I agree:

- To keep this fire under control and to assume responsibility for all damages and costs that may result from burning done under this permit.
- To attend this fire until completely extinguished.
- To have this permit available at the burn site for inspection.
- Not to burn if there is a practical alternative method of disposal of the material such as chipping, composting or recycling.
- To use a clean burning device to start fire.
- Not to conduct burning during any air quality alert.
- Not to burn prohibited materials listed below unless authorized under Minnesota Statutes.
- To extinguish the fire immediately if this permit is revoked.
- That this permit fire will not be allowed to smolder without flame.
- That I will abide by all MN Statutes and local ordinances pertaining to open burning.

Requirements (unless stated otherwise in special conditions above):

- Prevailing wind must be away from nearby occupied buildings, public roads, airports and landing strips;
- Smoke must not be a hazard to the public;
- Permittee must be at least 18 years of age;
- Burning is prohibited below the ordinary high water mark of public waters except for agricultural operations for the purposes of managing forests, prairies or wildlife habitat;
- No open burning shall be conducted within 50 feet of a residence of another person, without his or her written permission.

This permit is for open burning as allowed and specified in Minnesota Statutes (M.S.88.16) and local ordinances. The permittee is granted permission to burn the above described materials at the specified location(s) during the conditions listed above. I attest, by my signature, that I have read the details of this permit and will comply with the conditions of, and any attachments to this permit; and that I am the landowner or have the written permission of the landowner to burn at the above burn site location; and that I will activate this permit each day prior to ignition. Violations of permit conditions may subject Permittee to criminal and/or civil actions. Permit must be in your possession when burning.
