or resurface the cobblestone, as needed, to promote safety for the typical pedestrian at the CITY’S sole cost and expense.

B.13. In the event the CITY determines that BAY has failed to timely perform any of the Provost Maintenance Requirements to the Provost Street Improvements, the CITY shall give BAY thirty (30) days written notice to cure such failure. If after thirty (30) days, BAY has not cured such failure, the CITY shall have the right to perform such regular maintenance to the Provost Street Improvements at the sole cost and expense of BAY. BAY shall reimburse the CITY for those costs and expenses required to perform such regular maintenance not performed by BAY in
a timely manner. In the event BAY fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to BAY. The amount of any fine shall not exceed the reasonable cost to cure BAY's failure to perform its obligations under this Agreement. Any fine shall be waived by the Jersey City Zoning Officer, if BAY promptly complies with its obligations under this Agreement. In the event that BAY receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the City shall be entitled to demand that BAY provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the "Bond"). Following the BAY's delivery of the Bond to the City, in the event BAY fails to comply with its obligations under this Agreement (whether intentional or not), the City shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving BAY fourteen (14) days' written notice to cure such non-compliance, use the Bond to remedy BAY's non-compliance with this Agreement. In the event the City draws down on the Bond, it shall provide written notice to BAY and BAY shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the City and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the City or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for any buildings or other private improvements constructed on the West Property. The City shall be permitted, in its sole and absolute discretion, and without the consent of the Bay to delegate its enforcement authority under this paragraph to the Planning Board.

B.14. In the event that the CITY fails to timely make and repairs or replacements to the Provost Street Improvements, BAY shall give the CITY thirty (30) days' written notice to cure
such failure. If after thirty (30) days, the CITY has not cured such failure, BAY shall have the right to perform such replacement or repair to the Provost Street Improvements at the sole cost and expense of the CITY. The CITY shall reimburse BAY for those costs and expenses required to make repairs and replacements not performed by the CITY in a timely manner. Notwithstanding anything herein to the contrary, BAY shall have the right to make emergency repairs or replacements to the Provost Street Improvements without notice to the CITY in the event BAY determines, in good faith, that the failure to make such repair or replacement will jeopardize the safety of the occupants of the plaza or the owners, residents, tenants, guest or invitees of the building and other private improvements constructed on West Property provided that BAY shall not be permitted to remove, destroy, or pave over the cobblestone and railroad tracks located in Provost Street. The CITY shall reimburse BAY for those costs and expenses required to make emergency repairs and replacements to the Provost Street Improvements.

B.15. BAY shall indemnify, defend and hold harmless the CITY, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with BAY's failure to perform the Provost Regular Maintenance Requirements for the Provost Street Improvements other than any liability arising out of the negligent, grossly negligent or willful acts of the CITY.

B.16. The CITY shall indemnify, defend and hold harmless BAY, their employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with the public's use of the Provost Street Improvements or the CITY'S negligent, grossly negligent or willful failure to make repairs or replacements to the Provost Street Improvements.
B.17. The CITY and any subcontractors retained by it shall maintain, at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with the public’s use of the Provost Street Improvements and its obligation to make repairs or replacements to the Provost Street Improvements. The CITY shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name BAY and any officer, employee, agent or contractor of BAY as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days’ written notice to BAY. As such, in the event either party breaches, or fails to comply with any covenant, restriction or obligation of this Agreement (whether intentional or not), any other party shall have the right to sue, at law or in equity, for expedited declaratory relief and specific performance, including a temporary restraining order, preliminary injunction and permanent injunctive relief. d) Grantor and any subcontractors retained by it shall maintain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with Grantor’s obligation to perform Regular Maintenance Requirements. Grantor shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the Grantee and any officer, employee, agent or contractor of the Grantee as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days written notice to the Grantee. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by Grantor at the time of its delivery of this Deed of Easement, and renewal certificates of insurance shall be provided annually.
In the event the Grantee determines that Grantor has failed to timely perform any of the Regular Maintenance Requirements the Grantee shall give Grantor thirty (30) days written notice to cure such failure. If after thirty (30) days, Grantor has not cured such failure, the Grantee shall have the right to perform such required maintenance and Grantor agrees to pay the Grantee its costs and expenses to perform these services. In the event Grantor fails to comply with its obligations under this Agreement (whether intentional or not), the Grantee shall have the right to request that the Jersey City Zoning Officer issue a zoning violation including a fine, summons or citation to Grantor. The amount of any fine shall not exceed the reasonable cost to cure Grantor’s failure to perform its obligations under this Agreement. Any fine shall be waived by the Jersey City Zoning Officer, if Grantor promptly complies with its obligations under this Agreement. In the event that Grantor receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the Grantee shall be entitled to demand that Grantor provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the “Bond”). Following the Grantor’s delivery of the Bond to the Grantee, in the event Grantor fails to comply with its obligations under this Agreement (whether intentional or not), the Grantee shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving Grantor fourteen (14) days written notice to cure such non-compliance, use the Bond to remedy Grantor’s non-compliance with this Agreement. In the event the Grantee draws down on the Bond, it shall provide written notice to Grantor and Grantor shall be required to replenish the Bond to the full amount. The foregoing remedies shall be in addition to any other remedies available to the Grantee and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the Grantee or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for the building and other private improvements constructed on Block 11505, Lot 1. The Grantee shall be permitted, in its sole and absolute discretion, and without the consent of the Grantor to delegate its enforcement authority under this paragraph to the Jersey City Planning Board.

3) In connection with the conveyance of this easement, the Grantee covenants that:

a) Grantee shall pay full cost and expense of electricity required for public use of the East Property Plaza Improvements including but not limited to all lighting installed therein and shown of Exhibit B attached hereto and made a part hereof.
b) Grantee shall provide fire protection and police protection at its sole cost and expense and shall enforce all municipal ordinances applicable to parks and recreation areas on the East Property and East Property Plaza Improvements including Chapter 239-1 et. seq. of the Jersey City Municipal Code for the benefit of the public including the occupants of any building or other private improvements constructed on Block 11505, Lot 1 by Grantor.

c) Grantor shall have an easement in perpetuity to use and enjoy the East Property and East Property Plaza Improvements in the same manner as the general public.

d) Grantor shall have the right to close all or portions of the East Property and East Property Plaza Improvements from time to time for a reasonable period of time during regular business hours to maintain the East Property Plaza Improvements as required by the Regular Maintenance Requirements. Such closure may be for such duration as reasonably necessary to adequately perform the required maintenance. Except in the case of an emergency, Grantor shall give the City Clerk and Municipal Engineer at least three (3) business days written notice in accordance with Section 5 hereof) of Grantor's intent to close the East Property to perform maintenance thereto. Such written notice shall include a brief description of the work to be performed and the anticipated duration of the closure. In the event that Grantor closes the East Property for an unreasonable period of time in order to perform maintenance, it shall constitute a breach of Grantor's obligations hereunder and the City and the Planning Board shall have the rights and remedies against Grantor granted to them under Section 2.e of this Deed.

e) Following the expiration of the East Property Plaza Improvement Bond, the Grantee shall be responsible for the repair and replacement of all improvements in the East Property Plaza Improvements at the Grantee's sole cost and expense unless such repair or replacement is made necessary because of the negligent or willful acts or omissions of Grantor.

f) Following the expiration of the East Property Plaza Improvement Bond, when the East Property Plaza Improvements, or any portion thereof, is in need of repair or replacement the Grantee shall make such replacement or repairs, at the Grantee's sole cost and expense, with the same color, type, and quality of improvements and materials initially installed therein by Grantor and specified in Exhibit B attached hereto and made a part hereof.

g) Grantee shall indemnify, defend and hold harmless Grantor, its employees, officers and agents from and against all claims, damages, losses, suits,
actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with the public's use of the East Property or East Property Plaza Improvements or the Grantee's negligent, grossly negligent, or willful actions or omissions in connection with the public's use of the East Property or East Property Plaza Improvements and Grantee's obligation to make repairs or replacements to the East Property Plaza Improvements.

h) Grantee and any subcontractors retained by it shall obtain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers' compensation insurance, and employer's liability insurance to protect against any loss in connection with public's use of the East Property Plaza and Grantee's obligation to make repairs and replacements to the East Property Plaza Improvements. Grantee and its contractors shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the Grantor and any officer, employee, agent or contractor of the Grantor as additional insureds. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by Grantee at the time the Grantee executes this Deed of Easement.

i) Notwithstanding anything herein to the contrary, should the Grantee cease using the East Property and East Property Plaza Improvements as a public pedestrian plaza consistent with the intent and purpose set forth in the Powerhouse Arts District Redevelopment Plan the easement granted to the Grantee herein shall immediately terminate and the sole control and use of the East Property and the East Property Plaza Improvements shall revert to the Grantor, forever.

j) Notwithstanding anything herein to the contrary, until the owner of Block 11506, Lot 2.01 (Adjacent Owner) completes the development of the West Property and the Grantee has accepted the Provost Street Improvements, Adjacent Owner or Grantor shall have the right to temporarily close the East Property and East Property Plaza Improvements without obtaining a permit from the Grantee or any agency of the City of Jersey City should the Adjacent Owner determine, in its sole and absolute discretion, that construction activities or staging activities for the development of the West Property make it unsafe for persons to be on the East Property or the East Property Plaza Improvements.

4) The conveyance of this easement is made subject to the following:

a) All easements on, over across, or below the surface of the East Property, for the benefit of public or private entities for the purpose of installing,
operating, maintaining, inspecting, protecting, repairing, replacing or 
reconstructing any gas, electric, water, sewer or other utility lines or utility 
services, together with the right of ingress and egress across the East 
Property at all times for such purposes and all other purposes in 
connection with or in any way relating to the public or private utilities' 
respective use or operation of utility services to serve the East Property 
and the remainder of Block 1105, Lot 1.

b) All existing easements, encumbrances, and agreements which have been 
recorded against the East Property in the Office of the Register of Hudson 
County prior to the Grantee’s acceptance of this Deed of Easement.

The invalidity of any covenant, restriction, exception, reservation, limitation or other 
provision set forth herein shall not impair or affect in any manner the validity, enforceability, or 
effectiveness of the balance of this conveyance and each covenant, restriction, reservation, 
exception, condition, limitation, or other provision shall be enforceable to the greatest extent 
permitted by law. The covenants, restrictions, exceptions, reservations, limitations, and 
provisions contained herein are covenants only and are not conditions, and the failure of the 
parties to satisfy any such covenants, restrictions, exceptions, reservations, limitations, or 
provisions shall not result in a forfeiture or reversion of title.

The failure of Grantor or Grantee to enforce any easement, covenant, reservation, 
exception, restriction, limitation or provision created by this Deed of Easement shall not be 
deemed a waiver of the right to enforce the same thereafter as to any breach thereof, nor as to any 
breach occurring prior or subsequent thereto. Any waiver made by any party to this Deed of 
Easement must be duly made in writing in order to be considered a waiver of any other provision 
thereof unless specifically made in writing as aforementioned.

The covenants, restrictions, exceptions, reservations, or other provisions made in this 
Deed of Easement are legally binding on Grantor and all who lawfully succeed to Grantor’s 
rights and responsibilities, including Grantor’s successors and assigns. The covenants, 
restrictions, exceptions, reservations, limitations, or other provisions, made in this Deed of 
Easement can be enforced by Grantor and all who lawfully succeed to Grantor’s rights and 
responsibilities, including Grantor’s successors and assigns. The covenants, restrictions, 
exceptions, reservations, limitations, or other provisions made in this Deed of Easement are 
legally binding on Grantee, and all who lawfully succeed to Grantee’s rights and responsibilities, 
including Grantee’s successors and assigns. The covenants, restrictions, limitations, 
reservations, exceptions or other provisions made herein by Grantee can be enforced by Grantee 
and all future users of the easement, including Grantee’s successors and assigns.

The parties acknowledge that a breach of, or failure to comply with the covenants, 
restrictions and obligations of this Deed of Easement by any party shall cause irreparable harm to 
the other party. As such, in the event either party breaches, or fails to comply with any covenant, 
restriction or obligation of this Deed of Easement (whether intentional or not), any other party
shall have the right to sue, at law or in equity, for expedited declaratory relief and specific performance, including a temporary restraining order, preliminary injunction and permanent injunctive relief. Any exercise of such remedies, at law or in equity, shall not be exclusive, and nothing herein contained shall limit, preclude or compromise the enforcement by a non-breaching party of any other rights and remedies it may have at law or in equity including the right to sue for damages for economic loss, special or consequential damages. A breaching party shall pay the reasonable attorneys’ fees, expert fees, and court costs (including appeals or any judgment or order) incurred by another party in successfully enforcing its rights under this Deed of Easement. No such breach or failure to perform shall entitle any party to terminate this Deed of Easement.

The covenants, restrictions, exceptions, reservations, limitations, or other provisions made in this Deed of Easement shall be construed and governed by the laws of the State of New Jersey.

Any capitalized words or term not defined herein shall have the meaning ascribed to them in that certain Plaza Dedication Agreement dated ___________ ______, 2019 by and among Grantor, Grantee and 134 Bay Street, LLC.

The covenants contained herein shall run with the lands and be construed as running with the lands, and shall be binding upon the parties hereto, their heirs, assigns and successors in title or in interest for as long as the easement continues.

5. All notices, demands, requests or other communications which may be or are required to be given, served or sent under this Deed of Easement shall be in writing and shall be deemed to have been properly given or sent:

as the “Grantor”,

AND CITY OF JERSEY CITY, a Municipal Corporation, whose address is c/o
Office of City Clerk, 280 Grove Street, Jersey City, New Jersey 07302, referred to as the “Grantee”.

Tax Map Reference. (N.J.S.A. 46:15-1.1) Municipality of Jersey City, part of Block No. 11505,
Lot No. 1 (formerly known as a part of Block No. 140, Lot No. A.1 and B.1) more particularly
described on Exhibit A attached hereto and made a part hereof (the “East Property”).

WITNESSETH, that the Grantor, for and in consideration of the mutual promises made by each
of the respective parties, and the Grantee being herewith fully satisfied, does by these presents
remise, release and convey unto Grantee an easement in perpetuity over, across and through the
Property with all of its rights and appurtenances, subject to certain easements, agreements, rights
of entry, and reservations, and the conditions, exceptions, and reservations hereinafter expressed
to hold for Grantee’s use and benefit now and forever. The Grantee being herewith fully
satisfied, does hereby accept the easement described herein in its “as is” condition, without any
representation or warranty with respect to fitness for use or otherwise.

1) The easement conveyed to Grantee herein consists of the following:

A non-exclusive public access easement for the perpetual use of
the surface of that certain land described on Exhibit “A” attached
hereto and made a part hereof located in the City of Jersey City, County of Hudson and State of New Jersey (the “East Property”), improved as part of a pedestrian plaza containing that certain landscaping, curbs, lighting equipment, pedestals for the display of public art, railings, trees, walkways, and other decorative landscape and hardscape elements, which are shown on Exhibit “B” attached hereto and made a part hereof (the “East Property Plaza Improvements”).

2) In connection with the grant of this easement, the Grantor covenants that:

a) Grantor shall perform the maintenance of the East Property Plaza Improvements as required by Schedule 1 attached hereto and made a part hereof (hereinafter the “Regular Maintenance Requirements”) at the sole cost and expense of Grantor.

b) Grantor shall provide water to the East Property to maintain the East Property Plaza Improvements as required by the Regular Maintenance Requirements, at the sole cost and expense of Grantor; however, Grantor shall not be required to provide water for the public’s use of the East Property Plaza Improvements.

c) Grantor shall indemnify, defend and hold harmless the Grantee, its employees, officers and agents from and against all claims, damages, losses, suits, actions, judgments, costs and expenses of whatsoever kind or nature, including personal injury and property damage, arising out of or in connection with Grantor’s failure to perform the Regular Maintenance Requirements in the East Property Plaza Improvements other than liability arising out of the sole negligence or intentional or wanton or willful acts or omissions of the Grantee.

d) Grantor and any subcontractors retained by it shall maintain at their sole cost and expense, standard, basic, comprehensive commercial general liability insurance, workers’ compensation insurance, and employer’s liability insurance to protect against any loss in connection with Grantor’s obligation to perform Regular Maintenance Requirements. Grantor shall maintain a general liability policy with coverage of a minimum of Two Million ($2,000,000.00) Dollars, which shall name the Grantee and any officer, employee, agent or contractor of the Grantee as additional insureds. Said policy may not be reduced or terminated without providing thirty (30) days written notice to the Grantee. A certificate of insurance providing evidence of coverage in compliance with this section shall be provided by Grantor at the time of its delivery of this Deed of Easement, and renewal certificates of insurance shall be provided annually.
e) In the event the Grantee determines that Grantor has failed to timely perform any of the Regular Maintenance Requirements the Grantee shall give Grantor thirty (30) days written notice to cure such failure. If after thirty (30) days, Grantor has not cured such failure, the Grantee shall have the right to perform such required maintenance and Grantor agrees to pay the Grantee its costs and expenses to perform these services. In the event that Grantor receives three (3) or more summons or citations from the Jersey City Zoning Officer in any consecutive twelve (12) month period, then the Grantee shall be entitled to demand that Grantor provide a $50,000.00 maintenance bond to secure its obligations under this Agreement (the “Bond”). Following the Grantor’s delivery of the Bond to the Grantee, in the event Grantor fails to comply with its obligations under this Agreement (whether intentional or not), the Grantee shall have the right to request that the Jersey City Zoning Officer issue a zoning violation as described above, or after giving Grantor fourteen (14) days written notice to cure such non-compliance, use the Bond to remedy Grantor’s non-compliance with this Agreement. The foregoing remedies shall be in addition to any other remedies available to the Grantee and the Jersey City Zoning Officer, at law or in equity. However, under no circumstances shall the Grantee or Jersey City Zoning Officer be entitled to revoke or order the revocation of the Site Plan Approval or the Certificate of Occupancy for the building and other private improvements constructed on Block 11505, Lot 1. The Grantee shall be permitted, in its sole and absolute discretion, and without the consent of the Grantor to delegate its enforcement authority under this paragraph to the Jersey City Planning Board.

3) In connection with the conveyance of this easement, the Grantee covenants that:

a) Grantee shall pay full cost and expense of electricity required for public use of the East Property Plaza Improvements including but not limited to all lighting installed therein and shown of Exhibit B attached hereto and made a part hereof.

d) Grantor shall have the right to close all or portions of the East Property and East Property Plaza Improvements from time to time for a reasonable period of time during regular business hours to maintain the East Property Plaza Improvements as required by the Regular Maintenance Requirements. Such closure may be for such duration as reasonably necessary to adequately perform the required maintenance. Except in the case of an emergency, Grantor shall give the City Clerk and Municipal Engineer at least three (3) business days written notice in accordance with Section 5 hereof of Grantor’s intent to close the East Property to perform maintenance thereto. Such written notice shall include a brief description of the work to be performed and the anticipated duration of the closure. In the event that Grantor closes the East Property for an unreasonable period of time in order to perform maintenance, it shall constitute a breach of Grantor’s obligations hereunder and the City and the Planning Board shall have the rights and remedies against Grantor granted to them under Section 2.e of this Deed.

e) Following the expiration of the East Property Plaza Improvement Bond, the Grantee shall be responsible for the repair and replacement of all improvements in the East Property Plaza Improvements at the Grantee’s sole cost and expense unless such repair or replacement is made necessary because of the negligent or willful acts or omissions of Grantor.

f) Following the expiration of the East Property Plaza Improvement Bond, when the East Property Plaza Improvements, or any portion thereof, is in need of repair or replacement the Grantee shall make such replacement or repairs, at the Grantee’s sole cost and expense, with the same color, type, and quality of improvements and materials initially installed therein by Grantor and specified in Exhibit B attached hereto and made a part hereof.

CITY ORDINANCE 19-038

TITLE:

ORDINANCE REPEALING ORDINANCES 15-052 AND 15-053 IMPOSING RESTRICTIONS ON FORMULA BUSINESSES WITHIN CERTAIN REDEVELOPMENT AREAS

COUNCIL

offered and moved adoption of the following Ordinance:

WHEREAS, In 2015, the Jersey City Municipal Council enacted ordinances 15-052 and 15-053 restricting "formula businesses" in 41 redevelopment areas of the City, including the Erie Street Redevelopment Area; and

WHEREAS, the 2015 ordinances limit "formula businesses" to "30% of ground floor leasable commercial area" within the affected redevelopment areas; and

WHEREAS, the ordinances define "formula business" as one which is contractually obligated to maintain certain "standardized characteristics" such as "merchandise, menu items, design, signage and trademarks and where 10 or more establishments are in operation with 300 miles of municipal boundaries; and

WHEREAS, the commercial activities restricted within the category of formula businesses are limited to restaurants, retail sales of goods and services, bars and financial service facilities and banks; and

WHEREAS, all fall under the category of "Interstate commerce" as that term is used in the Commerce Clause of the 14th Amendment to the Constitution; and

WHEREAS, having received a complaint from an affected owner, the Corporation Counsel has reviewed the ordinances and the factual record on which they are based and has concluded that it is very likely that a federal court will find the ordinances violate the Commerce Clause on the ground that the restrictions they place on out-of-state businesses ("interstate commerce") are not supported by a factual demonstration sufficient to justify such differential restrictions on formula businesses.

NOW, THEREFORE, BE IT ORDAINED by the Municipal council of the City of Jersey City that Ordinances 15-052 and 15-053 are hereby repealed.

Ordinance Purpose

Designating 60-degree, head-in, angle parking on the north side of Winfield Avenue from Garfield Avenue to Princeton Avenue will increase parking availability on this section of Winfield Avenue from 25 parking spaces to 33 parking spaces. This would be an increase of approximately 8 parking spaces as compared to the existing condition.

Establishing angle parking on the north side of the street results in more spaces because of the relatively long stretches of uninterrupted curb line near the easterly and westerly ends of the block.

Our existing conditions parking capacity calculation contemplates the 25' state statute parking restriction. In reality, people may be parking closer to the crosswalk than is technically allowed, so the parking increase may not be that noticeable, perhaps closer to 4 parking spaces.

I certify that all the facts presented herein are accurate.

Ordinance Purpose

The purpose of this Ordinance is to designate the following intersection as a stop intersection: Clerk Street and Forrest Street.

This intersection currently does not have any traffic control. Clerk Street is one-way in the southbound direction and Forrest Street intersects Clerk Street to make a T-intersection. Therefore, vehicles traveling eastbound on Forrest St must come to a stop and then proceed to safely facilitate a right-turn movement approaching Clerk Street.

Designating this intersection as an all-way stop control intersection will improve traffic safety and operational characteristics at the intersection based on detailed review of traffic conditions and guidance outlined within the Manual on Uniform Traffic Control Devices published by the Federal Highway Administration.

WHEREAS, the short-term rental of dwellings and dwelling units can provide a flexible housing stock that allows travelers a safe accommodation while contributing to the local economy, promoting travel and tourism and supporting the local tourism industry and business community; and

WHEREAS, the short-term rental of dwellings and dwelling units can provide homeowners with an opportunity to maintain ownership of property in difficult economic circumstances; and

WHEREAS, the needs of long-term residents should be balanced with the allowance of short-term rentals; and

WHEREAS, the Council recognizes that unregulated short-term rentals can create disproportionate impacts related to their size, excessive occupancy, and lack of proper facilities; and

This STRP regulation shall supersede any conflicting provision in a private lease agreement permitting sub-leasing of the property, or any portion of the property. Violation of this Section will result in enforcement action against the tenant, the STRP owner, the Short-Term Rental Agent, and the Responsible Party, and will subject all such parties to the issuance of a Summons and levying of fines and/or penalties.

3. Short-Term Rental Permit, Permit Registration Fee/Application.

a. In addition to any land use requirement(s) set forth in the City of Jersey City Land Use Regulations, the owner/operator of a short-term rental property shall obtain a short-term rental permit from the City of Jersey City Division of Housing Preservation before renting or advertising for rent any short-term rental. The application for a short-term rental permit must meet the following initial requirements to be considered;
i. For existing Short-Term Rentals, the applicant must not have had more than two (2) documented dangerous conditions, as defined in this Section, within the last two (2) years; and

ii. For existing Short-Term Rentals, the applicant must have no violations of the City of Jersey City’s Noise Ordinance, located in Chapter 222 of this Code, within the last two (2) years. A violation of the Noise Ordinance means a documented violation by the City of Jersey City Municipal Court; and

iii. In the event that any code violations have been issued by the City relating to the STRP, a short-term rental permit shall not be issued until such time as such violations have been properly abated. The STRP owner must also close any open construction permits for the property prior to the issuance of a short-term rental permit; and

iv. The applicant must be current with all city taxes, water, and sewage charges; and

v. All fines or penalties issued by the Municipal Court for the City of Jersey City for any past code violations relating to the STRP, including penalties for failure to appear in Court, must be satisfied in full prior to the issuance of a short-term rental permit.

b. No person or entity shall operate a STRP, or advertise a residential property for use as a STRP, without the owner/operator of the property first having obtained a STR permit issued by the City of Jersey City’s Division of Housing Preservation. The failure to obtain a valid STR permit prior to advertising the STRP in any print, digital, or internet advertisement or web-based platform and/or in the Multiple Listing Service (hereinafter “MLS”) or any realtor’s property listing shall be a violation of this Ordinance. No STR permit issued under this Section may be transferred or assigned or used by any person or entity, other than the owner to whom it is issued, or at any property location or dwelling unit other than the property for which it is issued.

c. An owner of property intended to serve as a STRP, or any agent acting on behalf of the owner, shall submit to the City of Jersey City Division of Housing Preservation a STR permit application provided by the City, along with an initial registration fee of $500.00. Said fee shall be non-refundable, including in the event that the application is denied.

d. The STR permit, if granted, shall be valid for a period of one (1) year from the date of issuance.

e. A short-term rental permit shall be renewed on an annual basis, based upon the anniversary of the original permit issuance, by submitting to the Division of Housing Preservation a short-term rental permit application, and a renewal registration fee of $300.00.

f. The short-term rental permit shall expire automatically when the STRP changes ownership, and a new initial application and registration fee will be required in the event that the new owner intends to use the property as a STRP. A new application shall also be required for any STR that had its short term rental permit revoked or suspended.

4. Application Process for Short-Term Rental Permit and Inspections.

a. Applicants for a short-term rental permit shall submit, on an annual basis, an application for a short-term rental permit to the City of Jersey City Division of Housing Preservation. The application shall be furnished, under oath, on a form specified by that department, accompanied by the non-refundable application fee as set forth in Subsection 2 above. Such application shall include:
i. The name, address, telephone number and email address of the owner(s) of record of the dwelling unit for which a permit is sought. If such owner is not a natural person, the application must include and identify the names of all partners, officers and/or directors of any such entity, and the personal contact information, including street address, email address, and telephone numbers for each of them;

ii. The address of the proposed STR;

iii. A copy of the driver's license or State Identification Card of the owner of the short-term rental property, confirming, as set forth in this Section, that the property is the principal residence, as that term is defined in this Section, of the owner making application for the STR permit;

iv. The owner's sworn acknowledgement that he/she is in compliance with the requirement that the STRP constitutes the owner's principal residence, as defined in this Section;

v. The name, address, telephone number and email address of the short-term rental property agent, which shall constitute his/her 7 day a week, 24-hour a day contact information;

vi. The name, address, telephone number and email address of the short-term rental property's responsible party, which shall constitute his/her 7-day a week, 24-hour a day contact information;

vii. Copies of two (2) utility bills from the STRP that are less than thirty (30) days old; and

viii. The owner's sworn acknowledgement that he/she has received a copy of this Ordinance, has reviewed it, understands its requirements and certifies as to the accuracy of all information provided in the permit application;

ix. The number and location of all parking spaces available to the premises, which shall include the number of legal off-street parking spaces and on-street parking spaces directly adjacent to the premises. The owner shall certify that every effort will be made to avoid and/or mitigate issues with on-street parking in the neighborhood in which the STR is located, resulting from excessive vehicles generated by the STR of the property, in order to avoid a shortage of parking for residents in the surrounding neighborhood;

x. The owner's agreement that all renters of the STRP shall be limited to one (1) vehicle per two occupants in the STRP;

xi. The owner's agreement to use his or her best efforts to assure that use of the STRP by all transient occupants will not disrupt the neighborhood, and will not interfere with the rights of neighboring property owners to the quiet enjoyment of their properties; and

xii. Any other information that this Chapter requires a property owner to provide to the City in connection with an application for a Certificate of Occupancy. The Director of the Division of Housing Preservation, or his/her designee, shall have the authority to obtain additional information from the STRP owner/applicant or amend the permit application to require additional information, as necessary, to achieve the objectives of this Chapter.

b. Every application for a short-term rental permit shall require annual inspections for the STRP's compliance with the City's fire safety regulations and Property Maintenance Code. In addition, each application is subject to review to verify the STRP's eligibility for use as a STR and compliance with the regulations in this Section.
c. A Zoning Compliance Certificate, which states that the premises are not being occupied or used in violation of the City's Land Use Regulations and Zoning Ordinances, shall be required.

d. A sworn statement shall be required that there have been no prior revocations or suspensions of this or a similar license, in which event a license shall not be issued, which denial may be appealed as provided hereinafter.

e. Attached to and concurrent with submission of the permit application described in this Section, the owner shall provide:

   i. Proof of the owner's current ownership of the short-term rental unit;

   ii. Proof of general liability insurance in a minimum amount of $1,000,000.00;

   iii. Written certifications from the short-term rental property agent and responsible party that they agree to perform all of the respective duties specified in this Section.

f. The STRP owner/permit holder shall publish the short-term rental permit number issued by the City in every print, digital, or internet advertisement, and/or in the MLS or other real estate listing of a real estate agent licensed by the New Jersey Real Estate Commission, in which the STRP is advertised for rent on a short term basis.

g. The STRP owner or agent shall maintain an up-to-date log of all transient occupants who will be occupying the STRP, which shall contain the occupant or occupants' names, ages, dates of commencement and expiration of each short-term rental period. This log shall be available for inspection by the City's Division of Housing Preservation and, in case of emergency, the Department of Public Safety. The purpose of this requirement is to ensure that the City shall have basic identifying information of all occupants of the STRP at all times.

h. In no event shall a STRP be rented to anyone younger than twenty-one (21) years of age. The primary occupant of all short-term rentals executing the agreement between the owner and the occupant must be over the age of twenty-one (21), and must be the party who will actually occupy the property during the term of the short-term rental. The primary occupant may have guests under the age of twenty-one (21) who will share and occupy the property with them. Both the primary occupant executing the short-term rental agreement and the STRP owner shall be responsible for compliance with this provision, and shall both be liable for a violation, where the STRP is not occupied by at least one adult over the age of twenty-one, during the term of the STR. No one under eighteen (18) years of age shall be permitted on the premises of a STRP unless they are accompanied by their legal guardian.

5. Issuance of Permit and Appeal Procedure.

a. Once an application is submitted, complete with all required information and documentation and fees, the Division of Housing Preservation, following any necessary investigation for compliance with this Section, shall either issue the short-term rental permit, or issue a written denial of the permit application with the reasons for such denial being stated therein within thirty (30) days, provided access to the STRP is provided by the owner or owner's STR agent.

b. If denied, the applicant shall have ten (10) business days to appeal the denial, in writing, to the Office of the Business Administrator and the Division of Housing Preservation.

c. Within thirty (30) days thereafter, the Business Administrator or his/her designee shall hear and decide the appeal.
6. Short-Term Rental Operational Requirements.

a. All STRs must comply with all applicable rules, regulations and ordinances of the City of Jersey City and all applicable rules, regulations and laws of the State of New Jersey, including regulations governing such lodging uses, as applicable. The STRP owner shall ensure that the STR is used in a manner that complies with all applicable laws, rules and regulations pertaining to the use and occupancy of a STR.

b. A dwelling unit that is not located in a Bed and Breakfast, as defined in this Chapter, shall be limited to a single short-term rental contract at a time.

c. The owner of a STRP shall not install any advertising or identifying mechanisms, such as signage, including lawn signage, identifying the property for rent as a STRP.

d. Transient occupants of the STRP shall comply with all ordinances of the City of Jersey City including, but not limited to those ordinances regulating noise and nuisance conduct. Failure of transient occupants to comply shall subject the transient occupants, the owner of the STRP, the Responsible Party and the Short-Term Rental Agent listed in the short-term rental permit application, to the issuance of fines and/or penalties, and the possibility of the revocation or suspension of the STRP permit.

e. The owner of a STRP shall post the following information in a prominent location within the STR:
   i. Owner name; if owner is an entity, the name of a principal in the entity, email address and phone number for the principal;
   ii. The names, email addresses, and phone numbers for the Responsible Party and the Short-Term Rental Agent as those terms are defined in this Section;
   iii. The phone numbers for the Department of Public Safety, the City of Jersey City's Resident Response Center, and the Division of Housing Preservation;
   iv. The maximum number of parking spaces available for STRP use onsite;
   v. Trash and recycling pick-up day and all applicable rules and regulations regarding trash disposal and recycling;
   vi. Notification that a guest, Transient Occupant, the Short-Term Rental Property Agent, the Responsible Party or STRP owner may be cited or fined by the City of Jersey City Department of Public Safety or the City of Jersey City Division of Housing Preservation for violations of and in accordance with any applicable Ordinance(s) of the City of Jersey City.

f. In the event that any complaints are received by the Jersey City Department of Public Safety or the Division of Housing Preservation regarding the STR and/or the Transient Occupants and the owner of the STRP is unreachable or unresponsive, both the Responsible Party and the Short-Term Rental Agent listed in the short-term rental permit application shall have the responsibility to take any action required to properly resolve such complaints, and shall be authorized by the STRP owner to do so.

g. While a STRP is rented, the owner, the Short-Term Rental Agent, or the Responsible Party shall be available twenty-four hours per day, seven days per week for the purpose of responding within two (2) hours to complaints regarding the condition of the STRP premises, maintenance of the STRP premises, operation of the STR, or conduct of the guests at the STRP, or nuisance complaints from the Department of Public Safety, or neighbors, arising by virtue of the short-term rental of the property.
h. If the STRP is the subject of two (2) or more substantiated civil and/or criminal complaints and/or code violations, the Director of the Division of Housing Preservation or his/her designee or the Business Administrator or his/her designee shall revoke the short-term rental permit issued for the STRP, in which case the STRP may not be the subject of a new STRP permit application for one (1) year following the date of revocation of the permit. The Director of the Division of Housing Preservation or his/her designee or the Business Administrator or his/her designee shall retain the discretion to revoke a short-term rental permit in the event of a single substantiated civil and/or criminal complaint and/or code violation if, in his/her sole discretion, the interests of the City and its residents justify immediate revocation. In the event that an STRP is the subject of a civil and/or criminal complaint and/or code violation that involves a dangerous condition, as defined in this section, the Director of the Division of Housing Preservation or his/her designee or the Business Administrator or his/her designee may, at their sole discretion, suspend the STRP's short-term rental permit pending substantiation.

i. In the event that the City receives three (3) substantiated complaints concerning excessive vehicles belonging to the transient occupants of a STRP, the short-term rental permit for the property is subject to revocation by the Director of the Division of Housing Preservation or his/her designee or the Business Administrator or his/her designee.

When the Office of the Business Administrator and/or the Division of Housing Preservation receives notice of a civil and/or criminal complaint and/or code violation at a STRP as outlined in subsections (h)(1) and (l) above, the Director of the Division of Housing Preservation or his/her designee or the Business Administrator or his/her designee shall issue a written notice revocation or suspension, as applicable, of the short-term rental permit with the reasons for such revocation or suspension being stated therein within thirty (30) days.

ii. The applicant shall have ten (10) business days to appeal the revocation or suspension, in writing, to the Office of the Business Administrator and the Division of Housing Preservation.

iii. Within thirty (30) days thereafter, the Business Administrator or his/her designee shall hear and decide the appeal.

j. Failure to make application for and to obtain the issuance of a short-term rental permit prior to advertising the STRP in print publications or newspapers, on any internet-based booking platforms, or online and/or in the MLS or other real estate listing of a real estate agent licensed by the New Jersey Real Estate Commission, shall be equivalent to operation of the STRP without a permit, and shall constitute a violation of this Code, and will result in enforcement action and the issuance of a summons, and shall subject the STRP owner, the Short-Term Rental Agent, and the Responsible Party to issuance of fines and/or penalties.

7. Violations and Penalties.

a. A violation of any provision of the within Chapter may subject the STRP owner, Transient Occupant(s), the Short-Term Property Rental Agent, and the Responsible Party or their agents to fines assessed by the Court up to $2,000.00 per violation, but not less than $100 per violation per day that the violation exists.

b. The STRP owner, Transient Occupant(s), the Short-Term Property Rental Agent, and the Responsible Party or their agents shall have thirty (30) days to cure the violation. Within the thirty (30) day period, at the STRP owner, Transient Occupant(s), the Short-Term Property Rental Agent, and the Responsible Party or their agents' request, they shall be afforded a hearing before a Jersey City Municipal Court judge for an independent determination concerning the violation.
c. Subsequent to the expiration of the 30-day period, the fine shall be imposed if a Court has not determined otherwise or upon reinspection of the property, it is determined that the abatement has not been substantially completed.

A. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

B. This ordinance shall be a part of the Jersey City Code as though codified and set forth fully herein. The City Clerk shall have this ordinance codified and incorporated in the official copies of the Jersey City Code.

C. This ordinance shall take effect on January 1, 2020.

D. The City Clerk and the Corporation Counsel be and are hereby authorized and directed to change any chapter numbers, article numbers and section numbers in the event that the codification of this ordinance reveals that there is a conflict between those numbers and the existing code, in order to avoid confusion and possible repeaters of existing provisions.
