All applicants have submitted applications for a reserved parking space and have been reviewed and recommended for approval by the Committee. Each reserved parking space will have a two-year mandatory renewal, July 1, 2021.

This ordinance designates 37 reserved parking spaces for newly approved individuals, amends 3 locations in order for the address in the Reserved Parking Manual to match the location of the signs, amends the disabled individual for whom the space is designated for at 3 existing locations and designate 12 new locations for individuals who have relocated from a previously approved location.

Since the last Ordinance adopted in September 2018, there have been 42 reserved parking spaces removed.

I certify that all the facts presented herein are accurate.
